City DEPT. PUBLIC WORKS

OFFICIAL PROCEEDINGS OF THE BOARD OF CEMETERY AND PUBLIC PARK COMMISSIONERS

CITY OF LANSING

Lansing, Michigan, Jan. 4, 1924.

Board met in regular session and was called to order by the president, Com. Poxson.

Roll call:

Present—Com. Beck, Bishop, Johns, Poxson, Sanders, Woodworth.—6.

Absent—Coms. Baumgras, Gibbs.—2.

The minutes of the last session were approved as read.

COMMITTEE REPORTS.

Cemetery Committee.

The Cemetery Committee wishes to report that guard rails have been erected at the dangerous points on the Sunken Garden at Mt. Hope and that satisfactory trellises have been erected to screen the collection of rough boxes stored at the cemetery.

JOSEPH BECK,
E. B. JOHNS,
Committee.

Received and placed on file.

Cemetery Committee.

The attention of the Board is called to a note given by Lloyd Bailey in payment of the east half of Lot 67, Section V. Through a clerical error a deed was issued for this lot although there is still due on the lot \$9.06.

The attention of the above lot owner was called to this error immediately and was followed up by a letter from the Treasurer's office. As there has been no move on the part of the owner to take care of this matter, your committee recommends that the lot be posted and no burials permitted until payment is made.

JOSEPH BECK,
E. B. JOHNS,
Committee.

By Com. Beck—

That the report be adopted and that the clerk post the lot until payment is made.

Carried.

Cemetery Committee Report.

Agreeable to a resolution of September 7, 1923 your committee recommend the forfeiture of Lot 111, Section U, at Mt. Hope Cemetery, same being a lot contracted for by Francis W. McKenney. We recommend that he be deeded the half lot on which he has made burials and that the balance of lot be graded and sodded and offered for sale with perpetual care.

JOSEPH BECK,
E. B. JOHNS,
Committee.

By Com. Beck—

That the report of the Committee be adopted and that the City Treasurer be instructed to cancel the two notes for \$30 each which are held by the City for Lot 111, Section U.

Carried.

FINANCE COMMITTEE REPORT.

The Committee on Finance recommend that a communication be sent to the Ways and Means Committee of the Council requesting that all items included in the 2-D or Permanent Improvement Fund of the Park Budget of 1923 be encumbered in order that such work may be completed in 1924.

Finance Committee,
JOSEPH BECK,
Chairman.
L. E. SANDERS.

By Com. Beck—

That the report of the committee be adopted and that City Forester be instructed to communicate with the Council Ways and Means Committee.

Carried.

The Finance Committee submitted a proposed budget for the year 1924, which was considered by the Board.

The City Forester and Superintendent of Mt. Hope Cemetery made a financial report on cemetery funds.

By Ald. McKale—

That the resignation be accepted.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, Fowler, Kircher, Leonard, Main, McComb, McKale, Phillips, Templeton.—10.

Nays—None.

Honorable Mayor and City Council, City of Lansing, Michigan:

Gentlemen:

Whereas, under date of May 21, 1923 a contract was entered into by and between the City of Lansing and the Townsend-Shuttleworth-Ballmer Company of the City of Lansing, for the construction of the Seymour street bridge in said city; and

Whereas, the bonds covering such contract were executed by the National Surety Company of New York; and

Whereas, by the terms of said undertaking that said work should be completed on or before the first day of December, 1923; and

Whereas, it has become impossible to complete the work in said time for the following reasons:

Unavoidable delay in arriving of equipment for job and the difficulties encountered in excavating for three of the footings on this bridge.

We, therefore, request your Honorable Body that an extension of time be given with the approval of the Surety Company for the performance of said contract to and including the first day of July, 1924, and that such extension shall not operate

to release the Principal or Surety from liability under the terms of said bonds.

Yours very truly,

TOWNSEND-SHUTTLEWORTH-BALL-
MER CO.

Per L. D. Townsend,
President.

Referred to Committee on Bridges and
City Attorney.

REPORTS OF COMMITTEES.

The Committee on Bonds and Contracts, recommend that the following bonds be approved:

Leon C. Wheeler for peddler's license, with the Fidelity & Deposit Company of Maryland as surety;

Drainlayer's license bond of The Wheeler-Blaney Co., with National Surety Co. as surety.

A. DE CAMP,
M. A. TEMPLETON,
ELMER CLAPHAM,

Committee on Bonds and Contracts.

By Ald. Templeton—

That the report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, Fowler, Kircher, Leonard, Main, McComb, McKale, Phillips, Templeton.—10.

Nays—None.

The Committee on Sewers, to whom was referred the petition for a sewer in Pasadena Subdivision, from existing sewer in Jenison avenue, north to Willow street, begs leave to report as follows:

This sewer will require an outlet sewer to be constructed in Dayton street north to Redwood, in Redwood east to Glenrose, in Glenrose street north to Norwood street and in Norwood street east to Robertson street. We recommend that the prayer of the petitioners be granted as soon as this outlet is constructed.

M. A. TEMPLETON,
H. S. FOWLER,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

Resolved by the City Council of the City of Lansing:

That the bids be referred to the Sewer Committee and City Engineer.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the month of December, 1923, was received and placed on file.

Gentlemen of the Council:

You no doubt have observed, and are aware of the very serious situation, brought about by the traffic congestion at intersections of some of the down town streets.

With the idea in view of submitting to your Honorable Body, suggestions whereby substantial relief could be rendered at some of the intersections where congestion is the worst, I have had the situation studied for some time past and recommend that a traffic control system be installed at the corner of Capitol and Michigan, Ottawa and Washington, Grand and Michigan and at Washington and Allegan, these signals to be operated from the present traffic tower at Washington and Michigan.

I find that such a system as outlined above, including an automatic control for intersection at Michigan and Pennsylvania, can be purchased and installed for \$2,985.00.

Should it be your judgment that these controls be installed, provision should be made to take care of the work prior to other street improvements planned.

Yours very truly,
ALFRED H. DOUGHTY,
Mayor.

Referred to Committee on Ways and Means.

ANNUAL REPORT OF THE MARKET MASTER.

To the Honorable Mayor and City Councilmen:

Gentlemen:

The season just closed has been the most successful one in the history of the city market. More sellers have registered on the market this year and more buyers have availed themselves of the opportunity to purchase their supplies at the market than any other year in the history of the market. This measure of success in both buying and selling has been aided largely by the excellent support of the city press, the Merchants' Bureau of the Chamber of Commerce, and the co-operation of the City Council and City Officials.

The city market is also acting as a clearing house for buyers and sellers for hay, oats, straw, wood, etc., for which no charge is made. I believe we have reached the zenith of prosperity for a financial standpoint unless more stalls are

provided for local growers and sellers who come as far as 150 miles or more. The most urgent need of the market at present is another building which will provide more stalls with part of them enclosed for winter use. With these accommodations the market would be active during the winter season. Four hundred and thirty different sellers, as registered on the market this season, cannot conveniently sell from 77 stalls.

With Lansing's rapidly increasing population we need to encourage many more regular market gardeners in this vicinity, and ample space should be provided for them.

The total receipts of the market from May 1st, 1923, to December 31, 1923, is \$1,529.50 which is nearly double the receipts for any single year during the past four years, or more than four times the combined receipts of the last four fiscal years.

Respectfully yours,

A. E. VANDAWALKER,
Market Master.

Received and placed on file.

ANNUAL REPORT OF THE CITY WEIGH MASTER.

To the Honorable Mayor and Gentlemen of the Council:

From May 1st to December 31st, 1923, there has been 2506 loads weighed on the city scales for which a fee of ten cents has been collected, and \$250.60 paid to the city Treasurer.

There has been 108 loads weighed for the various city departments, 87 loads under the direction of the sealer of weights and measures and 84 loads consisting of wagon, trucks and loads of coal for various coal dealers to test the accuracy of their scales for which no charge has been made.

Respectfully,

A. E. VANDAWALKER,
City Weighmaster.

Gentlemen of the Council:

I received today a check from the Trustees of the George E. Ranney Estate for \$884.11 being one-sixth of the income of this property (proportion which under the will of Mr. Ranney was to come to the city.)

This check has been turned over to the Cemetery and Park Board to be deposited in the Ranney Park Fund.

Yours very truly,

ALFRED H. DOUGHTY,
Mayor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

Your City Engineer to whom was referred the claim of Kirker Bros. for \$50.00 for additional right of way and for cutting down trees on property through which the 48th Sewer Outlet passes, begs leave to report as follows:

The City has secured the additional right of way required and \$25.00 has been paid Kirker Bros. for this additional right of way. The balance of the claim for \$25.00 has been referred to the Scott Construction Company and they have been advised to pay same if they cut down any trees without permission of the owner.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

To the Honorable Mayor and Members of the City Council, Lansing, Michigan:

Gentlemen:

Referring to the communication of the Volunteers of America, asking that the taxes against certain real estate be remitted, would say that if this property was used exclusively for religious or charitable purposes at the time the tax was assessed, the proper practice is to file with the Auditor General a certificate of the County Treasurer certifying that the property was so used, whereupon the Auditor General will cancel the tax and charge it back to the county.

The County Treasurer will probably issue such a certificate on being furnished reliable information that this property was used for religious or charitable purposes at the time of the assessment.

Respectfully yours,

WM. C. BROWN,
Assistant City Attorney.

Received and placed on file.

MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Phillips—

That the resolution of Ald. Phillips of

Jan. 14, 1924, calling an election in the 8th Ward, Feb. 5th, be and the same is hereby rescinded.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, Vandervoort.
—12.

Nays—None.

By Ald. Phillips—

Whereas, there is a vacancy in the office of alderman of the eighth ward of the City of Lansing, by reason of the resignation of Silas S. Main, which resignation has been accepted by this council; and

Whereas, it is necessary that an alderman from the said eighth ward be elected to fill the vacancy so occurred before the next annual election by reason of the time between the present and the date of said election; therefore, be it

Resolved, that a special election of the eighth ward of the city of Lansing be held on Friday, the 15th day of February, 1924, for the purpose of submitting to the people of said ward an opportunity of voting for and electing a member of the city council to fill the vacancy caused by the resignation of Silas S. Main. That said election be held in accordance with the charter of the City of Lansing and the provisions in relation thereto for holding elections and be governed according to the general election law as laid down in the Charter of the City of Lansing and the laws of the State of Michigan; and be it further

Resolved that the place for holding said election shall be the Foster Avenue Schoolhouse, and that the following persons be named as inspectors for said election: Bert Johnson and Fern Kryger.

Be it further, Resolved, that the City Clerk be and is hereby instructed to give notice of such election as required by the charter of the City of Lansing and the laws of the State of Michigan, and to do such other matters in relation thereto as may be required by law; and

Whereas, the election law requires that all ballots be printed and in the hands of the City Clerk at least twelve days before the election, and the special election in the Eighth Ward being the 15th day of February, 1924, all ballots must be printed and in the hands of the City Clerk for the purpose of distribution to absent voters by Saturday, the 2nd day of February, 1924.

Whereas, it is necessary that all petitions for city offices be filed prior to this date and in order that the necessary steps be taken as required by the City Charter for the filing of petitions and arranging the names of the candidates on the ballot, it is necessary that a day be fixed for filing of petition; therefore, be it further

Resolved, that all petitions for office shall be filed in the office of the City Clerk on or before Monday, the 28th day of January, 1924, and that all amended peti-

tions, if any, shall be filed in said office not later than 5 o'clock p. m., Wednesday, the 30th day of January, 1924, and that the day for the designation of the place on the ballot for the respective names shall be Friday the 1st day of February, 1924, at 10 o'clock in the forenoon of said day at the office of the City Clerk.

City of Lansing:

I herewith submit signed contracts on behalf of the New York Central Railroad Company, relative to the Shiawassee street bridge, for execution on the part of the city.

Very truly yours,
SAMUEL H. KELLEY.

Referred to the Committee on Bridges and City Attorney.

This Contract and Agreement, made and entered into by and between the City of Lansing, State of Michigan, party of the First Part, and The New York Central

Railroad Company, a Corporation, Party of the Second Party, Witnesseth:

Whereas, First Party has about completed the construction of a bridge across the Grand River and across the tracks of Second Party in Shiawassee street in said City, and which said bridge has been so built that the concrete encasement around the columns on the westerly side of the tracks of the said Second Party clears a line twenty-one and thirty-five hundredths (21.35) feet westerly of and parallel with the center line of the middle or main track of said Second Party and the centers of the columns on the easterly side of said main tracks are sixty-six and one-half (66½) feet easterly from the center of the columns on the westerly side of said main track; furthermore, the concrete fascia around the southerly column on the easterly side of said main track is seven (7) feet from the nearest rail of the easterly side track, and furthermore, the vertical clearance between the top of rail of said main or center track and the underside of the bridge is eighteen (18) feet and the vertical clearance between the top of rail of the sidetracks either side of the main track and the underside of the bridge is not less than seventeen and one-half (17½) feet; and,

Whereas, the construction of said bridge necessitates a change in the facilities for reaching the freight house, team tracks and other railroad facilities of said Second Party lying immediately to the south of said bridge; and,

Whereas, the said City in order to give the best facilities under present conditions for reaching said freight terminals of the said Railroad Company and secure to it as easy access as is possible under the circumstances has agreed with said Railroad Company to do certain things in furtherance thereof;

Now this Agreement Witnesseth, that said City will continue to maintain said bridge over the tracks of said Second Party with the same side and vertical clearance as above set forth and to leave on either side of said bridge in said Shiawassee street an approach driveway from Cedar street to the said terminals aforesaid, which said approach driveways will be at the former grade of said Shiawassee Street before the new bridge was erected and each of which said approach driveways shall have a minimum clear headroom of at least twelve (12) feet and shall be of a width of not less than fourteen (14) feet, free of curbs, sidewalks or other features which would interfere with vehicular traffic, which said driveways shall be paved and maintained by said City and kept in reasonable and safe condition at all times for the passage of teams, trucks and other vehicles and for those having business at said freight house, team tracks and other said facilities; said paving to be constructed and maintained at the sole cost of said City; that the stairway leading from said bridge to said property of said Railroad Company, which is now constructed as a part of said bridge, to be

kept open and maintained at the sole cost of said City.

Also, said City agrees to maintain suitable electric lights under the bridge structure aforesaid so as to properly illuminate the said approach driveways on either side of said bridge, which said lights shall be provided and maintained at the sole cost and expense of said City.

Also, said City agrees to grade and pave Ottawa street, formerly Condit street, from Cedar street westerly to its intersection with the private roadway or driveway of said Railroad Company, known as and commonly called Depot street, which leads northerly from Michigan avenue in said City. Said pavement shall consist of vitrified paving brick laid on a concrete base, suitable to sustain heavy traffic and shall be built in accordance with the standard paving specifications of said City and said grading and paving of Ottawa street and future maintenance thereof shall be without cost or expense to said Railroad Company.

Also, said City agrees to grade and pave with vitrified brick on concrete foundation, in accordance with the standard paving specifications of said City, said private roadway or driveway owned by said Railroad Company, known as said Depot street above mentioned. Said grading and paving work to extend from Michigan avenue northerly to said Ottawa street and in connection with said work shall provide necessary drainage. The amount of expenditures therein and thereby incurred to be paid out of the contribution by said Railroad Company to said City of Fifty Thousand Dollars (\$50,000.) hereinafter mentioned and said Railroad Company will endeavor to collect from the abutting owners of the land on said so-called Depot street such amount as it can toward the cost of such paving, grading and drainage of said Depot street and any such sums so collected by said Railroad Company shall be paid to said City.

Said Railroad Company is to be relieved by said City of the present or any future grade crossing of its tracks on said Shiawassee street and relieved of the necessity of providing and maintaining a watchman or other protection to the public at said crossing, that being one of the objects to be attained by the construction of said overhead bridge and separation of grades at said street.

The matters and things to be done by said City are to be done without any unreasonable delay and as soon as weather conditions will permit.

The said Railroad Company as a consideration for the performance of the above and foregoing requirements agrees to pay to the said City of Lansing upon the completion of said requirements the sum of Fifty Thousand Dollars (\$50,000) less expense on account of paving Depot street herein provided and expense incurred by said Railroad Company on account of providing watchman, inspectors, engineering service and any other costs incurred by the Railroad incident to the abandonment

of the grade crossing of its tracks at Shiawassee street and erection of the aforesaid bridge.

In Witness Whereof, the parties hereto have duly executed this agreement in duplicate, the said City by its officers duly authorized by resolution of its City Council and said Railroad Company by its authorized officers, this day of 1923.

REPORTS OF CITY OFFICERS.

The reports of the Gas Inspector for the month of January, 1924, and for week ending Feb. 2, 1924, were received and placed on file.

To the Honorable Mayor and City Council:
Gentlemen:

I respectfully request that the License for Pool Room located at 224 N. Washington avenue, known as the Central Billiard Parlors, be revoked, for the following reasons.

Frank McKinch, 511 Avon street, Lansing, Mich., makes affidavit that on January 26th, 1924, he was furnished liquor in above named Pool Room.

Theodore R. Edgar, 416½ Baker street, Lansing, Mich., makes affidavit that on January 20th, he was furnished liquor in above Pool Room.

On the evening of January 30th, 1924, a party purchased two pints of Moonshine Whiskey with marked money in above named Pool Room and later the marked Bills were found in Cash Register.

Respectfully submitted,

ALFRED SEYMOUR,
Chief of Police.

By Ald. McKale—

That the license of the Central Billiard Parlors be revoked.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Vandervoort.
—12.

Nays—None.

To the Honorable Mayor and City Council:
Gentlemen:

On January 1, 1924 the Machinery & Equipment Garbage Trust Fund had a balance of \$1,660.25. Since this date a new shipment of Garbage Cans has been delivered to the city and the Garbage Department will have to make payment to the Rochester Can Company on February 1, 1924. This will overdraw the above Fund, the amount being \$255.35.

As this is a Trust Fund and never should be overdrawn some steps should be taken

by the Council to adjust this account. The reason that this fund has never been seriously overdrawn before is due to the fact that the charge for rent of the cans in the past has more than taken care of the cost of the cans themselves.

At the present time each can costs the City \$1.30 and when the cost of freight, cartage, etc., is paid the total cost would probably reach nearly \$2.00. In order to cover all charges in the purchase of the cans it would seem advisable, starting May 1, 1924, fixing a charge of \$2.00 per can to each renter.

Hoping you will consider this very carefully in the near future, I remain

Very truly yours,

JUDSON E. PRATT,
City Comptroller.

Referred to Committee on Ways and Means.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith present you with an estimate of cost which corresponds with the actual cost:

Grade and Gravel—

PUBLIC IMPROVEMENT I.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That it is a public necessity, and it is hereby determined to construct a curb and gutter on Florence street, from Cedar street to Ray street.

That the City Engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the City Council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Vandervoort.
 —12.

Nays—None.

PUBLIC IMPROVEMENT, II.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the City Engineer in pursuance of the resolution of this Council adopted Sept. 17th, 1923, for grading and graveling Clayton street, from Oakland avenue to Hyland street, are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Clayton street within the north line of Oakland avenue and the south line of Hyland street and extending back from said Clayton street a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$502.31.

That the expense of such improvement in public street and alley intersections is \$7.53 which shall be paid by the city out of the 4th ward highway fund.

That all of the remainder of said estimated expense, to wit, the sum of \$494.78 shall be delayed by special assessment

upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement.

That the City Assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the City Council within two weeks of the passage of this resolution.

ORDINANCES.

The following ordinance was introduced by Ald. Phillips, read a first and second time by its title and referred to the committee on ordinances.

An ordinance to license, regulate and control soft drink parlors or places where soft drink beverages of any kind are displayed or sold.

Section 1. The City of Lansing ordains: No person, firm or corporation shall engage in the business of conducting a soft drink parlor or place where soft drink beverages of any kind are dispensed or sold without a license therefore as hereinafter provided. For the purpose of this ordinance a soft drink parlor is defined as any room, building or place where soft drink beverages are stored, sold, kept for sale or given away.

Section 2. Any person firm or corporation desiring to conduct a soft drink parlor as above defined within the limits of the city of Lansing, shall make application therefore in writing to the Mayor of the City of Lansing. Said application shall state: First, the applicants full name, residence and postoffice address and whether such applicant is an individual, firm or corporation. Second, the location of applicant's place of business. Third, an agreement that said applicant will allow any police officer of the City of Lansing to inspect such place of business any everything in connection therewith at any time desired.

Section 3. Upon the filing of such application, the Mayor shall make or cause to be made an investigation to ascertain whether such applicant is a fit and proper person to be granted such license. If it shall appear to the Mayor, after such investigation that such applicant is a fit and proper person to conduct a soft drink parlor, he shall endorse on such application a favorable report and transmit the application to the City Clerk of the City of Lansing, who shall issue a license to such applicant upon his payment of an annual license fee of \$5.00, and upon his filing a surety company bond in the sum of

\$1,000.00, conditioned upon a faithful compliance with this ordinance and all the laws of the State of Michigan.

Section 4. The Mayor of the City of Lansing is hereby authorized to cancel such license whenever he is convinced that the holder thereof is or has been violating the liquor laws of the State of Michigan, or any of the terms of this ordinance.

Section 5. Any person violating any of the provisions of this ordinance or any of the rules or regulations of the board of health passed in pursuance of same, shall, upon conviction thereof, be punished by a fine not exceeding five hundred dollars (\$500.00) or by imprisonment in the city jail, work house, county jail or any workhouse in the state, authorized by law to receive prisoners, not to exceed ninety days, or by both such fine and imprisonment in the discretion of the court, and each day any person or persons shall violate the provisions of this ordinance shall be deemed a separate offense.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending February 9, 1924, was received and placed on file.

Gentlemen of the Council:

I have given very careful study to our present assessing department; the volume of work required to be done in this department is such that I do not hesitate to

recommend to your Honorable Body that and amendment to the Charter be submitted to the people to provide for the appointing of one person who shall be designated as the City Assessor.

While the city has grown five times in size, and six times in assessed valuation, yet there has been no change in the amount of help provided in this department.

This department is really the first source of income to the city. Very careful care and every facility should be provided to promote and make possible the spreading of a just and reasonable tax, and I am confident that by recreating this department in charge of one man, and devising a sufficient and adequate system and the employment of such assistance as may be necessary, that full and complete service can be rendered to the citizens of Lansing, in the matter of furnishing at all times complete information and the spreading of an equitable tax.

Your very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

Gentlemen of the Council:

The question of providing adequate transportation in the City of Lansing is a matter which we must give very careful consideration and in order that we may thoroughly analyze and cautiously proceed in matters that we may be confronted with relative to the situation, I am appointing a committee on Transportation, composed of the following gentlemen:

Aldermen McComb, Avery, Dymond, Howe, VanDervoort.

This committee will succeed the committee on Street Railways.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith submit to your Honorable Body Special Assessment, grading and graveling Clayton street from Oakland avenue, north to Hyland street.

Respectfully submitted,

J. S. BENNETT,

Assessor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith report that February 7th 1 sold in Detroit to Bishop, Holmes, Hammond & Jackson, sixty-four (64) hogs weight 19,316 lbs. at \$7.65 per hundred and four hogs weight 1,310 lbs. at \$7.60 per hundred and received a check for \$1,508.01 which was credited to garbage disposal.

Respectfully submitted,

GEO. A. CANFIELD,
Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council
of the City of Lansing:

Gentlemen:

Pursuant to orders, I am handing you herewith rolls at estimated and actual cost.

Grading and gravel—Vine street, from Ferguson street to Custer avenue, estimated cost.

Graveling Orchard street, from Pennsylvania avenue to end of street, actual cost.

Respectfully submitted,

DAVID E. LORD,
Assessor.

Received and placed on file.

To the Honorable Mayor and City Council
of the City of Lansing:

Gentlemen:

In accordance with your instructions I herewith present plans, specifications and estimated cost for constructing a sewer in E. Michigan avenue and alleys from M. C. R. R. to Grand River. Total estimated cost \$46,920.00.

Respectfully submitted,

O. E. ECKERT,

ORDINANCES.

By Ald. Avery—

That the Council resolve itself into a committee of the whole to consider ordinances.

Carried.

The Mayor called Ald. McComb to the chair to preside over the committee of the whole.

After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected or altered, to regulate and limit the percentage of lot occupancy, and to regulate and determine the area of yards, courts and other open spaces surrounding buildings, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes to divide the city into districts and prescribe penalties for the violation of its provisions," and that they would recommend that all after the enacting clause be stricken out.

Council then resumed regular session.

By Ald. DeCamp—

That report of the Committee of the Whole be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Kircher, McComb, McKale, Phillips, Templeton.—10.

Nays—Ald. Klock, Leonard.—2.

Ald. Fowler introduced the following ordinance which was read a first and second time by its title and referred to committee on ordinances.

An Ordinance relative to, Garbage, Ashes, Rubbish and other Waste and the Collection and Disposition of Same.

The City of Lansing Ordains:

Section 1. Garbage, within the meaning of this Ordinance shall be construed to mean, rejected food wastes, and to include every refuse, accumulation of animal, fruit or vegetable matter, used or intended to be used for food or that attends the preparation, use, cooking, dealing in, or storing of meat, fish, fowl or vegetables.

Ashes, within the meaning of this Ordinance, shall be construed to mean, the residuc of coal, coke or wood, consumed

for heating purposes, soot or other cleanings of stoves, fireplaces or chimneys.

Rubbish, within the meaning of this Ordinance shall be construed to mean, the sweepings of floors, yards or other places, brush cut from shrubs, trees or vines, boxes, barrels or other containers, excelsior, paper and other packing materials.

The word "person" as used in this Ordinance shall mean, and be construed to apply to the owner, occupant, lessee tenant or any one in charge or occupation of any dwelling, hotel, restaurant, apartment house, office building, public institution, shop, store, manufacturing plant or other building or any portion thereof, and the owner or driver of any vehicle used in transporting ashes, cinders or rubbish.

Section 2. It shall be unlawful for any person to deposit or place any garbage, ashes, rubbish or other waste in any street, alley, river or public place, nor shall any person place any garbage, ashes, rubbish or other waste upon private property whether owned by such person or not, except as hereinafter provided.

Section 3. Garbage, ashes, tin cans, bottles, waste and other rubbish shall be prepared and deposited for collection in the following manner:

Garbage shall be deposited in suitable metal can with tightly fitting cover, and nothing but Garbage within the meaning of this Ordinance shall be placed therein.

Ashes, tin cans and bottles shall be deposited in proper containers, newspapers and all other publications and printed matter, excelsior and other packing materials must be securely tied in convenient bundles. Crates and similar containers must be knocked down flat before being put out for collection.

Clippings from shrubs, vines or trees, commonly called "brush" shall be compactly and securely tied in bundles before being placed for collection.

Section 4. Garbage cans and receptacles containing ashes, tin cans and bottles, packages of newspapers and other periodicals, bundles of brush, and piles of broken crates and similar containers, shall be deposited on outside ground level of premises, within 15 feet of rear building.

Under no circumstances shall any employee of the City enter any private dwelling, apartment house, hotel or tenement, store or factory or ascend or descend any stairway, hoist, lift or elevator for purpose of carrying out or returning thereto any garbage can, ash container or any other receptacle, nor shall he demand any gratuity, gift, payment or other consideration beyond his regular wage.

Section 5. It shall be the duty of every person to provide a sufficient number of Garbage cans, and ash containers, as may be necessary for the orderly disposition of such garbage, ashes and rubbish, as may accumulate on his premises.

Section 6. It shall be unlawful for any person, firm or corporation other than the

City of Lansing to remove or transport ashes, garbage and other waste through the streets, alleys and other public places provided, that any person, firm, corporation desiring to engage in the business of transporting or hauling ashes, cinders and rubbish for hire, shall be deemed Draymen and shall secure license and pay such fees as required by Ordinance Number 22, further, that the City Clerk shall not issue such license to haul or transport ashes, cinders, or rubbish, until permit for same has been approved by Superintendent of Garbage Department.

Section 7. Every cart, truck, wagon, dray or other vehicle to be used for hauling or transporting ashes, cinders or rubbish, shall be constructed or supplied with solid bed, side and tail boards, and such other equipment as may be necessary to prevent scattering, littering or dispersion, and the Superintendent of Garbage Department shall not approve any permit as provided in Section 6, until the applicant therefore shall have first presented such cart, truck, wagon, dray or other vehicle for inspection, said applicant at same time shall show written consent of owner of property where ashes, cinders or rubbish are to be dumped.

Section 8. For the purpose of systematically and in a sanitary manner, collecting, removing and disposing of all such garbage, ashes, rubbish and other waste, the Department of Garbage Collection and Disposal is hereby created.

Section 9. The Mayor by and with consent of the City Council shall appoint a Superintendent, who is hereby authorized and empowered to employ such help as need be to carry out the intent and purpose of this Ordinance, and in the performance of said duties he shall be subject to such rules and regulations as the Council shall by resolution adopt.

Section 10. It shall be unlawful for any person to pick over, interfere with, disturb, remove or scatter any bundle of paper, brush, ash container, garbage can or any article placed for removal, except employees of the City engaged for such purpose.

Section 11. The City Council shall annually appropriate sufficient funds to render the service as herein contemplated.

Section 12. The City shall provide cans of uniform size and capacity for garbage, and containers of such dimensions as shall be practical for ashes, and shall collect in advance from the users of same a service charge, as follows:

One dollar per year for each garbage can, and \$3.00 (three Dollars) per year for each metal ash container.

Section 13. Any person violating any of the provisions of this Ordinance shall upon conviction thereof be punished by a fine not exceeding \$..... dollars, together with costs of prosecution and in default of the payment of such fine and costs such person shall be imprisoned in City Jail until

such fine and costs are paid, but not exceeding a period of days.

Section 14. This Ordinance is hereby declared immediately necessary for the preservation of the public, Peace, Health and Safety is hereby given immediate effect.

Section 15. The Ordinance entitled "An Ordinance relative o Garbage and the Collection and Disposal thereof," being Ordinance Number 45 the 1918 Compilation passed June 4th, 1917, is hereby repealed.

The Committee on Ordinances to whom was referred the ordinance relative to garbage, ashes, and other waste and the collection and disposition of same, begs leave to report as follows:

We recommend the adoption of the proposed ordinance.

E. S. AVERY,
H. S. FOWLER,
A. H. LEONARD,
Committee on Ordinances.

By Ald. Avery—

That the report of the committee be adopted.

Carried.

Ald Kircher was excused.

By Ald. Avery—

That the council resolve itself into a committee of the whole to consider ordinances.

The Mayor called Ald. McComb to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An Ordinance relative to garbage, ashes rubbish and other waste and the collection and disposition of same," and would report progress.

Council then resumed regular session.

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL CITY OF LANSING

PROCEEDINGS FEB. 18, 1924

City Council Rooms.
Lansing, Feb. 18, 1924.

The City Council met in regular session and was called to order by Mayor Alfred H. Doughty.

Roll call:

Present—Ald. Avery, Clapham, Fowler, Howe, Klock, Leonard, McComb, McKale, Phillips, Templeton, Vandervoort.—11.

Absent—Ald. DeCamp, Dymond, Kircher, Trager.—4.

The record of the previous session was approved as printed.

PETITIONS AND COMMUNICATIONS.

Frank Joseph asked permission to install a curb pump on the west side of Beal avenue just off Mt. Hope avenue.

Referred to 6th Ward Aldermen.

Max M. Foster petitioned for a sewer running north from present end of sewer at Saginaw street and Fairview avenue.

Referred to the committee on sewers.

A petition was received for curb and gutter in Teel avenue from Mt. Hope avenue to Riley street.

Referred to the Committee on Streets.

Robert Reakes applied for license to conduct a billiard room at 227½ S. Washington avenue.

Referred to the Committee on Bonds and Contracts.

A communication was received from Edward W. Rich, advising against the proposed increase in charge for garbage cans, and recommending that no rental charge be made, but the cost of maintenance added to the cost of collection.

Referred to Committee on Garbage and on City Affairs.

A letter was received from W. C. Durant acknowledging communication from the Mayor relative to the completion of the Memorial arch at Durant Park.

Received and placed on file.

REPORTS OF COMMITTEES

The Committee on Streets, to whom was referred the bids for asphalt, begs leave to report as follows:

We recommend that contract be awarded to Atlantic Refining Company, they being the lowest and best bidder at \$18.30 per ton in tank cars.

Respectfully submitted,

A. H. PHILLIPS,
F. S. VANDERVOORT,
O. C. HOWE,
E. D. KLOCK,
Committee on Streets.

By Ald. Phillips—

That the report of the committee be adopted.

Carried.

The Committee on Streets and City Engineer, to whom was referred the petition to extend side track across Spring street, begs leave to report as follows:

We recommend that petition be not granted at this time because it would be undesirable for both the Railroad Company and the City should the River street bridge be rebuilt, and the additional siding facilities can be provided, without crossing Spring street with tracks.

A. H. PHILLIPS,
F. S. VANDERVOORT,
A. E. DYMOND,
E. D. KLOCK,
Committee on Streets.

O. E. ECKERT,
City Engineer.

By Ald. Phillips—

That the report of the committee be adopted.

Carried.

The Committee on Ordinances, to whom was referred the proposed ordinance of Alderman Phillips relative to a License to regulate and control soft drink parlors or places where soft drink beverages of any kind are displayed or sold, begs leave to report as follows:

We recommend that the ordinance be not passed.

E. S. AVERY,
H. S. FOWLER,
A. H. LEONARD,
Committee on Ordinances.

By Ald. Avery—

That the report of the committee be adopted.

Carried.

The Committee on Sewers, to whom was referred the petition for sewer in Fremont street from Hall street, 150 feet east, begs leave to report as follows:

In order to serve more than one lot this sewer should be built approximately 220 feet east of Hall street. We recommend that a sewer be constructed in Fremont street 220 feet east from Hall street.

W. H. McKALE,
M. A. TEMPLETON,
H. S. FOWLER,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

The Committee on Sewers, to whom was referred the petition for sewer in Mt. Hope avenue to accommodate Lot 43, Crestmont Sub., on south side of Mt. Hope avenue, begs leave to report as follows:

There is an existing 8 inch sewer, 6 feet deep in Mt. Hope from Cedar street, 133 feet east. A new 12 inch sewer should be constructed in Mt. Hope from Cedar to Ray street at a depth of 8 feet and empty into the new trunk sewer in Cedar street. We recommend that the latter be constructed.

W. H. McKALE,
M. A. TEMPLETON,
H. S. FOWLER,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

ORDINANCES.

The following ordinance was introduced by Ald. McKale, read a first and second time by its title and referred to the committee on ordinances.

An Ordinance to amend an ordinance entitled "An Ordinance to change the names of certain streets and to name certain other streets and highways in the City of Lansing."

The City of Lansing Ordains:

Sec. 1. That section one of Ordinance Number 100 be amended by adding thereto the following:

That the name of Horton Street being a street extending from Michigan avenue north to Industrial School Lands, be changed to North Regent street.

That the name of Mechanic street being a street extending from Parker street to Holmes street be changed to Gray street.

That the name of Marshall street being a street extending North from Mich-

igan avenue to State Industrial School Lands, be changed to North Shepard street.

That the name of Rumsey avenue being a street extending from Michigan avenue north to State Industrial School Lands be changed to North Allen street.

That the name of Franklin avenue from Grand River avenue to Washington avenue be changed to East Grand River avenue.

That the name of Franklin avenue from Washington avenue to Seymour street be changed to West Grand River avenue.

That the name of Seymour street from Franklin avenue north to North street be changed to North Grand River avenue.

That the name of North street from Seymour street to west city limits be changed to North Grand River avenue.

Ald. DeCamp introduced the following ordinance which was read a first and second time by its title and referred to the Committee on Ordinances.

An Ordinance Relative to Cemeteries and the Burial of the Dead.

The City of Lansing Ordains:

Section 1. That the burial grounds known as Mount Hope Cemetery in the City of Lansing, are hereby declared to be public burial grounds; and no interment shall be made in any other place in said city, excepting in such other public burial grounds as may hereafter be established by ordinance of the City of Lansing.

Section 2. At the regular January meeting of the Board of Cemetery and Public Park Commissioners, they shall appoint a cemetery superintendent, and any other assistants they deem necessary for the care of the cemetery. These persons shall hold their appointments during the pleasure of said board, and their compensation shall be fixed and duties prescribed by said board.

Section 3. It shall be the duty of the superintendent, under the direction and control of said board, to administer, maintain and supervise all the activities of said cemetery and grounds, to render monthly financial report to the board and to make such recommendations as are necessary or expedient in the proper control, maintenance and improvement of the cemetery.

Section 4. The Board shall regulate the prices and fees which shall be charged for cemetery service.

Section 5. It shall be the duty of the superintendent in person or by a competent employee

(a) To be in attendance at said cemetery during the working day in order to discharge his duties without delay.

(b) To keep a complete and accurate record at the cemetery of the name of the deceased, the subdivision, lot and section on which burial is made, the date of burial, and the name of the undertaker conducting the funeral.

(c) To demand and examine the burial permit and to refuse burial until such permit and papers shall comply with the

State law and the restrictions of the City of Lansing.

(d) To hold the sole and exclusive right in person or through competent employees to dig and fill all graves and to re-open a grave upon request of a duly authorized and competent party after having first received the written permit of the City Clerk.

(e) To qualify and act in the capacity of a policeman in enforcing and abiding by the terms of this ordinance and by arresting any party while in the cemetery for the violation of any other city Ordinance.

(f) To aid and assist the public in the locating of lots or burial spaces or in interpreting the meaning of the ordinance and to take such steps as are necessary for the protection and convenience of funeral parties.

(g) To keep a duplicate plat and record of the cemetery, showing sections, lots and subdivisions with the location, name and date of all burials.

Section 6. It shall be the duty of the Superintendent of Mount Hope Cemetery

(a) To keep a plat and plat book of the Cemetery on which shall be shown all lots which are sold or are for sale and a record made of the date, name, and undertaker conducting the funeral for all deceased persons who are buried at Mt. Hope.

(b) To sell such lots as are authorized by the Board at the price and under the restrictions set by said Board, and to issue a deed, upon the payment of the whole amount, naming such special restrictions as are not embodied in this ordinance, signed by the City Clerk and stamped with the seal of the City of Lansing.

(c) To enter into contract with any person desirous of purchasing a lot at Mt. Hope, after collecting at least a quarter of the whole amount and receiving satisfactory security for the balance, but provided that no deed shall be issued until the payment is made in full with interest.

(d) To record the transfer of title from one owner to another after a request for transfer has been made and authorized by the Board.

(e) To notify the superintendent or officer at cemetery as soon as may be, of the sale of lots, with name of owner or owners, and of the date, time of day, section, lots and subdivision of all proposed interments with the name of deceased and undertaker.

(f) To collect all money in payment for lots, burial permits, annual care and for all services rendered by the employees of the cemetery in the performance of their duties as regulated by the Board, and such moneys so collected shall be deposited with the City Treasurer after being checked by the City Comptroller.

Section 7. It shall be the duty of the City Treasurer:

(a) To deposit all sums in payment of lots, and in payment of cemetery services,

into the general cemetery fund, except as such sums as are paid for perpetual care which shall be held and invested as provided under the City Charter and the State laws governing such trust funds.

Section 8. All lots shall be held and interments shall be made subject to such by-laws, rules and regulations as may from time to time be adopted by the Board. Lots shall not be used for any other purpose, than as a place of burial for the human dead.

Section 9. The following rules and regulations are incorporated and made a part of this ordinance.

(1) The grave of an adult in any public burying ground in said city shall be at least five feet deep, and that for a child shall be at least four feet deep. Burial boxes over four feet in length will be classed as adult burials.

(2) No funerals will be permitted on Sundays except in case of contagious diseases and on order of the Director of Public Health.

(3) The burial of two or more persons in a single grave is prohibited except mother and babe if buried at the same time or in case of infants.

(4) Strangers are not allowed to approach the grave at a funeral.

(5) Under no condition will the city assume responsibility for error in opening graves when orders are given by telephone. Orders from undertakers will be construed as orders from the owner.

(6) Flowers and emblem will be removed from graves as soon as they become unsightly and no responsibility for their return to lot owners will be assumed.

(7) No firearms will be allowed in cemetery except in case of military funerals without the written permission of the superintendent.

(8) No lots may be purchased or sold or rights transferred for speculative purposes.

(9) No grave will be opened and body disinterred except by order of husband, wife, father, mother, son or daughter of the deceased and then only for good cause, and the city reserves the right to refuse any such request. This provision does not apply where disinterment is ordered by a duly authorized public official.

(10) Neither the purchase price nor the perpetual care agreement contemplates the repair or replacement of any monument or marker nor the repair of damages caused by the elements.

(11) Monuments will not be allowed on lots not fully paid for.

(12) All foundation work for monuments and markers will be placed by employees of the department at a rate set by the Board and at a proper depth and strength.

(13) The material used in the construction of mausoleums, vaults, monuments and markers and permanent corner posts must be of recognized durable granite or standard bronze. Each marker shall con-

sist of one part or piece only, provided that the above rule will not apply to lots on which it is desired to put in markers to match other markers already on the lot.

(14) No vertical joints will be allowed in monument work.

(15) Unsightly, ill-proportioned monuments and stone work are prohibited and all appendages such as photographs, books and other objects of curiosity are prohibited.

(16) At any time when a monument, vault or mausoleum, becomes unsafe in the opinion of a majority of the Board, a notice will be mailed to the last known or recorded address of the owner and the structure removed and charged to the owner or owners.

(17) For the use of the Receiving Vault there shall be a fixed charge set by the Board. Persons owning private vaults are hereby forbidden to charge for the use of their vaults to other parties. The fees for the use of the vault must be paid to the Superintendent, and permit obtained before the body is placed in the vault. Bodies of persons dying of infectious or contagious diseases shall not be permitted to be deposited in the public vault. Should the remains of any person placed therein become offensive or detrimental to the public health, the Board shall have the right to cause the body to be immediately buried.

(18) Contractors and workmen engaged within the cemetery on any class of work whatsoever will be held responsible for damage done by them to any cemetery properties.

(19) Material for any class of work will not be permitted on the grounds unless accompanied by workmen to erect same, except by special arrangement.

(20) Roadways must be satisfactorily protected against damages from heavily loaded vehicles.

(21) Rolling of stones across any section of lots must be done under the supervision and orders of the superintendent. In all cases planks must be provided for properly protecting the lawns.

(22) All unsightly material or debris accumulating from any class of work must be removed at once, and on completion of the work all derricks, tools, etc., must be removed immediately, and the grounds left in as good condition as found.

(23) No stone work shall be brought into the cemetery on Saturday after 12 o'clock Noon, and no work shall be commenced on that day that cannot be finished, and the dirt and debris entirely removed before the hour of closing.

(24) No person shall remove any object from any place in the cemetery or make any excavation without the consent of the superintendent or assistant.

(25) No person shall obstruct any drive, walk or alley or in any way injure, deface or destroy any grave, vault, tombstone, monument, enclosure, building, fence,

basin, fountain, bridge, seat, flower, tree, shrub, vine, lot, or other thing, in or belonging to any public burying ground in said city.

(26) If any tree, shrub or vine situated on any lot by means of its roots, branches or in other way become a detriment to adjacent lots, paths or avenues, or inconvenient to visitors, the superintendent shall have the right to remove the same.

(27) Any seat, urn or similar object placed on a lot shall be removed without notice to owner when such seat or urn becomes a nuisance or unsightly or uncared for. Any iron or wood object placed on a lot by permission of the superintendent shall be painted and kept clean and neat.

(28) When a lot is uncared for and becomes unsightly or a nuisance or detrimental to other lots, by order of the Board the superintendent and employees will enter such lot and clean up and make same presentable and the cost of such work collected from owner or made a lien on such a lot.

Section 10. Any person or persons violating any provision of this ordinance, shall, upon conviction thereof, be punished by a fine not exceeding one hundred dollars, and in default of the payment of such fine, such person or persons shall be imprisoned in the city penitentiary until such fine is paid, not exceeding the term of ninety days.

Section 11. Ordinance No. 9 of the Compilation of Ordinances for the year 1918 is hereby repealed.

OFFICIAL PROCEEDINGS
OF THE
BOARD OF CEMETERY
AND PUBLIC PARK
COMMISSIONERS
CITY OF LANSING
PROCEEDINGS FEB. 21, 1924

Board met in special session and was called to order by the President, Com. Foxson.

Roll call:

Present—Comrs. Beck, Gibbs, Johns, Foxson, Sanders, Woodworth, and Bishop.—7.

Resolved, That in the passing of Frank R. Baumgras the Board has lost a valuable and faithful member and the city of Lansing a faithful public servant, who has served his city unselfishly for more than twelve years.

He served for the best interest of the city as a whole and was unbiased by partisan interests. Only future generations will be able to fully appreciate men of the type of Frank R. Baumgras, who have helped

to lay the foundation for the better city of tomorrow.

We extend our sincere sympathy to the widow and bereaved family.

Unanimously adopted.

By Com. Beck—

That the above resolution be spread upon the minutes of the Board, and that a copy of this resolution be sent to the family.

Carried.

The Board adjourned.

BERTHA RAY,
City Clerk.

REPORTS OF COMMITTEES.

The Committee on Bonds and Contracts to whom was referred the application for license for Robert Reakes, to conduct a pool room at 227½ South Washington avenue, begs leave to report as follows:

We recommend that license be granted.

A. DE CAMP,
M. A. TEMPLETON,
ELMER CLAPHAM,

Committee on Bonds and Contracts.

By Ald. DeCamp—

That the report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Fowler, Howe, Klock, Leonard, McComb, McKale, Phillips, Templeton, Troyer, Vandervoort.—13.

Nays—None.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

Your Committee on Sewers has had under consideration the program for building sewers during the coming year, and begs leave to report as follows:

A considerable number of petitions for sewers have been reported on during the past year which require the construction of some outlet sewers before these laterals can be built to serve houses that have been already constructed. Your Committee therefore recommends that bonds in the sum of \$300,000 be voted for the purpose of building sewers.

Respectfully submitted,

M. A. TEMPLETON,
H. S. FOWLER,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

The Committee on Sewers to whom was referred the petition of Max M. Foster for an 8 inch sewer running north from present end of sewer at Saginaw street and Fairview avenue, 100 feet, begs leave to report as follows:

We are advised by the City Engineer that it will be necessary to construct a 15 inch sewer in Fairview avenue, north from Saginaw street and a 45 inch sewer in Saginaw street from Fairview to Clemens avenue when proper outlet is available. We therefore recommend that a sewer be constructed as petitioned for, provided the petitioner files with the City Clerk a written agreement to pay for 5-6 of the cost of extending said eight inch sewer, said agreement to state that petitioner understands that his property may be assessed when the proper sewers are built in Fairview avenue and Saginaw street.

M. A. TEMPLETON,
H. S. FOWLER,
W. H. MCKALE,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

The Committee on Bonds and Contracts recommend that the electrician license bond of D. J. Galvin with W. F. Boos and Elmer Van Buren as sureties be approved.

A. DE CAMP,
M. A. TEMPLETON,
ELMER CLAPHAM,
Committee on Bonds and Contracts.

By Ald. DeCamp—

That the report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Fowler, Howe, Klock, Leonard, McComb,

McKale, Phillips, Templeton, Troyer, Vandervoort.—13.

Nays—None.

The Committee on Bridges and City Attorney, to whom was referred the communication of Townsend-Shuttleworth-Ballmer Company, relative to the extension of time for construction of Seymour Street Bridge, begs leave to report as follows:

We recommend that request for extension of time be granted, provided that Surety Company consent thereto, and file such consent in writing with copy of Contract for construction of bridge now on file in Clerk's Office.

E. D. KLOCK,
A. H. LEONARD,
W. H. MCKALE,
D. G. F. WARNER,

Committee on Bridges and City Attorney.

By Ald. Klock—

That the report of the committee be adopted.

Carried.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

Your Committee on Streets has had the paving program for 1924 under consideration and beg leave to report as follows:

Water, sewer and gas connections have been laid in practically all of the streets for which bonds have already been voted.

Petitions are on file for a large number of streets for which as yet no bonds have been voted. In order that the necessary underground work may be done and the streets paved, we recommend that bonds in the sum of \$600,000 be voted for paving the following streets:

Franklin avenue from Center street to M. C. & P. M. R. R.;
Max, from Isaac to William;
Turner, from Franklin to Clinton;
Washington, from Shiawassee to Saginaw;
Saginaw, from Logan to West City Limits;
Mt. Hope, from Logan to Washington;

Gentlemen of the Council:

I herewith file with your Honorable Body for permanent record, extract from minutes of the State Administrative Board of January 29th, 1924, also the motion adopted by the State Corrections Commission at their meeting of February 6th, 1924.

Yours very truly,

ALFRED H. DOUGHTY,
Mayor.

Extract from minutes of the State Administration Board under date of January 29, 1924.

Pursuant to the request of the City of Lansing, relative to which Mayor Doughty and others appeared before the Board, Mr. Johnson, supported by Mr. Rogers, made the following motion:

"That the State Corrections Commission be authorized to open for the use of the public, through the property of the Indus-

trial School for Boys, Saginaw Street, to connect the same with M-16 to the east, and Marshall Street, to connect Michigan avenue with M-16."

Motion unanimously carried.

Following is a motion adopted by the State Corrections Commission at their meeting held here February 6th, 1924.

"Moved by Mr. Dudley and seconded by Mr. Quinlin that the request from the Mayor with reference to land described as Land for opening Saginaw street through the Industrial School property, the south 40 feet of the east one-half of the north-east quarter of section 10, Town 4, Range 2 west; also that port of the south 40 feet of Section 11, Town 4 N. Range 2 W. lying between the east and west lines of part of the north forty feet of Section 15, Town 4 N., Range 2 W., lying east of Jones and Porters Subdivision and west of the Adams Addition. Said to be parcels of land necessary for the opening of Saginaw street, and a strip of land 60 feet in width lying between the east and west lines of Marshall street extended north to Franklin avenue; that the privilege be granted in accordance with resolution adopted by the State Administrative Board, providing however, that same be used for Highway purposes only, and that there be no expense incurred against the Industrial School properties. Carried."

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith report that on February 21st I sold in Detroit to Bishop, Holmes, Hammond & Jackson, 128 hogs, weight 38,850 lbs., at \$7.45 per hundred and 9 hogs, weight 2,550 lbs., at \$7.40 per hundred and received a check for \$2,945.38 which was credited to garbage disposal.

128 Hogs, weight 38,850 lbs. @ \$7.45....	\$2,894.32	
9 Hogs weight 2,550 lbs. @ \$7.40.....	188.70	\$3,083.02
Feed & Yardage.....	\$34.44	
Freight	74.80	
Commission	28.00	
Insurance40	137.64
		\$2,945.38

Respectfully,
GEO. A. CANFIELD,
Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

The purchase of asphaltic cement in tank cars instead of iron drums will save the City about \$6,000 on its asphalt contract this summer. There is not sufficient tank storage capacity at the asphalt plant at the present time to properly take care of the amount of asphalt that it is necessary to use when the plant is operating. Several times last year the plant was on the

verge of a shut down and on several other occasions demurrage bills piled up because of the limited tank storage available.

Attached hereto is a tabulation of prices obtained on storage tanks and I respectfully recommend that contract for furnishing the 25,000 gallon asphalt tank be awarded to Tokheim Products Company for the sum of \$1,352.00, said amount including heating coils. I also recommend that contract be awarded the Sharpville Boiler Works for a 10,000 gallon storage tank with heating coil for fuel oil for the sum of \$580.42.

In each case the parties named submitted the best price.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

The stiff leg derrick used at the asphalt plant for the purpose of unloading sand and stone is completely worn out and inadequate to handle the material that must be unloaded while the plant is in operation.

Attached hereto are several quotations for steel stiff leg derricks which can be used in connection with the hoisting engine that the City owns. The Jarvis Engineering Works have made a proposition which is attached hereto in which they agree to erect a steel stiff leg derrick which they have used for erecting steel, and which would meet our needs for the sum of two thousand dollars.

I respectfully recommend that the Jarvis Engineering Works be awarded the contract for erecting the derrick at the asphalt plant in accordance with their proposition, which is about \$900.00 less than a new derrick can be purchased for.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

In accordance with the resolution adopted on January 7, 1924 relative to trunk sewer assessments I herewith present a plan and estimated cost for 12 inch sewers in the Shiawassee Sewer Systems, which includes sewers in Shiawassee street, Grand River to Sycamore street, Ionia street, Washington avenue to Pine street and Washington avenue, Ionia to Genesee street. These sewers are now assessed on special sewer rolls No. 588 and No. B-535 dated April 3, 1923.

Total estimated cost of 12 inch Sewer	\$11,860.53
City's share, 1-6.....	1,976.75

Assessed portion or 5-6 estimated cost of 12 inch sewer.....	\$9,883.78
--	------------

The following described property fronts on the sewers in the Shiawassee Sewer System:

South 66 feet, lot 8, and north 66 feet of lot 9, block 66, west ½ lots 5-8 inclusive, and south 66 feet lot 8, block 68, north 66 feet of lot 1 and the west 100 feet of 1-5 inclusive, block 67, lots 1-7 inclusive, block 82, lots 7, 12 and 1-6 inclusive, block 83, lots 1 and 12, block 96, south 66 feet of block 81, lots 1, 12, 6, 7, block 84, lots 1, 12, block 95, lots 6 and 7, block 80, lots 1, 12, 7, 6, block 85, lots 1 and 12, block 94, south 66 feet block 77, 78, 79, lots 1, 12, block 88, lots 1, 12, and 6, 7, block 87, lots 1, 12, 6, 7, block 86, lots 1 and 12 of blocks 92 and 93.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

By Ald. Fowler—

Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifth vote of the members, elect proposes that Sections 21, 99, 109 and 144 of the Charter of the City of Lansing be amended so that Section 21 shall read as follows:

"At the annual election to be held in the City of Lansing in year 1924, and at each second annual election thereafter, there shall be elected on the city ticket, one Mayor, one Treasurer and one Constable and at the annual election to be held in said city in the year 1925 and at each second annual election thereafter, there shall be elected one City Clerk and one Constable, all of whom shall hold their offices for two years. At each annual election there shall also be elected in each ward, one alderman, who shall hold his office for two years. At the annual election to be held in the year 1927 and at each fourth annual election thereafter, there shall be elected in said city, one Justice of the Peace, who shall hold his office for the term for which he was elected, and until his successor is elected and qualified. All officers elected as herein provided shall enter upon the duties of their respective offices on the second Monday in January next following such election."

And that Section 99 be amended so that it shall read as follows:

"The Mayor shall on the second Monday in January in each year, or as soon

thereafter as may be, by and with the consent of the City Council, appoint such standing committees as may be provided by the rules of the council; and he shall also, by and with the consent of the City Council, appoint one City Attorney, one City Comptroller, one City Engineer, one Superintendent of Public Works, one Superintendent Garbage Collection Department, one City Assessor, one Director of Poor, one Sealer of Weights and Measures, provided the Mayor may, by and with the consent of the City Council, dispense with either the Director of the Poor, or the Sealer of Weights and Measures, imposing the duties of the aforesaid officers of one officer; and so many pound masters, weight masters; auctioneers, janitors and engineers, as the council may from time to time deem necessary to carry into effect the powers granted by this charter who shall hold their offices during the pleasure of the Mayor and until his successor is appointed and has qualified, unless removed in accordance with the provisions of this Charter. Whenever any officer appointed by the provisions of this Charter, shall, from any cause, be unable to perform the duties of his office, the Mayor by and with the consent of the City Council, shall have power to appoint any officer who shall perform the duties of the office until such inability shall cease."

And that Section 109 be amended so that it shall read as follows:

"The City Assessor shall have and exercise the same powers and duties relating to the making of the assessment rolls, as is given the Supervisors of Townships under the General Laws of this State, and he shall be governed by such laws, and perform such other acts and duties as required by this Charter or that the City Council shall by resolution direct."

And that Section 144 be amended so that it shall read as follows:

Section 144. It shall be the duty of the City Council on or before the second Monday in March of each year to determine, by resolution, the amount necessary to be raised by tax for the following general purposes, viz.: Contingent expenses, fire department, police department, sewage, paving, erection and repairing of public buildings, hospitals and the maintenance of same, and the purchase of lands therefor, cemetery, bridges, interest and bonds, parks, poor, public health, garbage collection and disposal, electric energy and water, gas, heat and such other utilities owned and operated by the city, or which the city may hereafter acquire, and for any and all other municipal purposes, the city council may raise by tax to be levied upon the real and personal property within the city of Lansing, such amounts so determined by the council and permitted by law on the assessed valuation of the real and personal property within the limits of the city, according to the valuation thereof, taken from the assessment rolls of that year, which amounts so determined by the council as aforesaid, shall be apportioned among the several wards of the city according

to the valuation of the property on the assessment rolls, as equalized by the board of review of the city, provided for in section one hundred forty-one of this charter, and the apportionment of the city council shall be entered at large on its records. In addition to the other amounts herein authorized to be raised, the city council shall determine the amount necessary to be collected from each ward respectively, for ward and highway purposes, not exceeding ten thousand dollars in any one ward. That all ward and highway taxes shall be placed to the credit of, and expended in the ward in which they may be collected. It shall be the duty of the city assessors to levy the sums apportioned to the respective wards for all taxes as may be required by law upon the taxable property of each ward, in the same manner as taxes for township purposes are required by law to be levied by the supervisors of the townships of the state.

The above resolution was placed on file for one week in office of City Clerk in accordance with Section 92 of City Charter.

By Ald. Avery—

To the Honorable Mayor and City Council, Lansing, Michigan:

Gentlemen:

We are handing you herewith estimate of cost of installing Boulevard Lights for the 1924 schedule. This is made out in three groups; one for those streets that are already paved; one for those streets which the Council has authorized for pavement; and one for those streets which we have been informed by the City Engineer are contemplated for paving in 1924.

Sometime last summer the City Council adopted a resolution directing this Board to install conduit for boulevard lighting on streets which are being paved at the time when the curb and gutter is built.

Heretofore it has been impossible to do this because of the great length of time required to obtain materials and the lateness in the season when the boulevard lighting program has been approved.

In order to avoid injury to the underground cable which is being installed with boulevard lights, it is impracticable to place the cable without installing the foundations and setting up the lighting standards which means a completed job. It would be highly desirable to carry this construction work along with the paving of streets. This we can do providing you will authorize the work early enough so that we can purchase materials in sufficient time to obtain them in the spring or early summer. It usually requires three months at least for delivery of cable.

Yours very truly,

Board of Water & Elec. Light Com.

OSCAR E. BULKELEY,

Superintendent

Estimate For Installation of Boulevard Lights.

TO the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I submit herewith cost of making house connections in advance of the paving work of 1922 which should be referred to the Assessors for assessment.

We found part of this information on file with the Assessors but the costs have never been reported to the Council and they have never been ordered assessed.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

By Ald. Templeton—

Resolved by the City Council of the City
of Lansing:

That it is hereby determined to be a
public necessity and a necessary public
improvement and need in the City of Lan-
sing, Michigan, that the sewerage in said
city be extended, and that the sum of
\$300,000 is needed for said purposes.

Resolved further, That the extension of
said sewerage shall be made under and
by direction of the City Council of the
City of Lansing, by and through its prop-
er officers, and that the question of borrow-
ing the sum of \$300,000 upon the faith and
credit of the City of Lansing, and the
issuance of the bonds of the City of Lan-

sing therefor be submitted to a vote of the
qualified electors of the City of Lansing at
a special municipal election to be held in
said City on Monday, the 7th day of April,
1924.

Resolved further, That said bonds if
authorized by a three-fifths vote of the
qualified electors of said city voting there-
on, as required by the laws of the State
of Michigan and the charter of the City
of Lansing, be designated "City of Lan-
sing Sewerage Bonds" and shall be is-
sued and sold by the City of Lansing in
accordance with the City Charter relative
to the issuance and sale of bonds for pub-
lic improvements; said bonds to be issued
in such denominations, to be dated at such
time or times as shall be prescribed by
the City Council, and to become due and
payable, not exceeding thirty years from
the date of issue, at such time or times
as the City Council, by resolution, shall
prescribe, said bonds to bear interest at
a rate not to exceed five per cent per
annum, payable annually or semi-annual-
ly, as the Council by resolution, shall pre-
scribe; both principal and interest may be
payable at the office of the City Treasurer
of the City of Lansing, or at such other
place or places as the Council, by resolu-
tion, may prescribe.

Resolved further, That the City Clerk
be and she is hereby directed to prepare
printed ballots substantially in manner and
form as follows:

OFFICIAL BALLOT.

Shall bonds of the City of Lansing in the
sum of \$300,000 for the purpose of extend-
ing the sewerage of the said City of Lan-
sing, as prescribed in a certain resolution
of the City Council introduced in said City
Council on the 25th day of February, 1924,
be issued?

Yes ()

No ()

Resolved further, That each elector vot-
ing upon such question shall indicate his
or her vote by placing a cross in the square
opposite the word "Yes" or "No", as he
or she shall desire to vote.

Resolved further, That the votes cast
upon such question shall be counted, re-
turned and canvassed in like manner as
prescribed for the counting, returning and
canvassing of ballots of a general munici-
pal election, as prescribed in the Charter
of the City of Lansing and the laws of
the State of Michigan; that the polls be
open at seven o'clock in the morning and
remain open until eight o'clock in the
evening of said day.

Resolved further, That the City Clerk be
and she hereby is directed to give notice
of such election at which such proposed
bond issue is to be submitted to the electors
of the City of Lansing, as prescribed in
the Charter of the City of Lansing and the
laws of the State of Michigan.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp,
Dymond, Fowler, Howe, Kircher, Klock,

Leonard, McComb, McKale, Phillips, Templeton, Troyer, Vandervoort.—15.

Nays—None.

By Ald. Phillips—

By Ald. Fowler—

Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifths vote of the members-elect proposes that Sections 21, 99, 109 and 144 of the Charter of the City of Lansing be amended so that Section 21 shall read as follows:

"At the annual election to be held in the City of Lansing in year 1924, and at each second annual election thereafter, there shall be elected on the city ticket, one Mayor, one Treasurer and one Constable and at the annual election to be held in said city in the year 1925 and at each second annual election thereafter, there shall be elected one City Clerk and one Constable, all of whom shall hold their offices for two years. At each annual election there shall also be elected in each ward, one alderman, who shall hold his office for two years. At the annual election to be held in the year 1927 and at each fourth annual election thereafter, there shall be elected in said city, one Justice of the Peace, who shall hold his office for the term for which he was elected, and until his successor is elected and qualified. All officers elected as herein provided shall enter upon the duties of their respective offices on the second Monday in January next following such election."

And that Section 99 be amended so that it shall read as follows:

"The Mayor shall on the second Monday in January in each year, or as soon thereafter as may be, by and with the consent of the City Council, appoint such standing committees as may be provided by the rules of the council; and he shall also, by and with the consent of the City Council, appoint one City Attorney, one City Comptroller, one City Engineer, one

Superintendent of Public Works, one Superintendent Garbage Collection Department, one City Assessor, one Director of Poor, one Sealer of Weights and Measures, provided the Mayor may, by and with the consent of the City Council, dispense with either the Director of the Poor, or the Sealer of Weights and Measures, imposing the duties of the aforesaid officers on one officer; and so many pound masters, weigh masters, auctioneers, janitors and engineers, as the council may from time to time deem necessary to carry into effect the powers granted by this charter, who shall hold their offices during the pleasure of the Mayor and until his successor is appointed and has qualified, unless removed in accordance with the provisions of this Charter. Whenever any officer appointed by the provisions of this Charter, shall, from any cause, be unable to perform the duties of his office, the Mayor by and with the consent of the City Council, shall have power to appoint any officer who shall perform the duties of the office until such inability shall cease;"

And that Section 109 be amended so that it shall read as follows:

"The City Assessor shall have and exercise the same powers and duties relating to the making of the assessment rolls, as is given the Supervisors of Townships under the General Laws of this State, and he shall be governed by such laws, and perform such other acts and duties as required by this Charter or that the City Council shall by resolution direct."

And that Section 144 be amended so that it shall read as follows:

Section 144. It shall be the duty of the City Council on or before the second Monday in March of each year to determine, by resolution, the amount necessary to be raised by tax for the following general purposes, viz.: Contingent expenses, fire department, police department, sewerage, paving, erection and repairing of public buildings, hospitals and the maintenance of same and the purchase of lands therefor, cemetery, bridges, interest and bonds, parks, poor, public health, garbage collection and disposal, electric energy and water, gas, heat and such other utilities owned and operated by the city, or which the city may hereafter acquire, and for any and all other municipal purposes, the city council may raise by tax to be levied upon the real and personal property within the city of Lansing, such amounts so determined by the council and permitted by law on the assessed valuation of the real and personal property within the limits of the city, according to the valuation thereof, taken from the assessment rolls of that year, which amounts so determined by the council as aforesaid, shall be apportioned among the several wards of the city according to the valuation of the property on the assessment rolls, as equalized by the board of review of the city, provided for in section one hundred forty-one of this charter, and the apportionment of the city council shall be entered at large on its records. In addition to the other amounts herein

authorized to be raised, the city council shall determine the amount necessary to be collected from each ward respectively, for ward and highway purposes, not exceeding ten thousand dollars in any one ward. That all ward and highway taxes shall be placed to the credit of, and expended in the ward in which they may be collected. It shall be the duty of the city assessors to levy the sums apportioned to the respective wards for all taxes as may be required by law upon the taxable property of each ward, in the same manner as taxes for township purposes are required by law to be levied by the supervisors of the townships of the state.

Adopted by the following vote:

Laid on table one week.

This Contract and Agreement, made and entered into by and between the City of Lansing, State of Michigan, party of the First Part, hereinafter called "City," and The New York Central Railroad Company, a corporation, party of the Second Part, hereinafter called "Railroad Company," Witnesseth:

Whereas, the City has about completed the construction of a bridge across the Grand River and across the tracks of the Railroad Company in Shiawassee street in said City, and which said bridge has been so built that the concrete encasement around the columns on the westerly side of the tracks of the Railroad Company clears a line twenty-one and thirty-five hundredths (21.35) feet westerly of and parallel with the center line of the middle or main track of the Railroad Company and the centers of the columns on the easterly side of said main track are sixty-six and one-half (66½) feet easterly from the center of the columns on the westerly side of said main track; furthermore, the concrete fascia around the southerly column on the easterly side of said main track is seven

(7) feet from the nearest rail of the easterly side track, and furthermore, the vertical clearance between the top of rail of said main or center track and the underside of the bridge is eighteen (18) feet and the vertical clearance between the top of rail of the sidetracks either side of the main track and the underside of the bridge is not less than seventeen and one-half (17½) feet; and

Whereas, the construction of said bridge necessitates a change in the facilities for reaching the freight house, team tracks and other railroad facilities of the Railroad Company lying immediately to the south of said bridge; and

Whereas, it is desirable that the City improve the present means for reaching said freight terminals of the Railroad Company and provide as easy access thereto as is possible under the circumstances;

Now this Agreement Witnesseth, that the City will forever maintain said bridge over the tracks of the Railroad Company with the same side and vertical clearances as above set forth, leaving on either side of said bridge in said Shiawassee street an approach driveway from Cedar street to the said terminals aforesaid, which said approach driveways will be as nearly as practical at the former grade of said Shiawassee street before the new bridge was erected and each of which said approach driveways shall have a minimum clear headroom of at least twelve (12) feet and shall be not less than fourteen (14) feet wide, free of curbs, sidewalks or other features which would interfere with vehicular traffic. Said driveways shall be provided and paved, as soon as weather conditions will permit, and thereafter maintained by the City and kept in reasonable and safe condition at all times for the passage of teams, trucks, and other vehicles for those having business at said freight house, team tracks and other said facilities; said paving to be constructed and maintained at the sole cost of the City; the stairway leading from said bridge to said property of the Railroad Company, which is now constructed as a part of said bridge, to be kept open and maintained at the sole cost of the City.

Also, the City agrees at its cost to maintain suitable electric lights under the bridge structure aforesaid, so as to properly illuminate the said approach driveways on either side of said bridge.

Said City shall relieve said Railroad Company of the present or any future grade crossing of its tracks on said Shiawassee street and the City will and does hereby indemnify the Railroad Company against any cost or expenses on account of damages to any property arising from the construction of said bridge, the change of grade of said street, or the vacation thereof at such crossing, it being understood that the Railroad Company makes no claim for damages to its physical property on account of the foregoing. The Railroad Company shall be relieved of the necessity of providing and maintaining watchmen or other protection to the public at said cross-

ing, and, if pending the final abandonment, elimination and removal of said grade crossing, a watchman, or watchmen, are by said Company found necessary, same will be provided by said Railroad Company and the expense thereof shall be promptly paid by the City upon monthly bills to be rendered to it by said Railroad Company. The covenants of said City shall be performed without unreasonable delay.

The Railroad Company, in consideration of the performance of the above and foregoing covenants on the part of the City, agrees to pay to said City of Lansing the sum of \$50,000.00 as follows: \$30,000.00 upon the execution and delivery of this agreement, or within 30 days thereafter, and the balance of said amount upon the completion and fulfillment of the obligations of the City herein set forth; provided that there shall be deducted from said balance of \$20,000.00 any expense incurred by said Railroad Company on account of providing watchmen, inspectors, engineering service, and any other costs incurred by the Railroad Company incident to the abandonment of said grade crossing over its tracks at Shiawassee street, the vacation of said street where it crosses said tracks, the removal of the crossing under the said bridge and incidental expense in connection with the erection of the aforesaid bridge; the total amount of which deduction is not to exceed the sum of \$1,500.00, it being understood, however, that the expense of watchmen to be billed monthly against the City is not included in said sum of \$1,500.00; but should the City fail to pay any of said monthly bills, such unpaid bills may first be deducted from said balance of \$20,000.

In Witness Whereof, the parties hereto have duly executed this agreement in duplicate, the City by its officers duly authorized by resolution of its City Council, and the Railroad Company by its authorized officer, this day of 1924.

Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifths vote of the members elect proposes that Sections 21, 99, 109 and 144 of the Charter of the City of Lansing be amended so that Section 21 shall read as follows:

"At the annual election to be held in the City of Lansing in year 1924, and at each second annual election thereafter, there shall be elected on the city ticket, one Mayor, one Treasurer and one Constable and at the annual election to be held in said city in the year 1925 and at each second annual election thereafter, there shall be elected one City Clerk and one Constable, all of whom shall hold their offices for two years. At each annual election there shall also be elected in each ward one alderman, who shall hold his office for two years. At the annual election to be held in the year 1927 and at each fourth annual election thereafter, there shall be elected in said city, one Justice of the Peace, who shall hold his office for four years. Each of said officers so elected shall hold his office for the term for which he was elected, and until his successor is elected and qualified. All officers elected as herein provided shall enter upon the duties of their respective offices on the second Monday in January next following such election."

And that Section 99 be amended so that it shall read as follows:

"The Mayor shall on the second Monday in January in each year, or as soon thereafter as may be, by and with the consent of the City Council, appoint such standing committees as may be provided by the rules of the Council; and he shall also, by and with the consent of the City Council, appoint one City Attorney, one City Comptroller, one City Engineer, one Superintendent of Public Works, one Superintendent of Garbage Collection Department, one City Assessor, one Director of the Poor, one Sealer of Weights and Measures, provided the Mayor may, by and with the consent of the City Council, dispense with either the Director of the Poor, or the Sealer of Weights and Measures; imposing the duties of the aforesaid officers on one officer; and so many pound masters, weigh masters, auctioneers, janitors and engineers, as the council may from time to time deem necessary and such other officers as may be necessary to carry into effect the powers granted by this Charter, who shall hold their offices during the pleasure of the Mayor and until his successor is appointed and has qualified, unless removed in accordance with the provisions of this charter. Whenever any officer appointed by the provisions of this charter, shall, from any cause, be unable to perform the duties of his office, the Mayor by and with the consent of the City Council, shall have power to appoint any officer who shall

perform the duties of the office until such inability shall cease;"

And that Section 109 be amended so that it shall read as follows:

"The City Assessor shall have and exercise the same powers and duties relating to the making of the assessment rolls, as is given the Supervisors of Townships under the General Laws of this State, and he shall be governed by such laws, and perform such other acts and duties as required by this Charter or that the City Council shall by resolution direct."

And that Section 144 be amended so that it shall read as follows:

"It shall be the duty of the City Council on or before the second Monday in March of each year, to determine, by resolution, the amount necessary to be raised by tax for the following general purposes, viz: Contingent expenses, fire department, police department, sewerage, paving, erection and repairing of public buildings, hospitals and the maintenance of same and the purchase of lands therefor, cemetery, bridges, interest and bonds, parks, poor, public health, garbage collection and disposal, electric energy and water, gas, heat and such other utilities owned and operated by the City, or which the city may hereafter acquire, and for any and all other municipal purposes, the City Council may raise by tax to be levied upon the real and personal property within the City of Lansing, such amounts so determined by the council and permitted by law on the assessed valuation of the real and personal property within the limits of the city, according to the valuation thereof, taken from the assessment rolls of that year, which amounts so determined by the Council as aforesaid shall be apportioned among the several wards of the City according to the valuation of the property on the assessment rolls, as equalized by the board of review of the City, provided for in section one hundred forty-one of the Charter, and the apportionment of the City Council shall be entered at large on its records. In addition to the other amounts herein authorized to be raised, the City Council shall determine the amount necessary to be collected from each ward respectively, for ward and highway purposes, not exceeding ten thousand dollars in any one ward. That all ward and highway taxes shall be placed to the credit of, and expended in the ward in which they may be collected. It shall be the duty of the city assessors to levy the sums apportioned to the respective wards for all taxes, as may be required by law upon the taxable property of each ward in the same manner as taxes for township purposes are required by law to be levied by the supervisors of the townships of the state."

Resolved further, that the foregoing amendments to the City Charter be submitted to the qualified electors of the said City of Lansing at a special election to be held on the 7th day of April, 1924.

Resolved further, that such amendments shall be printed upon a ballot which shall be prepared in substance in the following manner:

OFFICIAL BALLOT

Shall Sections 21, 99, 109 and 144 of the charter of the City of Lansing be amended so that the same shall read as follows:

Section 21. At the annual election to be held in the City of Lansing in year 1924, and at each second annual election thereafter there shall be elected on the City Ticket, one Mayor, one Treasurer and one Constable, and at the annual election to be held in said City in the year 1925 and at each second annual election thereafter, there shall be elected one City Clerk and one Constable, all of whom shall hold their offices for two years. At each annual election there shall also be elected in each ward, one Alderman, who shall hold his office for two years. At the annual election to be held in the year 1927 and at each fourth annual election thereafter, there shall be elected in said City, one Justice of the Peace, who shall hold his office for four years. Each of said officers so elected shall hold his office for the term for which he was elected, and until his successor is elected and qualified. All officers elected as herein provided shall enter upon the duties of their respective offices on the second Monday in January next following such election.

Section 99. The Mayor shall on the second Monday in January in each year, or as soon thereafter as may be, by and with the consent of the City Council, appoint such standing committees as may be provided by the rules of the Council; and he shall also, by and with the consent of the City Council, appoint one City Attorney, one City Comptroller, one City Engineer, one Superintendent of Public Works, one Superintendent of Garbage Collection Department, one City Assessors, one Director of the Poor, one Sealer of Weights and Measures, provided the Mayor may, by and with the consent of the City Council, dispense with either the Director of the Poor or the Sealer of Weights and Measures, imposing the duties of the aforesaid officers on one officer; and so many pound masters, weigh masters, auctioneers, janitors and engineers, as the Council may from time to time deem necessary, and such other officers as may be necessary to carry into effect the powers granted by this Charter, who shall hold their offices during the pleasure of the Mayor and until his successor is appointed and has qualified, unless removed in accordance with the provisions of this Charter. Whenever any officer appointed by the provisions of this Charter, shall, from any cause, be unable to perform the duties of his office, the Mayor by and with the consent of the City Council, shall have power to appoint any officer who shall perform the duties of the office until such inability shall cease.

Section 109. The City Assessor shall have and exercise the same powers and duties relating to the making of the assessment rolls, as is given the Supervisors of Townships under the General Laws of this State and he shall be governed by such laws, and perform such other acts and duties as required by this Charter or

that the City Council shall by resolution direct.

Section 144. It shall be the duty of the City Council on or before the second Monday in March of each year, to determine, by resolution, the amount necessary to be raised by tax for the following general purposes, viz: Contingent expenses, fire department, police department, sewerage, paving, erection and repairing of public buildings, hospitals and the maintenance of same and the purchase of lands therefor, cemetery, bridges, interest and bonds, parks, poor, public health, garbage collection and disposal, electric energy and water, gas, heat and such other utilities owned and operated by the City, or which the city may hereafter acquire, and for any and all other municipal purposes, the City Council may raise by tax to be levied upon the real and personal property within the City of Lansing, such amounts so determined by the Council and permitted by law on the assessed valuation of the real and personal property within the limits of the City, according to the valuation thereof, taken from the assessment rolls of that year, which amounts so determined by the Council as aforesaid shall be apportioned among the several wards of the City according to the valuation of the property on the assessment rolls, as equalized by the board of review of the City, provided for in section one hundred forty-one of the Charter, and the apportionment of the City Council shall be entered at large on its records. In addition to the other amounts herein authorized to be raised, the City Council shall determine the amount necessary to be collected from each ward respectively, for ward and highway purposes, not exceeding ten thousand dollars in any one ward. That all ward and highway taxes shall be placed to the credit of, and expended in the ward in which they may be collected. It shall be the duty of the city assessors to levy the sums apportioned to the respective wards for all taxes, as may be required by law upon the taxable property of each ward in the same manner as taxes for township purposes are required by law to be levied by the supervisors of the townships of the state.

The report of the City Treasurer for the months of January and February, 1924, was received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I take this opportunity to call your attention to overdrafts on the books of the City Treasurer as follows:

Bonds Coupons Payable.....	\$19,355.92
Emergency Hospital	1,472.81
First Ward Highway.....	513.11
Fourth Ward Highway.....	2,391.55
Sixth Ward Highway.....	2,723.17
Eighth Ward Highway.....	2,028.04

And would ask that you have these overdrafts adjusted at an early date.

Respectfully,

WALTER S. CAMPBELL,
City Treasurer.

Referred to Committee on Ways and Means.

ALD. TROYER ARRIVED AT 7:45.

Hon. Mayor and City Council:

Gentlemen:

I herewith submit to your honorable body—

Supplementary Assessment roll to Actual Cost:

Graveling Fernwood street from Magnolia to Hayford avenue.

Special Assessment roll, sewers in Shiawassee street from Sycamore to Grand River, Ionia, from Washington avenue to Pine street, etc.

Respectfully submitted,

JOHN S. BENNETT,
Assessor.

Received and placed on file.

To the Honorable Mayor & City Council, Lansing, Michigan:

Gentlemen:

You have made a deduction from our bill for water used for public purposes and for fire protection for the year 1923-1924 of an item amounting to \$11,533.73 for chloride of lime, purchased by your Public Works Department for use on the streets.

We understand that this was done because of our inability to supply water for sprinkling purposes for a period of some two or three weeks during excessive dry weather.

Please allow us to call your attention to the fact that the total amount billed you, covering sprinkling for the entire season, was only \$3,575.00. You had all the water which you needed for sprinkling purposes during the entire season with the exception of the period mentioned. It does seem, therefore that the only deduction

which could be made in justice to us would be an allowance for the water which you did not receive. While we believe that you used more than two-thirds the amount of water billed you for street sprinkling, we would suggest a settlement on the basis of deducting one-third, which would be \$1,191.67.

Will you please re-consider this matter? We are still carrying this item of \$11,533.73 among our bills receivable.

Yours very truly,

BOARD OF WATER & EL. LIGHT COM.
OSCAR E. BULKELEY,
Superintendent.

Referred to Committee on Ways and Means.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith present you with the cost of constructing the following house connections put in before the pavement was laid on Kalamazoo street, Hosmer to Holmes. These should be referred to the City Assessors for assessment against the property benefited.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

The Committee on Sewers, to whom was referred the petition of Ernestine Clippert Council Proceedings, Dec. 18, 1923, begs leave to report as follows:

The facts are substantially set fourth in the petition, namely, that no sewer connections for the lots on north side of Michigan avenue between Clemens and Fairview were made on account of having to cut into the concrete pavement which was used for a base for the new pavement and the necessity of going under a double track street car line. We recommend that in reporting the actual cost to be assessed on this sewer the city engineer be directed to report \$25.00 per lot or \$150.00 to be

paid from the general sewer fund in addition to the usual one-sixth paid by the City.

M. A. TEMPLETON,
H. S. FOWLER,
W. H. McKALE,
Committee on Sewers.

Referred back to the Committee on sewers.

ORDINANCES.

By Ald. Avery—

That the council resolve itself into a committee of the whole to consider ordinances.

Carried.

The Mayor called Ald. Avery to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An Ordinance relative to cemeteries and burial of the dead," that they had made several changes in the same and would recommend that it be passed as amended. Also that they had considered an ordinance entitled "An Ordinance to change the names of certain streets and to name certain other streets and highways in the City of Lansing," and would consider it further at another session.

Council then resumed regular session.
By Ald. Avery—

That rule No. 23 be suspended and that the ordinance relative to cemeteries and burial of the dead be read a third time.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, Troyer.—13.

Nays—None.

The ordinance under consideration was then read a third time as follows:
An Ordinance Relative to Cemeteries and the Burial of the Dead.

The City of Lansing Ordains:

Section 1. That the burial grounds known as Mount Hope Cemetery in the City of Lansing, are hereby declared to be public burial grounds; and no interment shall be made in any other place in said city, excepting in such other public burial grounds as may hereafter be established by ordinance of the City of Lansing.

Section 2. At the regular January meeting of the Board of Cemetery and Public Park Commissioners, they shall appoint a cemetery superintendent, and any other assistants they deem necessary for the care of the cemetery. These persons shall hold their appointments during the pleasure of said board, and their compensation shall be fixed and duties prescribed by said board.

Section 3. It shall be the duty of the superintendent, under the direction and control of said board, to administer, maintain and supervise all the activities of said cemetery and grounds, to render monthly financial report to the board and to make such recommendations as are necessary or expedient in the proper control, maintenance and improvement of the cemetery.

Section 4. The Board shall regulate the

prices and fees which shall be charged for cemetery service.

Section 5. It shall be the duty of the superintendent in person or by a competent employee

(a) To be in attendance at said cemetery during the working day in order to discharge his duties without delay.

(b) To keep a complete and accurate record at the cemetery of the name of the deceased, the subdivision, lot and section on which burial is made, the date of burial, and the name of the undertaker conducting the funeral.

(c) To demand and examine the burial permit and to refuse burial until such permit and papers shall comply with the State law and the restrictions of the City of Lansing.

(d) To hold the sole and exclusive right in person or through competent employees to dig and fill all graves and to re-open a grave upon request of a duly authorized and competent party after having first received the written permit of the City Clerk.

(e) To qualify and act in the capacity of a policeman in enforcing and abiding by the terms of this ordinance and by arresting any party while in the cemetery for the violation of this or any other city Ordinance.

(f) To aid and assist the public in the locating of lots or burial spaces or in interpreting the meaning of the ordinance and to take such steps as are necessary for the protection and convenience of funeral parties.

(g) To keep a duplicate plat and record of the cemetery, showing sections, lots and subdivisions with the location, name and date of all burials.

Section 6. It shall be the duty of the Superintendent of Mount Hope Cemetery

(a) To keep a plat and plat book of the Cemetery on which shall be shown all lots which are sold or are for sale and a record made of the date, name and undertaker conducting the funeral for all deceased persons who are buried at Mt. Hope.

(b) To sell such lots as are authorized by the Board at the price and under the restrictions set by said Board, and to issue a deed, upon the payment of the whole amount, naming such special restrictions as are not embodied in this ordinance, signed by the City Clerk and stamped with the seal of the City of Lansing.

(c) To enter into contract with any person desirous of purchasing a lot at Mt. Hope, after collecting at least a quarter of the whole amount and receiving satisfactory security for the balance, but provided that no deed shall be issued until the payment is made in full with interest.

(d) To record the transfer of title from one owner to another after a request for transfer has been made and authorized by the Board.

(e) To notify the office at cemetery as soon as may be, of the sale of lots, with

name of owner or owners, and of the date, time of day, section, lots and subdivision of all proposed interments with the name of deceased and undertaker.

(f) To collect all money in payment for lots, burial permits, annual care and for all services rendered by the employees of the cemetery in the performance of their duties as regulated by the Board, and such moneys so collected shall be deposited with the City Treasurer after being checked by the City Comptroller.

Section 7. It shall be the duty of the City Treasurer:

(a) To deposit all sums in payment of lots, and in payment of cemetery services, into the general cemetery fund, except as such sums as are paid for perpetual care which shall be held and invested as provided under the City Charter and the State laws governing such trust funds.

Section 8. All lots shall be held and interments shall be made subject to such by-laws, rules and regulations as may from time to time be adopted by the Board. Lots shall not be used for any other purpose, than as a place of burial for the human dead.

Section 9. The following rules and regulations are incorporated and made a part of this ordinance:

(1) The grave of an adult in any public burying ground in said city shall be at least five feet deep, and that for a child shall be at least four feet deep. Burial boxes over four feet in length will be classed as adult burials.

(2) The burial of two or more persons in a single grave is prohibited except mother and babe if buried at the same time or in case of infants.

(3) Strangers are not allowed to approach the grave at a funeral.

(4) Under no condition will the city assume responsibility for error in opening graves when orders are given by telephone. Orders from undertakers will be construed as orders from the owner.

(5) Flowers and emblem will be removed from graves as soon as they become unsightly and no responsibility for their return to lot owners will be assumed.

(6) No firearms will be allowed in cemetery except in case of military funerals and on Memorial Day, without the written permission of the superintendent.

(7) No lots may be purchased or sold or rights transferred for speculative purposes.

(8) No grave will be opened and body disinterred except by order of husband, wife, father, mother, son or daughter of the deceased and then only for good cause, and the city reserves the right to refuse any such request. This provision does not apply when disinterment is ordered by a duly authorized public official.

(9) Neither the purchase price nor the perpetual care agreement contemplates the repair or replacement of any monument or marker nor the repair of damages caused by the elements.

(10) Monuments will not be allowed on lots not fully paid for.

(11) All foundation work for monuments and markers will be placed by employees of the department at a rate set by the Board and at a proper depth and strength.

(12) The material used in the construction of mausoleums, vaults, monuments and markers and permanent corner posts must be of recognized durable granite or standard bronze. Each marker shall consist of one part or piece only, provided that the above rule will not apply to lots on which it is desired to put in markers to match other markers already on the lot.

(13) No vertical joints will be allowed in monument work.

(14) Unsightly, ill-proportioned monuments and stone work are prohibited and all appendages, such as photographs, books and other objects of curiosity are prohibited.

(15) At any time when a monument, vault or mausoleum, becomes unsafe in the opinion of a majority of the Board, a notice will be mailed to the last known or recorded address of the owner and the structure removed and charged to the owner or owners.

(16) For the use of the Receiving Vault there shall be a fixed charge set by the Board. Persons owning private vaults are hereby forbidden to charge for the use of their vaults to other parties. The fees for the use of the vault must be paid to the Superintendent, and permit obtained before the body is placed in the vault. Bodies of persons dying of infectious or contagious diseases shall not be permitted to be deposited in the public vault. Should the remains of any person placed therein become offensive or detrimental to the public health, the Board shall have the right to cause the body to be immediately buried.

(17) Contractors and workmen engaged within the cemetery on any class of work whatsoever will be held responsible for damage done by them to any cemetery properties.

(18) Material for any class of work will not be permitted on the grounds unless accompanied by workmen to erect same, except by special arrangement.

(19) Roadways must be satisfactorily protected against damages from heavily loaded vehicles.

(20) Rolling of stones across any section of lots must be done under the supervision and orders of the superintendent. In all cases planks must be provided for properly protecting the lawns.

(21) All unsightly material or debris accumulating from any class of work must be removed at once, and on completion of the work all derricks, tools, etc., must be removed immediately, and the grounds left in as good condition as found.

(22) No stone work shall be brought in to the cemetery on Saturday after 12

o'clock Noon, and no work shall be commenced on that day that cannot be finished, and the dirt and debris entirely removed before the hour of closing.

(23) No person shall remove any object from any place in the cemetery or make any excavation without the consent of the superintendent or assistant.

(24) No person shall obstruct any drive, walk or alley or in any way injure, deface or destroy any grave, vault, tombstone, monument, enclosure, building, fence, basin, fountain, bridge, seat, flower, tree, shrub, vine, lot, or other thing, in or belonging to any public burying ground in said city.

(25) If any tree, shrub or vine situated on any lot by means of its roots, branches or in other way become a detriment to adjacent lots, paths or avenues, or inconvenient to visitors, the superintendent shall have the right to remove the same.

(26) Any seat, urn or similar object placed on a lot shall be removed without notice to owner when such seat or urn becomes a nuisance or unsightly or uncared for. Any iron or wood object placed on a lot by permission of the superintendent shall be painted and kept clean and neat.

(27) When a lot is uncared for and becomes unsightly or a nuisance or detrimental to other lots, by order of the Board the superintendent and employees will enter such lot and clean up and make same presentable and the cost of such work collected from owner or made a lien on such a lot.

Section 10. Any person or persons violating any provision of this ordinance, shall, upon conviction thereof, be punished by a fine not exceeding one hundred dollars, and in default of the payment of such fine, such person or persons shall be imprisoned in the city penitentiary until such fine is paid, not exceeding the term of ninety days.

Section 11. Ordinance No. 9 of the Compilation of Ordinances for the year 1918 is hereby repealed.

To the Honorable Alfred H. Doughty,

Mayor, City of Lansing, and to the Honorable Members of the Common Council, City of Lansing:

We, the undersigned have met today in the Department offices of the Veterans of

Foreign Wars, General Motors Building, Detroit, Michigan, in a conference relative to plans made and to be made for the combined encampment of the Grand Army of the Republic, The United Spanish War Veterans, the Veterans of Foreign Wars and all the allied and auxilliary organizations thereof.

We have reviewed the invitation extended to us by the Common Council and the Chamber of Commerce on June fifth last, and all of the work which has been completed in preparation for this Convention. We have also reviewed several of the happenings of the last few days which followed the refusal of the Common Council of Lansing to appropriate a fund of Three Thousand Five Hundred Dollars due to the fact that such an appropriation was illegal. We have carefully considered the Resolution adopted by the Council that this sum of money be obtained by subscription, and we have come to the conclusion that it is not within the jurisdiction of the various organizations to be represented in this Convention to designate in what manner this money shall be raised, we are, therefore, accepting your invitation to be present in Lansing June 11th, 12th, and 13th, in combined encampment and only desire that you signify to us your assurance that sufficient money will unquestionably be raised.

It has come to our attention that the authority of Captain Russell S. Dean as General Chairman of the working committees for this convention has been questioned. We wish to dispel any such doubts and assure you we understand that Captain Dean has been duly appointed General Chairman of the working Committees and that it is our desire that he will remain in this position until the plans for the Convention have been thoroughly completed.

We have authorized at this meeting that this letter be presented to you by Captain Robert F. Cuyler, Commander of the Lansing Post, Veterans of Foreign Wars, and we ask that you accept this statement as expressing our wishes in the matter of the Encampment given by us in full accord and harmony.

We have authorized Captain Cuyler to present this to you in order that you may have an official statement by one person

and thereby preclude the probability of any further controversy in this matter.

Patriotically yours,

L. A. L. GILBERT,

Dept. Commander, Mich. G. A. R.

THOMAS J. BARRETT,

Dept. Commander, U. S. W. V.

C. L. CANDLER,

Dept. Commander, V. of F. W.

By Ald. Leonard—

That the Mayor appoint a committee of of aldermen and citizens of sufficient size to raise the necessary funds to pay the expenses of the encampment to be held in this city by the G. A. R., U. S. W. V. and the V. of F. W. and that the Mayor and City Clerk write a letter assuring these organizations that funds will be available for their expenses.

Carried.

The Mayor appointed as such committee Aldermen Fowler, Troyer, McComb, Chaplain Cottrell, Donald E. Bates, Bruce Anderson, Don Sessions, Dr. W. T. Shaw, Hiram W. Rikerd and Earle Pitt.

OLD TEMPLETON ARRIVED AT 8:10 O'CLOCK.

REPORTS OF COMMITTEES

The Committee on Bonds and Contracts recommend the approval of the following bonds:

Electric sign bond of the Klassy Kleaners;

Drainlayer bond of Verne O. Holgate;

Electric sign bond of Elmer E. Jewell;

Geo. S. Armstrong for dray license;

Seth Porter, Plumber and Drainlayer;

Electric street sign of Della C. Johnson;

Chas. Marsh for Junk License.

A. DE CAMP,

ELMER CLAPHAM.

Committee on Bonds and Contracts.

By Ald. DeCamp—

That the report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Fowler, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Troyer, Vandervoort.—12.

Nays—None.

APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Marcus street from Fairview avenue west 180 feet.

No objections being filed the same was considered satisfactory to parties interested.

To the Honorable Mayor and City Council
of the City of Lansing:

Gentlemen:

We the undersigned residents and tax payers in the City of Lansing hereby object to being assessed for a sewer in Marcus street between Clemens and Fairview avenues, Leslie Park Subdivision. This proposed sewer, we understand is deemed to be of most benefit to the rear of lots 71, 72, 73, 74, 167, 168, 169, 170. We being the taxpayers on lots 169 and 170 object to this assessment for the reason that we bought, and hold the rear of our lots to be used as lawn or garden; and we would never wish to see a house built thereon, as we consider that a house in such a location would create a crowded condition injurious to the value of our property. Since we have already been assessed for a sewer in Fairview avenue we do not wish to be assessed for another sewer which would be of no benefit to us.

Very respectfully,
DAVID F. STOCKBRIDGE.
W. H. FRASER.
WM. L. McCOMB.

Referred to Committee on Sewers and City Engineer.

This is the time set for hearing appeals on the special assessment roll for sewer in Shiawassee street, from Sycamore street to Grand River, in Ionia street, from Pine to Washington avenue and in Washington avenue, from Ionia street to Genesee street.

No appeals.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 175 feet of sewer in Marcus street from Fairview avenue to 175 feet west in the City of Lansing, having been duly given as required by the charter of said city, and the said City Council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 8th day of April, A. D., 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further Resolved, That the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 8th day of April, A. D., 1924, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$311.28 of which one-sixth or \$51.88 shall be paid from the general sewer fund and the remainder or \$259.40, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respective-

ly from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Troyer, Vandervoort.—14.

To the Honorable Mayor and City Council:
Gentlemen:

On April 15th I wrote to each of the banks of the city calling their attention to Section 175 of Chapter 11 of the City Charter and stated that I would receive proposals for the keeping of city funds on or before May 1st.

I am referring to you a communication

which I have received in reply to my letters.

Yours very truly,
BERTHA RAY,
City Clerk.

Bertha Ray, City Clerk,
City of Lansing, Michigan.

Dear Miss Ray—

Acting on your invitation in your letter of April 15th, in which you ask this Bank to bid for City Funds, I am making reply for the Clearing House Banks, consisting of City National Bank, Capital National Bank, American State Savings Bank, and we will make the usual bid for Commercial Deposits of 2 per cent on Daily Balances. This does not include State and County monies which are deposited, from time to time, by the State Treasurer. This point is thoroughly understood by the Treasury Department.

If you wish to consider this a Sealed Proposal you may do so. If you do not think it will qualify as a Sealed Proposal, kindly call me on the "Phone" and I will send one over.

Yours very truly,
CHAS. E. TOMS,
Lansing Clearing House Assoc.

Received and placed on file.

To the Honorable City Council of the City of Lansing:

Gentlemen:

Complying with the request of the City Clerk in a letter dated April 15, 1924, and in pursuance with Section 175, Chapter 11 of the Charter of the City of Lansing, the Peoples State Savings Bank, Lansing, solicits the deposit of a fair portion of funds now in the possession of the City of Lansing, and of such funds as may come into the possession of the City from time to time during the ensuing year.

Such deposit to be obtained on condition that the Peoples State Savings Bank agrees to pay 2% on daily balances on the commercial account, in accordance with the balances as shown to have been deposited by the City Treasurer in the Peoples State Savings Bank, excepting City and County Taxes. On the Savings Account the interest will be as follows:—On sums on deposit for not less than three months, 3%. On sums left one year, or more, 4%.

City Officials in charge of City Moneys are to give to the Peoples State Savings Bank thirty days notice prior to the withdrawal of any portion of the savings deposit. The City also to allow to the Peoples State Savings Bank a free balance of 10% of the total amount on deposit, on which no interest is to be computed, to provide for uncollected funds.

Assuring you of our desire to co-operate with your honorable body, in handling these funds to the City's advantage, we are,

Respectfully yours.

APPEALS.

This is the time set for hearing appeals on the special assessment roll for curb and gutter on Capitol avenue, from Willow street to Franklin avenue.

No appeals.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Birch street from St. Joseph street to 180 feet north.

No objections being filed the same was considered satisfactory to parties interested.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Marcus street from Hayford avenue west 200 ft.

Honorable Mayor and City Council:

Gentlemen:

I wish to object to being assessed for putting in a sewer on Marcus street from Hayford street west. I own Lot 409, Leslie Park and this sewer would be of no benefit to me and I therefore register my objection to having the said lot included in the assessing district.

MINNIE BOGARDUS.

Referred to the Committee on Sewers.

By Ald. DeCamp—

Resolved by the City Council of the City of Lansing:

Whereas, Fred E. Shubel has entered into an option of sale to the City of Lansing for certain lands said agreement or option being hereto attached; therefore be it

Resolved, That the City of Lansing does hereby accept the same in accordance with the terms and conditions therein stated; be it further

Resolved, That the Mayor and City Clerk be and are hereby directed to sign said agreement in behalf of the City and do all things necessary in behalf of the City to complete said purchase.

The above resolution was placed on file for one week in office of city Clerk in accordance with Section 92 of City Charter.

This agreement, made and entered into this twelfth day of May, 1924, between Fred E. Shubel of Lansing, Michigan, party of the first part and City of Lansing, a Municipal Corporation of Michigan, party of the second part, does hereby agree to sell, transfer and set over to the party of the second part the following described property and premises, viz:

Beginning at a point on the east line of the Reo Ball Field, approximately 75 feet from the bank of the Red Cedar and marked by an iron stake and following a line of iron stakes, east and southerly, following the banks of the Cedar and Sycamore Rivers to Mt. Hope avenue and including all lands belonging to said Fred E. Shubel, lying between the line of stakes and the Cedar and Sycamore Rivers. Also a parcel of land lying between the Sycamore and Red Cedar to the City limits on the east and Mt. Hope on the south, being approximately forty acres.

The said party of the first part does hereby agree further to deed 40 feet, south and west of said line of stakes on the property he now owns, as his half of proposed River Drive.

In consideration whereof the party of the second part does hereby agree to build and maintain a gravel drive along the line heretofore described, and to maintain the same from Pennsylvania Ave. to Mt. Hope Ave.; as a further consideration the said party of the second part does hereby agree to improve and continue to occupy said premises for park and recreational purposes, in conjunction with the Reo Ball Field, and in no way to be used for commercial or industrial purposes or for any other purposes than herein designated and should the same at any time be used for any other purposes than herein designated, the same reverts to the party of the first part.

It is hereby expressly understood and

agreed that the description herein may be corrected, so to more specifically designate the property as herein intended.

It is further agreed and understood that the drive heretofore referred to, shall be known as "The Sycamore Drive" and the Park as "The Sycamore Park."

As a further consideration, the party of the second part does hereby agree to install and maintain a trunk sewer from Pennsylvania avenue through this property without expense to the adjacent or adjoining property now owned by the party of the first part.

It is understood if this proposition is accepted by the party of the second part that the party of the first part will, upon the performance by the party of the second part of this agreement, make and execute a deed of the same to the party of the second part; be it further understood that the sewer and drive as above mentioned be constructed during the season of 1924 by the party of the second part.

FRED E. SHUBEL.

Signed and sealed and delivered the day and year first above written.

In Witness Whereof,

VERA M. BAHMER,
RAY BAILEY.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, The Reo Motor Car Company by and through its President, R. H. Scott, has made a proposition to the City of Lansing by and through its Board of Park Commissioners to sell certain lands to the City said offer being hereto attached; therefore be it

Resolved, That the City of Lansing does hereby accept the same in accordance with said proposition, and that the Mayor and Clerk are hereby directed to do all matters necessary to the purchase of same land in and in behalf of the City of Lansing.

The above resolution was placed on file for one week in office of City Clerk in accordance with section 92 of City Charter.

Board of Park Commissioners, Lansing, Michigan:

Gentlemen:

While we very much dislike to dispose of the parcel of ground known as Reo Park, directly across the river from Potter Park, we are appreciative of the arrangement that you have been able to make with Col. Fred Shubel, making it possible to secure a drive and park on the south side of Cedar River thereby assuring to the city control of both banks of the river.

For the future of Potter Park such an arrangement is certainly most advantageous. After giving careful consideration to the matter, we have concluded to offer to you the parcel of land known as Reo Park for a consideration of \$12,000.00, the amount suggested by you and which amount will just about re-imburse us for the investment we now have in the property. The sale of our property is contingent upon your securing the Shubel property at this time, and it is further understood that the Reo parcel shall be used for Park purposes only.

Yours very truly,
REO MOTOR CAR COMPANY.

R. H. Scott,
President.

By Ald. DeCamp—

Resolved by the City Council of the City of Lansing:

Whereas, The City has recently contracted for and purchased certain proper-

ties of Fred E. Shubel and of the Reo Motor Car Co., the same being which is known as Reo Ball Park and adjoining lands formerly belonging to Fred E. Shubel with a total acreage of about 77 acres; therefore be it

Resolved that said property be designated as Park and Recreation grounds and the same be turned over to the custody and control of the Board of Park and Cemetery Commissioners to be by said Board prepared and improved for public use as a Park and recreation grounds.

SPECIAL OFFICIAL MEETING
OF THE
CITY COUNCIL
OF THE
CITY OF LANSING

May 15, 1924.

The City Council met in special session and was called to order by Mayor Alfred H. Doughty.

Roll call:

Present—Ald. Clapham, DeCamp, Fowler, Howe, Leonard, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—12.

Absent—Ald. Avery, Dymond, Kircher, Klock.—4.

Copy of Call For Special Session of the City Council:

Ald. Avery and Ald. Klock were excused from the session on account of absence from the city.

Aldermen Elmer S. Avery, Elmer Clapham, Albert DeCamp, A. H. Dymond, Homer S. Fowler, O. C. Howe, E. D. Klock, Fred L. Kircher, A. H. Leonard, L. J. Troyer, A. H. Phillips, W. L. McComb, Wm. McKale, Max A. Templeton, W. E. Trager, F. S. Vandervoort.

To you and each of you, you are hereby notified that a special meeting of the City Council is called to be held at the Council Rooms Thursday evening, May 15th, 1924, at 5 o'clock, for the purpose of considering the question in relation to Jerome street sewer and such other matters as may legally come before this council.

ALFRED H. DOUGHTY,

At the Mayor's office, 2:30 p. m., May 14th, 1924.

May 14th, 1924.

To the Residents in the 1000, 1100, 1200, 1300, 1400, 1500, and 1600 Blocks, Jerome Street:

As there appears to be some misunderstanding relative to the construction of the Jerome street sewer, I hereby advise you that there will be a special session of the City Council at 5 p. m., Thursday, May 15th, 1924, at which time you will be privileged to address this body and have the plans and specifications of the Jerome street sewer thoroughly explained.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Residents and property owners on Jerome street were given an opportunity to address the council relative to the sewer now under construction in Jerome street, and several persons spoke stating that they believed the depth of the sewer to be inadequate.

Ald. McComb and Ald. Kircher arrived at 5:20 o'clock.

The City Engineer explained in detail the plan of the sewer with maps and blue prints and answered questions asked by the council and residents on Jerome street.

By Ald. Fowler—

That the City Engineer be instructed to proceed with the construction of the Jerome street sewer and to raise and relay connections to houses wherever the connections are less than a foot from the bottom of the main sewer.

Carried.

Council adjourned.

BERTHA RAY,
City Clerk.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending May 17, 1924, was received and placed on file.

Gentlemen of the Council:

I have this day, May 13th, 1924, filed in the office of the City Clerk Original Report of Audit of the City of Lansing for 6 years ending April 30th, 1923; also a further report of the auditors, Payroll Bank Reconciliation, as at April 30th, 1923.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

Gentlemen of the Council:

I have this day, May 19th, 5 p. m., filed with the City Clerk, Jerome-Schaefer's report of Audit of Electric Light and Water Department.

Yours truly,

ALFRED H. DOUGHTY,

Received and placed on file.

To the Gentlemen of the Council:

I have been in touch with the Jerome-Schaefer Company who are engaged, at the present time, in the audit of the Accounts of the Water and Electric Light Departments, and their preliminary reports show various divisions in this department in good shape, with the exception of the Cashier's department.

In going over discrepancies discovered there, I called in conference the Prosecuting Attorney and our City Attorney and formally requested the Prosecutor to ask for a Grand Jury Investigation.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith report that May 15th, I sold in Detroit to Bishop, Holmes, Hammond & Jackson, sixty-nine hogs, weight 19,120 lbs., at \$7.70 per hundred and received a check for \$1,403.36 which was credited to garbage disposal.

Respectfully,

GEO. A. CANFIELD,

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

In accordance with your instructions I herewith present you with plans, specifications and estimated cost for sewer in Cedar street from Perry street south to City limits.

Estimated cost	\$336.00
City's 1-6	56.00

To be assessed

\$280.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I submit herewith plans and specifications for a bridge at Kalamazoo street over the Grand River and over the New York Central tracks.

Before asking for bids on this bridge I respectfully call your attention to the fact that no agreements have been made to date with property owners on the east side of the river, that might be affected by the

change in grade of the roadway, nor has an agreement been made with the New York Central Railroad Company to date, although negotiations have been had with property owners and the Railroad Co.

Your attention is also called to the fact that Mill street will not have an opening onto Kalamazoo street after the grade is separated.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Division street from existing sewer south 140 feet to Isaac street.

No objections being filed the same was considered satisfactory to parties interested.

ALD DE CAMP ARRIVED AT 8:25 O'CLOCK.

Miss Bertha Ray, City Clerk,
City Hall, City.

Dear Madam:

ATTACHED AGREEMENT.

This agreement, made and entered into this twelfth day of May, 1924, between Fred E. Shubel of Lansing, Michigan, party of the first part and City of Lansing, a Municipal Corporation of Michigan, party of the second part, does hereby agree to sell, transfer and set over to the party of the second part the following described property and premises, viz:

Beginning at a point on the east line of the Reo Ball Field, approximately 75 feet from the bank of the Red Cedar and marked by an iron stake and following a line of iron stakes, east and southerly,

following the banks of the Cedar and Sycamore Rivers to Mt. Hope avenue and including all lands belonging to said Fred E. Schubel, lying between the line of stakes and the Cedar and Sycamore Rivers. Also a parcel of land lying between the Sycamore and Red Cedar to the City limits on the east and Mt. Hope on the south, being approximately forty acres.

The said party of the first part does hereby agree further to deed 40 feet, south and west of said line of stakes on the property he now owns, as his half of proposed River Drive.

In consideration whereof the party of the second part does hereby agree to build and maintain a gravel drive along the line heretofore described, and to maintain the same from Pennsylvania Ave. to Mt. Hope Ave.; as a further consideration the said party of the second part does hereby agree to improve and continue to occupy said premises for park and recreational purposes, in conjunction with the Reo Ball Field, and in no way to be used for commercial or industrial purposes or for any other purposes than herein designated and should the same at any time be used for any other purposes than herein designated, this same reverts to the party of the first part.

It is hereby expressly understood and agreed that the description herein may be corrected, so to more specifically designate the property as herein intended.

It is further agreed and understood that the drive heretofore referred to, shall be known as "The Sycamore Drive" and the Park as "The Sycamore Park."

As a further consideration, the party of the second part does hereby agree to install and maintain a trunk sewer from Pennsylvania avenue through this property without expense to the adjacent or adjoining property now owned by the party of the first part.

It is understood if this proposition is accepted by the party of the second part that the party of the first part will, upon the performance by the party of the second part of this agreement, make and execute a deed of the same to the party of the second part; be it further understood that the sewer and drive as above mentioned be constructed during the season of 1925 by the party of the second part.

FRED E. SHUBEL.

Signed and sealed and delivered the day and year first above written.

Nays—None.

Board of Park Commissioners, Lansing,
Michigan:
Gentlemen:

While we very much dislike to dispose of the parcel of ground known as Reo Park, directly across the river from Potter Park, we are appreciative of the arrangement that you have been able to make with Col. Fred Shubel, making it possible to secure a drive and park on the south side of Cedar River thereby assuring to the city control of both banks of the river.

For the future of Potter Park such an arrangement is certainly most advantageous. After giving careful consideration to the matter, we have concluded to offer to you the parcel of land known as Reo Park for a consideration of \$12,000.00, the amount suggested by you and which amount will just about re-imburse us for the investment we now have in the property. The sale of our property is contingent upon your securing the Shubel property at this time, and it is further understood that the Reo parcel shall be used for Park purposes only.

Yours very truly,

REO MOTOR CAR COMPANY.

R. H. Scott,
President.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 145 feet of sewer in Cedar street from Perry street to south City Limits, in the City of Lansing, having been duly given as required by the charter of said city and the said City Council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City

Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 19th day of May, A. D., 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further Resolved, That the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 19th day of May, A. D. 1924, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$336.00 of which one-sixth or \$56.00 shall be paid from the general sewer fund and the remainder or \$280.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

REPORTS OF CITY OFFICERS.

The reports of the Gas Inspector for the week ending May 31, 1924, and for the month of May, 1924, were received and placed on file.

Gentlemen of the Council:

I herewith appoint Floyd W. French as member of the Board of Police and Fire Commissioners, 5th Ward, in place of Edward C. Kimes resigned; also Paul C. Richter as member of the Board of Health, 1st Ward in place of Robert F. Miller ap-

pointed last week and who declines to qualify.

Yours very truly,
ALFRED H. DOUGHTY,
Mayor.

By Ald. Kircher—

That the appointments be confirmed.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer.—15.

Nays—None.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

In accordance with your instructions I herewith present plans, specifications and estimated cost for sewers in Weldon avenue from Moores River Drive to Edward street in Henry street, from Birch to Weldon, in Aisdorf from Birch to Weldon, in Hammond and Edward streets, from Birch to Weldon, in Barnes avenue, George street and Goodrich street, from present sewer west to Weldon avenue. I respectfully call your attention to the fact that the sewer in Weldon avenue from Moores River Drive to Aisdorf street and in Henry street from Weldon avenue to Birch street will be too shallow for basement drainage, the land here being only five to six feet above the surface of the water in the river.

Estimated cost	\$7,200.00
City's 1-6	1,200.00

To be assessed	\$6,000.00
----------------------	------------

Respectfully submitted,
O. E. ECKERT,
City Engineer.

Received and placed on file.

REPORTS OF CITY OFFICERS

The report of the gas inspector for the week ending June 7, 1924, was received and placed on file.

To the Mayor and City Council:
Gentlemen:

At the death of J. H. Moores, a number of lots were turned over to the city of Lansing to be sold and the proceeds to be used to make certain improvements at Moores and Frances parks. This special bequest was made late in the will with additional bequests.

The lots above mentioned were deeded to the city of Lansing, and now, according to the provisions of

city charter, they cannot be sold without a vote of the people of the city of Lansing.

We believe it very necessary that such arrangements be made, and that this proposition be put to the people at the next regular or special election.

The list of lots are on record in our files and we would be pleased to furnish the city attorney with the list at your request.

Sincerely,

BOARD OF PARK AND

CEMETERY COMMISSIONERS,

By H. L. BANCROFT,

City Forester.

Referred to city attorney.

June 9, 1924.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen:

I herewith report that on June 5th I sold in Detroit to Bishop, Holmes, Hammond & Jackson sixty-eight hogs, weight 17,700 pounds, at \$7.50 per hundred, and received a check for \$1261.74, which was credited to garbage disposal. 17,700 lbs. at \$7.50.....\$1,327.50
Feed and yardage.....\$14.16
Freight.....37.40
Commission.....14.00
Insurance......20 65.76

\$1,261.74

Respectfully,

GEO. A. CANFIELD,

Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council: Gentlemen:

I desire to call to your attention a condition that exists in the office of city attorney.

First it will be remembered when I took the office about a year ago I directed the police force to make all complaints under the city ordinances, whenever there was a violation of the city ordinance instead of bringing them under the state law which they have apparently followed since said time. This request was made for the reason that I believed it the duty of the city to prosecute the violations of all matters that were in violation of the city ordinances, regardless whether they were a violation of the state law or not; also the officers of the police force being officers of the city, their first duty is to the city. Another reason was the financial end of the proposition, that is, where the city officers had made arrests and complaints the fines should go to the city instead of to the county, as a result of the same we find the following:

The amount of fines and costs turned over to the city, from May 1st, 1922, to May 1st, 1923, was\$19,530.40

From May 1st, 1923 to May 1st, 1924, was\$31,880.75

Making an increase to the city's revenue of\$12,350.35

The number of ordinance cases— May 1, 1922, to May 1, 1923, was1128

The number of ordinance cases— May 1, 1923, to May 1, 1924, was1711

This is an increase of 583 cases; so that the most casual observer must understand that the city has been financially benefited by the present undertaking and which plan will be followed in the future.

It will be remembered that several months ago the department of the municipal court notified the council they were unable and could not draw the complaints by reason of the amount of business that they were forced to do and the increased business in the enforcement of the ordinances of the city, at which time the city attorney took upon himself to prepare all the complaints and filed them with the court, and which is a considerable undertaking.

The facts are that law does not require the justice court to prepare these complaints; another fact that confronts us that the clerks in the justice court are worked hard and on very small salaries.

Since I took up my office in the city hall I have given my undivided attention to the city affairs and the clerk and stenographer in the mayor's office has taken on the work of both offices, and it is unreasonable to ask her to do the work that she is called upon to do and discharge her duties towards the mayor and myself, and do the clerical work of drawing these complaints in addition to work she is called upon to do at the salary she was receiving before my entering the office.

I deem it my duty to call the attention of the council to this and pay this clerk and stenographer in the mayor's office at least \$300.00 more, or make arrangements where someone will take care of the drafting of the complaints.

In conclusion I wish to say that I hope the council will understand this matter and not do anything that will hamper the plan that has been carried out for the past few months of having these ordinances strictly enforced to the end that we may have a better government in the city and likewise receive the

financial benefit derived from the penalties imposed.

Very respectfully yours,
D. G. F. WARNER,
City Attorney.

By Ald. Fowler—

That the communication be referred to the committee on salaries.

By Ald. Leonard—

Resolved by the City Council of the City of Lansing:

Whereas, The City of Lansing did heretofore purchase Lot 20, Block 9, of Espanore Addition to the City of Lansing, ostensibly for the purpose of erecting and maintaining thereon a Fire Station; and

Whereas, It appears from the deed of the property so purchased that the same is restricted for the building of residences in said addition, and that by reason thereof, the City of Lansing cannot build a fire station thereon until the property in said addition has been condemned as to said restrictions, and:

Whereas, The proposition of condemning the property is one that appeals to the serious consideration of the city, and is liable to cause considerable expense and delay, and:

Whereas, The city now owns a parcel of property on Logan street, which is now occupied by a pumping station and there appears to be room upon the said property for the erection of a fire station, and:

Whereas, It is the opinion of this council that it would be more economical and equally as subservient to the people of the city to erect, said station upon said property.

Therefore, Be It Resolved, That the Mayor appoint a committee to investigate the propriety of erecting said station on said property, and to meet with the Board of Water and Electric Light Commissioners in relation to the same, and report their findings and opinion in relation to said site to this council.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—16.

Nays—None.

COMMUNICATIONS.

A communication was received from the Capital National Bank relative to rate of interest at which they can pay on Perpetual Care Cemetery Funds.

Received and placed on file.

May 14, 1924.

Mr. Chas F. Poxson,
Pres. Board of Public Park Commissioners,
Lansing, Michigan.

Dear Mr. Poxson:

I am advised of the unanimous acceptance by the Mayor and City Council of the land offered to the city by the Reo Motor Car Company and myself and submitted to the Council through your Board for park and recreational purposes.

I acquired my land twenty-five years ago and have developed the same at considerable cost and burden to me for farming and dairy purposes, with a firm conviction that the land lying along the Cedar

and Sycamore Rivers, because of its location within the two mile circle and because of its being so favored by nature as to make it almost ideal for river drive and natural park, would some day be greatly needed for the development of our city.

I feel it a great privilege to be able to submit this land for the approval and acceptance of the city and consider myself the chief beneficiary, inasmuch as I would not have missed this chance to help the city through a gift which will be more and more appreciated in the years to come.

I feel greatly indebted to you and to the other members of your Board, to Mayor Doughty, City Forester Bancroft, City Engineer Eckert, Pres. Richard H. Scott of the Reo Motor Car Company, and to the City Council for working out the details of this transaction and for the generous assistance and cooperation.

Thanking you for your attention and assuring you of my hearty assistance in the development of this property for the best interests of our city, I remain,

Very truly yours,

FRED E. SHUBEL.

By Com. Beck—

That the communication be printed in full and a letter sent to Col. Shubel thanking him for his gift and for his interest in the matter.

Carried.

REPORTS OF COMMITTEES.

The Committee on Buildings to whom was referred the Sexton residence begs leave to report as follows:

That a survey has been made of the Sexton residence, 1248 Mt. Hope ave., and that for safety of occupants and the benefit of the building itself that certain alterations be made and that the City Forester be instructed to prepare plans and estimates for such alterations.

Signed:

COMMISSIONER BISHOP,
COMMISSIONER JOHNS,
COMMISSIONER WOODWORTH,
Committee on Buildings.

By Com. Woodworth—

That the report of the committee be adopted and the Building Committee make the necessary repairs and alterations to the house occupied by the sexton.

The Committee on Recreation to whom was referred the baseball schedule begs leave to report as follows:

That it is our opinion that a permit be issued for every schedule ball game at Sycamore Park and a fee of \$1.00 be charged for such permit. No fee will be charged to children or minor games.

Signed:

E. B. JOHNS,
Chairman,

Committee on Recreation.

By Com. Johns—

That the report of the committee be adopted,
Carried.

By Com.—

That the following letter be sent to the city council by the City Forester:

To the Mayor and City Council:
Gentlemen:

At the death of J. H. Moores a number of lots were turned over to the city of Lansing to be sold and the proceeds to be used to make certain improvements at Moores and Frances parks. This special bequest was made late in the will with additional bequests.

The lots above mentioned were deeded to the city of Lansing, and now, according to the provisions of the city charter, they cannot be sold without a vote of the people of the city of Lansing.

We believe it very necessary that such arrangements be made, and that this proposition be put to the people at the next regular or special election.

The list of lots are on record in our files and we would be pleased to furnish the city attorney with this list at your request.

Sincerely,

BOARD OF PARK AND
CEMETERY COMMISSIONERS.

By H. L. Baneroff,
City Forester.

Referred to city attorney.
Board adjourned.

BERTHA RAY,
City Clerk.

REPORTS OF CITY OFFICERS.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen—I herewith report that on June 12th I sold in Detroit to Bishop, Holmes, Hammond & Jackson sixty-eight hogs, weight 17,200 lbs, at \$7.25 per hundred and received a check for \$1,181.64 which was credited to garbage disposal.

17,200 lbs. @ \$7.25	\$1,247.00
Feed and yardage	\$13.76
Freight	37.40
Commission	14.00
Insurance	.20
	65.36
	<u>\$1,181.64</u>

Respectfully,

GEO. A. CANFIELD,

Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen—We have been planning to pave Hillsdale street from Grand avenue to Pine street thirty feet wide, because it is not a major street and because of the limited amount of money available for pav-

ing. Many property owners on the street have stated verbally, that they want the street paved thirty-six feet wide, the same as St. Joseph street from Washington to Pine street.

We should be constructing curb and gutter in this street this week so an early decision as to width should be made.

Respectfully,

O. E. ECKERT,

City Engineer.

Received and placed on file.

APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewers in Weldon avenue from Moores River Drive to Edward street, in Henry, Alsdorf, Hammond and Edward streets, from Birch street to Weldon avenue, and in Barnes avenue, George street and Goodrich street, and from present sewer west to Weldon avenue.

No objections being filed the same was considered satisfactory to parties interested.

REFERRED TO THE COMMITTEE
ON SEWERS

MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. DeCamp—

Resolved by the City Council of the City of Lansing:

That the issuing of a public driver's license to C. M. Norris and W. H. Kennedy be approved.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—13.

Nays—None.

By Ald. Howe—

That the Park and Cemetery Board be and is hereby authorized to take over the 24 acres lying north of the state property and east of Bancroft Park to complete the layout of a Municipal Golf Course of 18 holes as requested in their resolution to the council dated June 13, 1924. It is stipulated, however, that such funds as shall be necessary to complete this deal shall be taken from the fund set up by the council for golf course and shall not aggregate over \$6,000.

Whereas, This council did heretofore to-wit: on the 18th day of June, 1923, by resolution unanimously adopted declare it to be a public necessity and a necessary public improvement and need for the safety of the inhabitants of the city of Lansing that the paving of streets in said city be extended and that considerable amount of the present paving needs repairing, and that an estimated indebtedness of \$350,000 will be incurred in the construction and building of said pavements and repair thereof; and

Whereas, This council heretofore to-wit: on the 27th day of July, 1923, at a special election duly and legally called, did submit the question of the said construction of said pavement and repair of the present pavement, as stated in the resolution theretofore, by it passed, and the issuance of the bonds of the city of Lansing in the sum of \$350,000 for the purpose of defraying the expenses of the construction of said pavement and the repair of the present pavement, to a vote of the qualified electors of the city of Lansing; and

Whereas, The qualified electors of the city of Lansing, by a three-fifths vote of those voting thereon, at the election held in said city on the 27th day of July, 1923, determined and approved the issuance of the bonds of the said city in the sum of \$350,000, for the purpose of building and constructing such pavement in the city of Lansing and for the repair of the present pavement, and that such bonds should be issued as proposed in said resolution;

Whereas, The city of Lansing did on the 5th day of November, 1923, pass a certain resolution based upon the above and foregoing statements; and

Whereas, By the terms of said resolution the amount of \$350,000 of paving bonds was voted to be issued, the terms and conditions of which were set forth in said resolution; and

Whereas, But \$100,000 of said bonds were printed and sold, leaving a balance of \$250,000 voted and authorized, therefore be it

Resolved, That the City Comptrol-

ler of the city of Lansing be and is hereby directed to advertise for bids for the sale of the remaining \$250,000 of said bonds; said bids to be received up to June 30, 1924, at 8 o'clock p. m.; be it further

Resolved, That all proceedings in relation to the issuing of said bonds be carried out in conformity with the resolution passed by this council on the said 5th day of November, 1923; the said resolution of that date being hereby considered a part of this resolution.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—13.

CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

That it is the intention of said council to construct 125 feet of 8-inch sewer in Parker street from Parkview street to 125 ft. north, and that the plat and diagram thereof made and returned by the City Engineer be received and placed on file in the office of the City Engineer where the same may be found for examination.

Further that the City Council meet at the City Council rooms on Monday, the 23rd day of June, 1924, at 7:30 p. m. to consider any sug-

gestions and objections that may be made by parties interested with respect to said sewer, and that the City Clerk publish a notice thereof in accordance with section 275 of Chapter 18 of the charter.

The property deemed to be especially benefited by this improvement is described as follows: Commencing at the intersection of the S. Line of Parkview street and the W. line of Parker street, N. 149 ft., W. 100 ft., S. 149 ft., thence E. 100 ft., to beginning, excepting from above described property all streets and public alleys and lands not benefited by this improvement.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 4,165 feet of sewer in the Weldon avenue sewer system of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 19th day of May, A. D. 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further resolved, That the portion of the city deemed to be especially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 9th day of June, A. D. 1924, excepting from said described district all public streets and alleys.

That the estimated expense of

such improvement is \$7,200.00, of which one-sixth or \$1,200.00, shall be paid from the general sewer fund and the remainder or \$6,000.00, shall be defrayed by special assessment upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—13.

**OFFICIAL PROCEEDINGS
OF THE
CEMETERY AND PUBLIC PARK
COMMISSION
OF THE
CITY OF LANSING
PROCEEDINGS JUNE 13, 1924**

Lansing, Michigan, June 13, 1924.

Board met in special session and was called to order by the president, Com. Poxson.

ROLL CALL.

Present—Com. Beck, Bishop, Gibbs, Poxson, Sanders, Woodworth.

Absent—Com. Johns, Johnson.—2.
June 13, 1924.

By Committee on Finance and the Committee on Recreation:

That inasmuch as it will be necessary to acquire the property lying north of the present golf course and east of Jancroft Park to complete our program mapped out last fall and inasmuch as the 12 acres lying just north of the golf course is essential to the proper development of said course and inasmuch as a price has been fixed on which is very acceptable to this committee, therefore it is the unanimous wish of the committee that Board address

the council for authority to make such arrangements through the city attorney to take over said 12 acres and that the Board be authorized to draw an order on their funds appropriated for a golf course for this purpose.

It is further recommended that a lease be taken of the 12 acres lying north of the above mentioned property said lease being offered to the city free of all expense except the payment of taxes while used by the city for recreation purposes.

CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Templeton—

It is the opinion of the City Council of the City of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in West street from Isaac street to Belt Line R. R., as petitioned for, is desirable, therefore, be it resolved:

That the City Engineer be and hereby is instructed to prepare plans for constructing a sewer in said street above mentioned, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Vandervoort.—15.

Nays—None.

PUBLIC IMPROVEMENT, II.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the City Engineer in pursuance of the resolution of this council adopted Dec. 3, 1923, for paving and repaving Shiawassee street, from Washington avenue to Grand River, are hereby adopted.

That the portion of city deemed to be specially benefited by such

improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Shiawassee street within the east line of Washington avenue, and the west line of Grand River, and extending back from said Shiawassee street a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land therein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$14,000.00.

That 50 per cent of said estimated expense, to wit, the sum of \$7,000.00, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to wit, \$7,000.00, shall be paid by the city out of the Contingent Fund.

That the City Assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the City Council within two weeks of the passage of this resolution.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Vandervoort.—15.

Nays—None.

CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

That it is the intention of said Council to construct 200 feet of 10-inch sewer in Michigan avenue from Hayford street to E. 200 ft., and that the plat and diagram thereof made and returned by the City Engineer be received and placed on file in the office of the City Engineer where the same may be found for examination.

Further that the City Council meet at the City Council rooms on Monday, the 30th day of June, 1924, at 8:00 p. m., to consider any suggestions and objections that may be

made by parties interested with respect to said sewer, and that the City Clerk publish a notice thereof in accordance with section 275 of Chapter 18 of the Charter.

The property deemed to be especially benefited by this improvement is lots 477 to 480 incl., Leslie Park Sub., and the N. 89 ft. of the W. 44 ft. of lots 1 and 2, Snyder Park Sub., excepting from above described property all streets and public alleys and lands not benefited by this improvement.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—15.

Nays—None.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 125 feet of sewer in Parker street from Parkview, N. 125 ft., in the city of Lansing, having been duly given as required by the charter of said city, and the said City Council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 16th day of June, A. D. 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 16th day of June, A. D. 1924, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$276.00, of which one-sixth or \$46.00, shall be paid from the general sewer fund

and the remainder or \$230.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Vandervoort.—15.

Nays—None.

ORDINANCES.

The following ordinance was introduced by Alderman Avery, read a first and second time by the title, and referred to the committee on ordinances:

An ordinance to amend section two of ordinance number seventy-five of the ordinances of the city of Lansing, according to the compilation of January, 1918, as amended May 5th 1919, entitled "An ordinance to regulate hawking, peddling and street vending and to prohibit persons from hawking, peddling or vending goods, wares, merchandise, drugs, fruits or vegetables within the limits of the city without a license."

The City of Lansing Ordains:

Section 1. That section 2 of ordinance number 75 of the ordinances of the city of Lansing, according to the compilation of January, 1918, as amended May 5th, 1919, entitled "An ordinance to regulate hawking, peddling or vending goods, wares, merchandise, drugs, fruits or vegetables within the limits of the city without a license," is hereby amended to read as follows:

Section 2. Any person may obtain a license to engage in the business of hawking, peddling or vending within the city limits by filing with the city clerk a surety company bond in the amount of \$500.00 to be approved by the city council, and paying therefor a yearly license except where herein otherwise provided. Provided, that all licenses shall expire on the first Monday in May of each year. Licenses to

be as follows:

Hawking or peddling by soliciting trade from place to place on foot, yearly license, \$15.00.

Hawking or peddling by soliciting trade from place to place with a wagon drawn by one or two animals, yearly license, \$20.00.

Vending merchandise, wares or other goods on the street or other public places by crying out or offering for sale, yearly license, \$25.00.

Canvassing from place to place and taking orders for the sale of goods, wares or merchandise, by samples, \$2.00 per day or part thereof, yearly license, \$20.00.

Sub-selling fruits, vegetables or farm produce from a cart, wagon, truck or other means of conveyance, yearly license \$10.00 for each cart, wagon, truck or other conveyance so used. Provided, however, that when more than one person accompanies or sells from such cart, wagon, truck or other conveyance an additional fee of \$5.00 per year, for each person accompanying or selling from such cart, wagon, truck or other conveyance shall be charged and collected.

REPORTS OF CITY OFFICERS.

The reports of the Gas Inspector for the weeks ending June 21 and 28, 1924, were received and placed on file.

To the Honorable Mayor and City Council,
Lansing, Mich.

Gentlemen: The McPherson Real Estate Company, acting through the Standard Real Estate Company, have had us install at their expense a complete system of boulevard lights in Heatherwood Subdivision No. 2, in accordance with our standard practice governing such installations. This installation covers twenty-one lights and is now completed, ready for turning on electricity.

We have informed the people living in this subdivision that the lights cannot be turned on until authorized by the City Council. Will you, therefore, please take necessary action at your earliest convenience.

Yours very truly,

BOARD OF WATER AND
EL. LIGHT COMM'RS.
Oscar E. Bulkeley,
Superintendent.

Laid on table one week.

To the Honorable Mayor and City Council,
Lansing, Mich.

Gentlemen:

The time has arrived for making the annual audit of our books as has been the custom of this Board each year. We would like to have the council name the auditors.

Yours very truly,

BOARD OF WATER & EL.
LIGHT COMM'RS.
Otto Ziegler,
President.

Referred to Committee on Auditing.

Gentlemen of the City Council:

In compliance with the resolution passed by your honorable body on May 19th, 1924, I beg to inform you that the City Clerk and myself have carried out the terms and condi-

tions of said resolution as required; said resolution being an acceptance from the Reo Motor Car Company of a contract for property known as the Reo Baseball Grounds of the city, and the consideration of which was Twelve Thousand (\$12,000) Dollars, and Two Thousand (\$2,000) Dollars of which we have paid, leaving a balance of Ten Thousand (\$10,000) Dollars, to be paid on or before June 1st, 1925.

I recommend that the same be placed in the Budget for 1925.

That the contract has been duly executed and filed with the City Clerk.

Abstract and deed have been approved by the City Attorney.

Yours very truly,

A. H. DOUGHTY,

Mayor.

Received and placed on file.

June 30th, 1924.
To the Gentlemen of the Council.

The Jerome-Shaefer Company handed in their report covering the cash shortage of the City Water and Electric Light Department at noon today, and I have placed same on file in the office of the City Clerk.

It is my understanding that as soon as Judge Collingwood returns from Detroit the Grand Jury investigation, which has been held in temporary abeyance awaiting this final report, will be resumed and this matter brought to a final disposition.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I present herewith estimated cost, specifications and plans for new steel superstructure and repairs to substructure of River Street bridge. Estimated cost \$45,000.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Michigan avenue from Hayford avenue east 300 feet.

No objections being filed the same was considered satisfactory to parties interested.

Yours very truly,
ALFRED H. DOUGHTY,
Mayor.

Received and placed on file.

To the Honorable Mayor and City Council,
Lansing, Mich.

Gentlemen: The McPherson Real Estate Company, acting through the Standard Real Estate Company, have had us install at their expense a complete system of boulevard lights in Heatherwood Subdivision No. 2, in accordance with our standard practice governing such installations. This installation covers twenty-one lights and is now completed, ready for turning on electricity.

We have informed the people living in this subdivision that the lights cannot be turned on until authorized by the City Council. Will you, therefore, please take necessary action at your earliest convenience?

Yours very truly,
BOARD OF WATER AND
EL. LIGHT COMM'RS.
Oscar E. Bulkeley,
Superintendent.

Referred to Committee on Public Lighting.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending July 12, 1924, was received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith report that on July 10, I sold in Detroit to Bishop, Holmes, Hammond & Jackson, 66 hogs, weight 17,270 lbs. at \$7.75 per hundred and received a check for \$1,273.30, which was credited to garbage disposal.

17,270 lbs. @ \$7.75	\$1,338.42
Feed and yardage	\$13.52
Freight	37.40
Insurance20
Commission	14.00
	<hr/> 65.12
	\$1,273.30

Respectfully,

GEO. A. CANFIELD,
Supt.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I submit herewith plans and specifications and estimated cost for widening the paving on Saginaw street from Logan street to the west city limits:

Total estimated cost	\$23,050.80
Cost of intersections	5,126.20
20% of balance	3,584.92
To be assessed	14,339.68

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

The concrete paving in the alley north of Michigan avenue between Cedar and Larch streets is so badly broken up that repairing the same would cost almost as much as a re-paving job. I respectfully ask for instructions from your honorable body regarding this work.

Respectfully submitted,

O. E. ECKERT,
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

During the latter part of 1923 the Edington Rug Co. built a store at South Washington avenue. They planned on draining their basement into a proposed sewer which would have been necessary to install in advance of paving Washington avenue. Because of the failure of the bond issue this spring, the Edington Rug Co. is unable to make full use of their basement because the present sewer in the street is inadequate in size and not deep enough. The rug company has had this matter up with our office several times and I promised them to call it to the attention of the city council.

Respectfully,

O. E. ECKERT,
City Engineer.

Referred to the Committee on Sewers.

OPENING OF BIDS.

The following bids were received for sewers in Weldon avenue, Moores River Drive to Edward street, in Henry and Alsdorf streets from Weldon to Birch street, in Hammond and Edward streets from Birch street one block west, in

Barnes, George and Goodrich streets
from existing sewer to Weldon ave-
nue:

Bid of John Bray.
Bid of E. J. Dennis.
Bid of Ed Caldo.
Bid of E. J. Noyce.

Referred to the Committee on
Sewers.

By Ald. Howe—

Whereas, In 1923, \$15,000.00 was
placed in the budget to meet the
expense of covering the brick pave-
ments on Saginaw and Main streets
with asphalt, and

Whereas, The \$7,500.00 appropri-
ated for Main street, not being used,
was automatically transferred to
the Capital Surplus Fund, and

Whereas, This money is available
for paving wherever it is deemed
advisable, in the judgment of this
City Council, now

Therefore, Be It Resolved, By the
City Council of the City of Lansing
that the City Engineer be and he
is hereby directed to complete the
paving on Saginaw street from
Logan street to the West City Lim-
its and charge the expense to the
Capital Surplus Fund.

Laid on table one week.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of
the City of Lansing:

Whereas, Notice to taxpayers and
persons interested in the construc-
tion of 200 feet of sewer in Mich-
igan avenue from Hayford street
east, in the —? sewer and drain
district of the City of Lansing, hav-
ing been duly given as required
by the charter of said city, and the
said City Council after hearing
divers suggestions and objections
by such persons so interested, at
the time and place provided in such
notice to the plans and necessity of
such improvement, and after due
consideration it is hereby deter-
mined by said City Council that
such sewer is a necessary pub-
lic improvement; and it is deter-
mined by such City Council to con-
struct the same as originally set
forth in a resolution adopted by
such City Council on the 16th day
of June, A. D. 1924, together with
necessary manholes, catch basins
and laterals therefrom.

And that the plat and diagram
as returned by the City Engineer

be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 23rd day of June, A. D. 1924, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$480.00, of which one-sixth or \$80.00, shall be paid from the general sewer fund and the remainder, or \$400.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:
Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—15.
Nays—None.

SIDEWALK RESOLUTION.

By Ald. Dymond—

Resolved by the City Council of the City of Lansing:

That it is a necessary public improvement and it is hereby determined that a new artificial stone sidewalk five feet wide shall be built in front of lot 7, Hollywood Subdivision, on the west side of Donora street, owned by John Murray.

Also in front of lots 11, 14, 15, Hollywood Subdivision, on the west side of Donora street, owned by F. W. McKim.

Also in front of lots 12 and 13, Hollywood Subdivision, on the west side of Donora street, owned by Geo. Patchette.

Also in front of lots 74 and 75,

Hollywood Subdivision, on the west side of Donora street, owned by F. W. McKim.

Also in front of lot 76, Hollywood Subdivision, on the west side of Donora street, owned by Edward Foust.

Nays—None.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

Whereas, The city did on September 10th, 1923, grant the Lansing Theater Company permission to use the parkway and four feet of the street at Capitol avenue and Allegan street, for storing building materials; and

Whereas, It was generally understood that the same would remain there but for a short time, at least not longer than was reasonably necessary for the construction of the building on adjacent lot; and

Whereas, The said street has been obstructed now for a period of about one year, and from appearances will be much longer unless some steps be taken to cause such obstruction to be removed;

Therefore, Be It Resolved, That the City Clerk cause notice to be served upon the Lansing Theater Company, that the same be removed on or before August 1st, 1924;

Be It Further Resolved, That if the same is not removed by said date that the Superintendent of Public Works be and he is hereby instructed to remove the same, and to remove the said obstructions in

the street and in the parkway and to take the necessary steps for filling in and repairing of sidewalks.

Be It Further Resolved, That immediate cost of the same be paid from the Contingent Fund and that the Assessors be and are hereby instructed and directed to assess the same against the adjacent property known as the Lansing Theater Company, and that the Contingent Fund be reimbursed when the amount assessed is collected.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—15.

Nays—None.

MOTIONS, RESOLUTIONS, AND NOTICES.

By Ald. DeCamp—

Resolved by the City Council of

the City of Lansing:

That the foregoing claims be allowed and that the City Clerk be and she is hereby directed to draw orders on the City Treasurer for the amounts indicated.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Fowler, Kircher, Klock, McComb, McKale, Phillips, Templeton, Traeger, Troyer, Vandervoort.—12.

Nays—None.

By Ald. McKale—

Whereas, Death, the grim reaper, has entered the portals of our City Government and taken from us, without warning, an honorable and esteemed citizen and member of our City Council, E. S. Avery, and

Whereas, Alderman E. S. Avery has always been recognized as one of the leading and esteemed citizens of this city and during the time he has been discharging duties as alderman he has been recognized as one of the most capable, energetic and painstaking of city officials and by reason of his untimely death the city has lost an efficient officer and esteemed citizen;

Therefore, Be It Resolved, That in honor of his memory and in respect to his past deeds and undertakings, to show an appreciation of his worthiness, that this body, the City Council adjourn, without date and that the Mayor and City Council attend the funeral in a body, on July 22nd, and that the flags of the city be and remain at half mast until after the funeral services and that all of the offices in the city hall be closed at noon and remain closed during the remainder of the day and that desk in the Council Chambers, occupied by the late Alderman E. S. Avery, be and remain properly decorated in commemoration of our esteem of him for a period of ten days.

Mayor and City Council, of the city Be It Further Resolved, That the of Lansing, do hereby extend a sincere and heartfelt sympathy to the bereaved family of the late Honorable E. S. Avery, whose death so apparently untimely and sudden has cast a shroud of sorrow and gloom over the entire city.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Fowler, Kircher, Klock, McComb, McKale, Phillips, Templeton, Traeger, Troyer, Vandervoort.—12.

Nays—None.

Council adjourned:

BERTHA RAY,

City Clerk.

REPORTS OF COMMITTEES.

The committee appointed to secure an assistant for the Building and Plumbing Inspector reported that they had made a request of the city council for an appropriation for an assistant. That the matter was referred to a special committee and that the committee reported that inasmuch as the budget had been adopted for the year that they could not recommend the additional help until next year.

The committee appointed to arrange for improving and beautifying the Lansing City Hospital grounds reported that the matter had been turned over to the City Forester who would make the necessary arrangements.

Member Troyer, chairman of the committee on child welfare, reported that the County Board intended to construct a children's ward at the Ingham County Tuberculosis Sanitarium, and a discussion was had on the advisability of the city co-operating with them. Child welfare work in general was discussed, the efficacy of open air schools, fresh air camps, work in the home along educational lines and other means of promoting physical fitness in children that are not in desirable physical condition. It was decided that the child welfare committee consider every means and plan for work to promote the welfare of the children.

The committee on auditing reported bills covering expenses of

By Ald. Howe:

Whereas, In 1923, \$15,000.00 was placed in the budget to meet the expense of covering the brick pavements on Saginaw and Main streets, with asphalt, and

Whereas, The \$7,500.00 appropriated for Main street, not being used, was automatically transferred to the Capital Surplus Fund, and

Whereas, This money is available for paying wherever it is deemed advisable, in the judgment of this City Council, now

Therefore, Be It Resolved, By the City Council of the City of Lansing that the City Engineer be and he is hereby directed to complete the paving on Saginaw street from Logan street to the West City Limits and charge the expense to the Capital Surplus Fund.

Laid on the table.

By Ald. Troyer—

Whereas, The State of Michigan has made an appropriation to build an armory for the housing of its several detachments of Military, here in the City of Lansing, and,

Whereas, It has been determined by the bids that have been received for the building of the same that the appropriation is about \$30,000.00 short of the necessary amount to complete the same; and,

Whereas, When the same is built here in Lansing it will be a great improvement and addition to the city generally, and by reason of the same many people will visit the city and a large amount of money will be expended here by outsiders, besides the amount paid out by the state to the several officers and employees connected with the same; and,

Whereas, The building when completed and furnished will represent approximately, an investment of \$250,000.00, and that the building of the same will furnish employment to many citizens of the city; and,

Whereas, By Act No. 69 of Public Acts of Michigan, 1917, authority is given to cities and other municipalities to make appropriations for the purpose of erecting armories throughout the state; therefore, be it,

Resolved, That the City Council by virtue of the powers vested in it, does hereby appropriate and contribute to the Military Board of the State of Michigan, for the purpose of assisting and aiding in the building of the said armory the sum of \$30,000.00 (Thirty Thousand Dollars).

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Leonard, McComb, Templeton, Trager, Troyer, Vandervoort—12.

Nays—Ald. McKale, Phillips.—2.

By Ald. Troyer—

That the vote adopting the following committee report, dated October 15, 1923, be rescinded:

The Committee on Streets to whom was referred the petition to close the 14-ft. blind alley running from Hess avenue east to the west boundary line of Moores Park, the 14-ft. strip mentioned to revert equally to the abutting property owners, begs leave to report as follows:

We recommend that the request be granted.

A. H. PHILLIPS,

O. C. HOWE,

F. S. VANDERVOORT,
Committee on Streets.

Nays—None.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the City Engineer in pursuance of the resolution of this Council adopted June 11, 1923, for paving Moores River Drive from Moores Park to Logan street, are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Moores River Drive within the east line of Logan and the south line of Moores River Drive, and extending back from said Moores River Drive a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$28,049.00.

That the expense of such improvement in public street and alley intersections is \$6,173.40, which shall be paid by the city out of the contingent fund.

That 80 per cent of the remainder of said estimated expense, to wit, the sum of \$17,500.48, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to wit, \$4,375.12, shall be paid by the city out of the contingent fund.

That the City Assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the City Council within two weeks of the passage of this resolution.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Trager, Troyer, Vandervoort.—14.

Nays—None.

The clerk reported that the following agreement had been executed as authorized by the city council, and recorded with the register of deeds at Mason:

This agreement, made and entered into this 25th day of July, A. D. 1924, between Harry E. Moore, of Lansing, Michigan, party of the first part, and the City of Lansing, a municipal corporation of Michigan, through its Board of Cemetery and Park Commissioners, party of the second part:

Witnesseth the said party of the first part, is the owner of the following described property, to-wit:

Commencing at a point 36 rods south of the N. E. corner of section 10, T. 4, N. R. 2 W., thence W. 80 rods, thence south 24 rods, thence east 80 rods, thence north 24 rods, to point of beginning, being twelve (12) acres of land, Lansing township, Ingham county, Michigan.

Whereas, the said party of the second part desires to obtain the same for municipal purposes and

more particularly for a golf course in connection with the property it now owns south of the same.

Therefore, this agreement, the said party of the first part does hereby let and lease to the party of the second part, the said property above described, for a period of ten (10) years, from and after the date hereof to be used by the said party of the second part for municipal purposes; consideration of the same being that the said party of the second part shall pay all taxes of every name and nature that shall or may be hereafter assessed against said property during the continuance of this lease, and at the termination of said lease the said property to be turned over to the party of the first part, in as good condition as now; provided, however, that the said party of the second part does not exercise the option hereinafter set forth.

The said party of the first part does hereby grant unto said party of the second part the right and privilege to purchase the said described property at any time during the life of this lease, for the sum of \$1,000.00 (one thousand) dollars per acre, and the said party of the second part does hereby have an option of purchase of said property for said price during said period.

In witness whereof, parties hereto have set their hands and seals, the day of the year first above written.

Witnessed by:

MAX A. TEMPLETON,

H. LEE BANCROFT.

HARRY E. MOORE,

Party of the First Part.

City of Lansing party of the second part. Its

Board of Cemetery and Park Commissioners.

C. F. FOXSON,

President.

BERTHA RAY,

Secretary.

The Clerk reported that the following lease with the State of Michigan had been executed as authorized by the city council and recorded with the register of deeds at Mason:

KNOW ALL MEN BY THESE PRESENTS: That the State Corrections Commission, by Hugh H. Hart, Chairman, and J. C. Quinlan, Secretary, thereunto duly authorized, acting for and in behalf of the State of Michigan, party of the first part, hereby leases to the City of Lansing, a municipal corporation hereinafter referred to as party of

the second part, the perpetual right to occupy and use the lands and premises hereinafter described, situate and being in the Township of Lansing, Ingham County, State of Michigan, known and described as follows, to-wit:

The east 1079 9-10 feet of the north 110 rods of the southeast 1-4 of Section 10, also east 80 rods of the south 1294 feet of the southeast 1-4 of Section 10, also the west 30 acres of that part of the southwest 1-4 of Section 11 lying north of Franklin Avenue, all in township 4 north of range 2 west, together with all and singular, the hereditaments and appurtenances thereunto belonging or in any way appertaining, on the following conditions and in accordance with a resolution of the State Administrative Board, heretofore adopted. That by said resolution the State Conservation Commission is made the agency to have the supervision of said lands from and after the date hereof in the place and stead of the State Corrections Commission, for and in behalf of the state.

It is understood and agreed that the lands and premises hereby leased to the said second party, shall be held, used and maintained only as a golf course, public park and recreation ground and for no other uses or purposes.

The second party shall have the right, if it so desires, to charge a reasonable fee for the use of the golf links, the amount of such fee to be agreed on between the officials of the said second party and the State Conservation Commission.

The second party shall improve the premises within a reasonable time hereafter and maintain the same for the purposes hereinbefore mentioned and shall keep the same open to the public without discrimination, except as herein provided.

The consideration for the lease by the first party to the second party of the lands and premises above mentioned is as follows: The second party shall hold, use, improve and maintain the same as a golf course, recreation ground and public park as hereinbefore mentioned. Should it at any time hereafter fail, neglect or refuse to improve and maintain the said premises for such purpose within the opinion of the said State Conservation Commission, then and in that case, the said Commission acting for and in behalf of the state may give to the said second party a written notice to perform the terms and conditions of this agreement within a reasonable time thereafter to be mentioned in said notice and should the said

second party thereupon and within the said reasonable time fail, neglect or refuse to comply with all the terms and conditions hereof and of said written notice, then the said Commission may declare this lease null and void and to take immediate possession of the said premises and the said second party remove and put out without being liable to it in any way for damages or otherwise.

IN WITNESS WHEREOF, the said party of the first part has caused this instrument to be signed by the chairman and secretary of the State Corrections Commission and the said party of the second part has caused the same to be signed by its mayor and clerk, thereunto duly au-

thorized on the 31st day of October, A. D. 1923.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending Aug. 9, 1924, was received and placed on file.

Lansing, Aug. 11, 1924.

Honorable Mayor and City Council:

Gentlemen:
Agreeable to your order I herewith submit the following special assessment roll, estimate cost.

Sewer in Jefferson street from Grand River to Pine street.

Respectfully,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:
Gentlemen:

Pursuant to an order from your honorable body I submit herewith the following special assessment rolls, estimated cost, for your approval:

Constructing 6,600 ft. of sewer in Middle and other streets; also paving St. Joseph street from Washington to Pine street; also paving Woodlawn avenue, from Washington to Moores River Drive.

Respectfully submitted,

HAROLD H. CAMPBELL,

City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing.

Gentlemen:

In accordance with your instructions, I herewith present plans, specifications and estimated cost for a sewer in Shiawassee street from Grand River to Cedar street.

Estimated cost\$10,400.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:
Gentlemen:

I herewith submit an estimated cost of a 12-inch sewer over the same route as the 36-inch trunk sewer in E. Michigan avenue from M. C. R. R. to Cedar street and in alley, block 245, and Plummer's court, from Cedar street to Grand River:

Estimated cost, 12-in. sewer \$8,748.07
City's one-sixth 1,458.01

Five-sixths estimated

cost, 12-in. sewer\$7,290.06
The property fronting on the trunk sewer where the sewer is buried at a depth sufficient to drain said property is: the south 100 ft. of block 243; south 94 ft., lot 7, block 244; the E. 76 ft. of south 100 ft. of block 245; and the north 100 ft. of the east 76 ft. of the south 220 ft. of block 245.

It was the intention to construct a 12-inch to 15-inch sewer on the south side of Michigan avenue from Larch street to M. C. R. R. as a part of the East Michigan avenue sewer system. The property fronting on this sewer on the south side of Michigan avenue from Larch street to M. C. R. R. is lots 1 to 19, incl., Connard's Sub. This 12-inch branch of the E. Michigan avenue sewer was not constructed due to the failure of the sewer and paving bond issues at the time it was to be constructed.

Also for sewer in Stanley street from Oakland avenue to Saginaw street and in Saginaw street from Stanley to Durant street:

Estimated cost\$2,400.00
Estimated cost 12-in. sewer over same route\$860.00
City's one-sixth 310.00

Five-sixths estimated cost,

12-in. sewer\$1,550.00
Sewer in Durant street-Oakland avenue, N. 600 ft.:
Estimated cost\$1,536.00
City's one-sixth 256.00

To be assessed\$1,280.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:
Gentlemen:

It has been called to my attention that Officer Edward Moelter, of the Police Department, has been sued for damages, growing out of his undertaking to hold and detain,

one, Bert R. Walters, for investigation, on April 26th, 1924.

It appears from the report of the officers who investigated this matter, and also from my personal investigation, that the facts in relation to the same, are substantially as follows:

"That on the night of April 26th, there had been a burglary in the city, that Officer Moelter and other officers who were on duty, were instructed to look out for suspicious characters; that owing to the conduct of said Bert Walters, the officer took him into custody and informed him what he was wanted for, and started with him to the Station for the purpose of investigation. That about in front of Knapp's store, Walters broke and ran, the officer called to him and he refused to stop, the officer fired his gun in the air and still he ran, the second time the shot struck him, and that by reason of the shot, the man was laid up for some time and has now sued Moelter for damages."

"I feel it to be the duty of the city to stand behind the officer in this undertaking and defend him to the end, and should it by any possible means judgment be secured against him to take care of the same. The officer was undertaking to discharge his duty and unquestionably was in a legal and honorable way."

Very respectfully,

D. G. F. WARNER,
City Attorney.

Referred to Committee on City Affairs.

APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewers in Stanley and Saginaw streets.

No objections being filed the same was considered satisfactory to parties interested.

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 825 feet of sewer in Stanley street from Oakland avenue to Saginaw street and in Saginaw street from Stanley street to Durant, in the 48th sewer and drain district of the City of Lansing, having been duly given as required by the charter of said city, and the said City Council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 4th day of August, A. D. 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further Resolved, That the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 4th day of August, A. D. 1924, excepting from said described district all public streets and alleys.

That the estimated expense of 12-inch sewer over the same route is \$1,860.00, of which one-sixth or \$310.00, shall be paid from the general sewer fund and the remainder or \$1,550.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon

the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending August 18, 1924, was received and placed on file.

Gentlemen of the Council:

Congress in 1920 passed an act providing for "National Defense Policy," and since that time citizens have been trained to fill positions as officers in the citizen army, and September 12th has been designated as "National Defense Test Day."

It is the desire that on this same day that the public will participate in patriotic demonstration, and in compliance with the request from the State Central Committee, I have appointed the following citizens as members of the local committee, and have called a committee meeting to be held in the Council Chamber, August 22, at 7 p. m.

Yours very truly,

ALFRED H. DOUGHTY,
Mayor.

ORDINANCES.

By Ald. Fowler—

That the Council resolve into a committee of the whole to consider ordinances.

Carried.

The Mayor called Ald. DeCamp to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled:

"An ordinance to amend section two of ordinance number seventy-five of the ordinances of the city of Lansing, according to the compilation of January, 1918, as amended May 5th, 1919, entitled 'An ordinance to regulate hawking, peddling and street vending and to prohibit persons from hawking, peddling or vending goods, wares, merchandise, drugs, fruits or vegetables within the limits of the city without a license,' and would recommend that the ordinance be passed as amended.

Council then resumed regular session.

By Ald. Fowler—

That Council Rule No. 23 be suspended and that the ordinance under consideration be now read a

third time.

Adopted by the following vote:

An ordinance to amend section two of ordinance number seventy-five of the ordinances of the city of Lansing, according to the compilation of January, 1918, as amended May 5th, 1919, entitled "An Ordinance to regulate hawking, peddling and street vending and to prohibit persons from hawking, peddling or vending goods, wares, merchandise, drugs, fruits or vegetables within the limits of the city without a license."

The City of Lansing Ordains:

Section 1. That section 2 of ordinance number 75 of the ordinances of the city of Lansing, according to the compilation of January, 1918 as amended May 5th, 1919, entitled "An ordinance to regulate hawking, peddling or vending goods, wares,

merchandise, drugs, fruits or vegetables within the limits of the city without a license," is hereby amended to read as follows:

Section 2. Any person may obtain a license to engage in the business of hawking, peddling or vending within the city limits by doing with the city clerk a surety company bond in the amount of \$500.00 to be approved by the city council, and paying therefor a yearly license except where herein otherwise provided. Provided, that all licenses shall expire on the first Monday in May of each year. Licenses to be as follows:

Hawking or peddling by soliciting trade from place to place on foot, yearly license, \$15.00.

Hawking or peddling by soliciting trade from place to place with a wagon or vehicle drawn by one or two animals, propelled or driven by motive power or otherwise, yearly license, \$20.00.

Vending merchandise, wares or other goods on the street or other public places by crying out or offering for sale, yearly license, \$25.00.

Canvassing from place to place and taking orders for the sale of goods, wares or merchandise, by samples, \$2.00 per day, or part thereof, yearly license, \$20.00.

Sub-selling fruits, vegetables or farm produce from a cart, wagon, truck or other means of conveyance, yearly license, \$10.00 for each cart, wagon, truck or other conveyance so used. Provided, however, that when more than one person accompanies or sells from such cart, wagon, truck or other conveyance an additional fee of \$5.00 per year, for each person accompanying or selling from such cart, wagon, truck or other conveyance shall be charged and collected.

By Ald. Fowler—

That the ordinance entitled:

"An ordinance to amend section two of ordinance number seventy-five of the ordinances of the city of Lansing, according to the compilation of January, 1918, as amended May 5th, 1919, entitled 'An ordinance to regulate hawking, peddling and street vending and to prohibit persons from hawking, peddling or vending goods, wares, merchandise, drugs, fruits, or vegetables within the limits of the city without a license,'" be passed.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, Phillips,

Templeton, Troyer.—12.

Nays—Ald. McKale.—1.

Geo. Allen, representative of the Trades and Labor Council, spoke to the Council relative to the employees of the Michigan Electric Railway and stated that he considered injustice had been done certain men.

By Ald. Dymond—

That the matter be referred to Committee on Transportation.
Carried.

Geo. A. Hawley, chairman of Oceana county board of supervisors, addressed the council.

REPORTS OF CITY OFFICERS

The report of the Gas Inspector for the week ending Aug. 23, 1924, was received and placed on file.

The City Treasurer's report for the month of June, 1924, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—

Pursuant to order from your Honorable Body, I submit herewith special rolls, estimated cost, for the following for your approval:

Paving Kalamazoo st. from Capitol ave. to Butler blvd.

Paving Moores River Drive from Moores Park to Logan st.

Respectfully submitted,

HAROLD H. CAMPBELL,
City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—

Referring to the communication of the Michigan Central Railroad Co., of date July 28th, 1924, with reference to the assessment for a sewer, half against Michigan Central Railroad and half against Pere Marquette Railroad; the original amount being \$284.60 against each of said Railroad Companies. In which proposition the Michigan Central Railroad offers to pay the sum of \$284.60, being the original assessment, and also reserving the same right to the Pere Marquette Railroad Co., the same being the assessment on lots 4, 5, 6, 7 and 8, Block 16, Turner's Subdivision;

Debs leave to report, that after investigating the same I would recommend that the city accept the said amount of \$284.60 from the Michigan Central Railroad Co., and the same amount from the Pere Marquette Railroad Co., in settlement of their tax in relation to the same.

Very respectfully,
D. G. F. WARNER,
City Attorney.

By Ald. Phillips—

That the report be accepted.

Resolved by the City Council of the City of Lansing:

That the City Clerk and City Comptroller be and hereby are directed to draw an order in the amount of twenty-four dollars (\$24.00) on the City Treasurer in favor of A. L. Avery, 1308 W. Main st. to cover an erroneous sewer connection assessment paid by him, and the same to be charged to uncollected taxes and abatement fund.

Adopted by the following vote:

Yeas: Ald. Clapham, DeCamp, Dy-
mond, Howe, Kircher, Leonard, Mc-
Comb, McKale, Phillips, Templeton,
Trager, Troyer—12.

Nays—None.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, the council did on May 2nd, 1922, direct the assessment roll for the construction of a Curb and Gutter in Mahlon st., to be corrected to actual cost; and,

Whereas, through an oversight said roll was corrected; and,

Whereas, it would be manifestly unfair to charge the abutting property owners with the penalty and interest on said roll to the present date:

Now, therefore, be it resolved that the City Treasurer be and he hereby is directed to refund any and all interest and penalty collected on said roll from the date of May 2nd, 1922.

Adopted by the following vote.

Yeas: Ald. Clapham, DeCamp, Dy-
mond, Howe, Kircher, Leonard, Mc-
Comb, McKale, Phillips, Templeton,
Trager, Troyer—12.

Nays—None.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, it appears from the different special tax rolls that have been spread in the City of Lansing

under and by virtue of the directions of the city council, that Edward H. Tischrock, has been loutly assessed for grading and graveling the streets abutting his property; which property is described as, the N 36 1-2 feet of lot 4, and the N 36 1-2 feet, East 26 feet lot 5, block 4, Gansley's Addition, City of Lansing.

And it further appears from the said tax roll that there is an error in the assessment of the same, and a double assessment upon a portion thereof, which is also evidenced by the receipt of the city treasurer dated August 6th, 1917, and a notice from the city treasurer of a tax for Grading and Graveling dated March 27th, 1924; and,

Whereas, it appears from the assessment by virtue of the notice of March 27th, 1924, that another assessment has been made upon said property, which is virtually a duplicate of the original, the latter being \$29.23, and whatever accrued penalties there may be have been attached thereto since said date.

Therefore, be it resolved that the said amount of \$29.23, including the city treasurer and that the same be charged to the contingent fund. Also that the original tax receipt for 1917 of the city treasurer of the City of Lansing, and the treasurer's notice of March 27th, 1924, as here to attached in support of the statements herein made.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer—12.

Nays—None.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, heretofore to-wit, in the year 1922 there was taxes assessed against the following property, to-wit: S 1-2 of Lot 10, Block C. Subdivision of Blocks 26 and 27 in the recorded plat of the City of Lansing, to C. M. White, the sum of \$42.44; and,

Whereas, said property so assessed, the taxes on the same, as appears from the tax roll in the office of the City Treasurer, was paid; and,

Whereas, the city treasurer of the City of Lansing, made and executed a receipt for the payment of said taxes as aforesaid and delivered the same to the owner thereof; and,

Whereas, it appears that the owner of said property sold the same and the purchaser thereof ascertained and determined from the records in the city treasurer's office, and the Secretary of the State of

Michigan, that the same had been paid; and,

Whereas, for reasons unknown the City Treasurer then declared the same had not been paid, and so indicated upon the books which he had, and gave him authority for the collection of taxes; and,

Whereas, the same is now in the hands of an innocent purchaser, a third person, and as the report of the City Treasurer now stands, the said tax of 1922 stands as a lien upon said property.

Therefore, be it resolved, by this council that they do hereby declare that the taxes for the year 1922 for the city taxes of that year, be and the same are hereby declared to have been paid, and that the same are free of and from all claims of taxes of said date for said year, and be it further,

Resolved, that the City Treasurer of the City of Lansing take such steps and measures as may be necessary to absolve the said property from any of such lien as may have been created by reason of the taxes of the City of Lansing for July, 1922.

Further, in support of the above resolution, the introducer hereby presents in consideration the duplicate receipt issued for the same.

Laid on table one week.

By Ald. Templeton—

Resolved, That the City Clerk be and she hereby is directed to advertise, as provided by law for sealed proposals for constructing a 12-inch sewer in Capitol avenue from Shiawassee street to Genesee street, in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 4:00 o'clock p. m., Tuesday, Sept. 2, 1924.

Each proposal to be accompanied with a certified check in the sum of ten dollars.

Right is hereby reserved to reject any or all bids.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer—12.

Nays—None.

By Ald. Leonard—

Resolved by the City Council of the City of Lansing:

That the City Clerk be authorized to draw orders in payment of Registration Boards for the number of hours submitted by the Aldermen for their respective wards, at 50 cents per hour.

Adopted by the following vote:

Nays—None.

CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Templeton—

It is the opinion of the City Council of the City of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in Capitol avenue from Shiawassee street north to lot 10, block 82, as petitioned for, is desirable, therefore, be It Resolved:

That the City Engineer be and hereby is instructed to prepare plans for a sewer in said street above mentioned in the 6th sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made; showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer.—12.
Nays—None.

CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

That it is the intention of said Council to construct 300 feet of 12-inch sewer in Capitol avenue from Shiawassee street to Genesee, and that the plat and diagram thereof made and returned by the City Engineer be received and placed on file in the office of the City Engineer where the same may be found for examination;

Further that the City Council meet at the City Council rooms on Tuesday, the 2nd day of September, 1924, at 8:00 p. m., to consider any suggestions and objections that may be made by parties interested with respect to said sewer, and that the City Clerk publish a notice thereof in accordance with section 275 of Chapter 18 of the Charter.

The property deemed to be especially benefited by this improvement is lots 9 and 10 and the W. ½ of lot 8, block 82, except from above described property all streets and public alleys and lands not benefited by this improvement.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer.—12.
Nays—None.

By Ald. McKale—

That when this Council adjourn it be to Tuesday, Sept. 2nd, 1924.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Howe, Kircher, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer.—12.
Nays—None.

REPORTS OF CITY OFFICERS.

Honorable Mayor and City Council:

The special fund that was included in this year's budget known as the Grade and Graveling Curb and Gutter Streets at the present time has total charges amounting to \$19,704.09, and as another pay roll would probably over-draw, thereby creating a shortage.

It was the intentions of the Council when this amount was used up to transfer the corresponding amount from Contingent and as Contingent Fund at various times this year has had many large charges against it I would advise that only \$10,000.00 be transferred at this time and the balance later in the year

I certify that \$10,000.00 is available for transfer at this time.

J. E. PRATT,

City Comptroller.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen:

In accordance with your instructions I herewith present plans, specifications and estimated cost for a sewer in Capitol avenue from Shiawassee street to Genesee street.

Est. cost\$1,034.40
City's one-sixth 172.40

To be assessed\$ 862.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

Honorable Mayor and City Council. Gentlemen:

Agreeable to your order, I herewith submit the following special roll estimate cost:

825 feet sewer in Stanley street from Oakland avenue to Saginaw street, and in Saginaw street from Stanley to Durant streets.

Respectfully submitted,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

OPENING OF BIDS.

The following bids were received for sewer in Capitol avenue from Shiawassee to Genesee streets:

Bid of W. D. Jenks\$790.00
Bid of John Bray 942.50
Bid of H. Nearing 705.00
Bid of Ed Dennis 962.50
Bid of Wm. Miller 686.25

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

That the bid of Wm. Miller for the sewer in Capitol avenue from Shiawassee street to Genesee street, for the sum of \$686.25, being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the Mayor and City Clerk be directed to execute a contract with the said Wm. By Ald. Trager—

Resolved by the City Council of the City of Lansing:

Whereas, the following described territory is listed on our Assessor's books and described by metes and bounds, the same occasioning much unnecessary labor and expense; now, therefore, be it,

Resolved, That the City Engineer is hereby instructed to make a plat of said district and record the same with the County Clerk and Auditor General's Department, as Assessor's Plat No. 3, City of Lansing, the following described district:

Bounded on the West by East line of Shepard street, on the north by north line of Section 22, and on the east by east line of Section 22,

and on the south by the north line of the Pere Marquette Railroad right-of-way.

All of said lots heretofore described by metes and bounds to be numbered consecutively commencing with No. 1. Aforesaid plat to be dedicated, in accordance with the law governing the dedication of plats.

Referred to Committee on Streets.
By Ald. Trager—

Resolved by the City Council of the City of Lansing:

Whereas, Steps have been taken, looking to the advisability of the various railroads entering the city of Lansing constructing a Union Passenger Station; and,

Whereas, The business men of Lansing have appointed a committee to confer with representatives of the various railroads; and,

Whereas, This council is interested in such a proposition; now, therefore, be it,

Resolved, That the Mayor appoint a committee of three aldermen to work in conjunction with the aforesaid committee, to bring about if possible early action in this matter.

Nays—None.

The Mayor appointed Ald. Trager, McComb and DeCamp as a committee.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, heretofore to-wit, in the year 1922 there were taxes assessed against the following property, to-wit: S. ½ of Lot 10, Block C. Sub-division of Blocks 26 and 27 in the recorded plat of the City of Lansing, to C. M. White, the sum of \$42.44; and,

Whereas, Said property so assessed, the taxes on the same, as appears from the tax roll in the office of the City Treasurer, was paid; and,

Whereas, The City Treasurer of the City of Lansing, made and executed a receipt for the payment of said taxes as aforesaid and delivered the same to the owner thereof; and,

Whereas, It appears that the owner of said property sold the same and the purchaser thereof ascertained and determined from the records in the City Treasurer's office, and the Secretary of the State of

Michigan, that the same had been paid; and,

Whereas, For reasons unknown the City Treasurer then declared the same had not been paid, and so indicated upon the books which he had, and gave him authority for the collection of taxes; and,

Whereas, The same is now in the hands of an innocent purchaser, a third person, and as the report of the City Treasurer now stands, the said tax of 1922 stands as a lien upon said property.

Therefore, Be It Resolved, By this council that they do hereby declare that the taxes for the year 1922 for the city taxes of that year, be and the same are hereby declared to have been paid, and that the same are free of and from all claims of taxes of said date for said year, and be it further,

Resolved, That the City Treasurer of the City of Lansing take such steps and measures as may be necessary to absolve the said property from any of such lien as may have been created by reason of the taxes of the City of Lansing for July, 1922.

Further, In support of the above resolution, the introducer hereby presents in consideration the duplicate receipt issued for the same.

Laid on the table one week.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, heretofore to-wit, in the year 1922 there were taxes assessed against the following property to-wit: S. ½ of Lot 10, Block C, Subdivision of Blocks 26 and 27 in the recorded plat of the City of Lansing, to C. M. White, the sum of \$42.44; and,

Whereas, said property so assessed, the taxes on the same, as appears from the tax roll in the office of the City Treasurer, was paid; and,

Whereas, The City Treasurer of the City of Lansing, made and executed a receipt for the payment of said taxes as aforesaid and delivered the same to the owner thereof; and,

Whereas, it appears that the owner of said property sold the same and the purchaser thereof ascertained and determined from the records in the City Treasurer's office, and the Secretary of the State of Michigan, that the same had been paid; and,

Whereas, For reasons unknown the City Treasurer then declared the same had not been paid, and so indicated upon the books which he had, and gave him authority for the collection of taxes; and;

Whereas, The same is now in the hands of an innocent purchaser, a third person, and as the report of the City Treasurer now stands, the said tax of 1922 stands as a lien upon said property.

Therefore, Be It Resolved By This Council, that they do hereby declare that the taxes for the year 1922 for the city taxes of that year, be and the same are hereby declared to have been paid, and that the same are free of and from all claims of taxes of said date for said year, and be it further,

Resolved, That the City Treasurer of the City of Lansing take such steps and measures as may be necessary to absolve the said property from any of such lien as may have been created by reason of the taxes of the City of Lansing for July, 1922.

Further, In support of the above resolution, the introducer hereby presents in consideration the duplicate receipt issued for the same.

Laid on table.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

The Special Committee which was appointed to get options for the opening of Oakland street from Jenison to Comfort streets, recommend at this time the purchase of Lot 46, Saginaw Park Sub. for the sum of \$500; the purchase to be made from Young Bros. Realty Company.

Signed:

ALD. A. H. LEONARD,
H. S. FOWLER,
W. H. MCKALE,
Special Committee

Laid on table one week.

The Committee to whom was referred the matter of widening the bridge over Pennsylvania Avenue at the Grand Trunk tracks, begs leave to report as follows:

Some time ago the Grand Trunk offered to put in steel for widening this crossing provided the city would build the foundations and supports for the steel. If one more span is added to the present steel which the railroad company is ready to replace, and if one of the recent abutments is left in place it would cost the city twelve thousand dollars to provide foundations. If a wider space under the tracks is desired just twice the amount of foundation work would be required involving twenty-four thousand dollars for the city.

Such things as future extension of the street railway tracks, whether Pennsylvania Avenue is to be a boulevard south of Main street, and other considerations are involved in making a decision. As soon as these are decided by the Council a definite proposition can be made to the railroad company. In the meantime the railroad company has steel on the ground for replacing the present bridge, which they expect to do in the very near future.

Respectfully,

ALFRED H. DOUGHTY
Mayor.

O. E. ECKERT,
City Engineer.

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending September 13, 1924, was received and placed on file.

The report of the City Treasurer for the month of July, 1924, was received and placed on file.

To the Honorable Mayor and City Council.
Gentlemen:

I herewith tender my resignation as Alderman from the 4th Ward to take effect, January 1st, 1925.

Very respectfully,

ARTHUR H. LEONARD

By Ald. Kircher—

That the resignation be accepted.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—15.

Nays—None.

To the Honorable Mayor and City Council.

Gentlemen:

Owing to the extremely large Primary Election Pay Roll (\$4,600.00) and the expenses of the registration, the Election Fund, at the present time is about \$2,000.00 overdrawn.

As we have the regular election in November to plan for and no money available in that fund, I would recommend that this communication be referred to the Ways and Means Committee for their solution.

Respectfully,

J. E. PRATT,

City Comptroller.

SEP-LY.

Referred to Committee on Ways and Means.

To the Honorable Mayor and City Council of the City of Lansing.
Gentlemen:

Before the pavement is constructed in Sheridan street, it will be necessary to construct a sewer in Sheridan street from Ballard street to Clark street.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Referred to the Committee on Sewers and 7th Ward Alderman

To the Honorable Mayor and City Council of the City of Lansing
Gentlemen:

In accordance with your instructions I herewith present plans, specifications and estimated cost for a sewer in Washington avenue from Lenawee street to Kalamazoo street.
Est. cost 12-in. sewer\$8,532.00

Estimated cost 12-in. sewer at a depth of eleven feet over the same route as the 42-in. sewer in Washington avenue from Lenawee street to Kalamazoo street.

Est. cost 12-in. sewer\$1,176.00
City's one-sixth 196 00

Five-sixths est. cost 12-in. sewer\$ 980.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

Lansing, Mich., Sept. 15, 1924.
To the Honorable Mayor and City Council.

Gentlemen:

Pursuant to order from your honorable body, I am submitting the following rolls for your approval:

Estimated Cost Rolls.

Paving Dakin street from Main to G. T. R. R.

Paving Lathrop street from Michigan avenue to Marcus street.

Jerome street sewer from Pennsylvania avenue to Fairview and other streets.

Respectfully submitted,

DAVID E. LORD,

City Assessor.

Received and placed on file.

Honorable Mayor and City Council.
Gentlemen:

I beg to call your attention to the urgent need of a sanitary sewer in Cawood street from Saginaw to Hyland, and in Comfort street from Oakland to Willow.

A large number of the lots abutting these streets are very small, which makes it impossible to locate surface toilets at a sufficient distance from the wells and houses to insure safety.

Yours very truly,

W. S. ROBBINS,

Sanitary Inspector.

Referred to Committee on Sewers.

By Ald. Templeton—
Resolved by the City Council of the City of Lansing:

Whereas, The Middle Street sewer has been completed for some time and the assessment was made upon the estimated cost of the same which was in excess of the actual cost, and is now shown by the assessment on the actual cost, there is a rebate upon said sewer assessed by the estimated cost the amount of \$4,123.07.

Therefore, Be It Resolved, That the City Treasurer be and is hereby directed to pay to the several people assessed for the Middle Street Sewer who paid their taxes for the same upon the estimated cost, amount due them by virtue of the difference between the estimated cost and the actual cost of the same; the total of which amount appears to be \$4,123.07, and the same to be charged to the Contingent Fund

Adopted by the following vote:
Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—15.
Nays—None.

Steckle, for the sum of \$600, to be paid to them upon the execution of a good and sufficient warranty deed of said property, and upon the approval of said deed by City Attorney; and.

Be it further resolved, That said amount of \$600 be taken from Contingent Fund, said fund to be reimbursed as soon as Assessing District has been made and property assessed.

The above resolution was placed on file for one week in office of City Clerk in accordance with Section 92 of City Charter.

By Ald. McComb—

Whereas, The city charter of the City of Lansing, which charter was adopted in 1912, fixed the salary of the Mayor of the said city at \$2,000.00 per year; and.

Whereas, By reason of the population of the city at said time, and the time and energy, as well as ability, that is expected of the Mayor, the same is no comparison to present conditions, especially in this, that a salary of \$2,000.00 in 1912 was practically equivalent of a salary of twice that amount at the present time; and.

Whereas, Our city has increased in population and extended its boundaries, and increased its wealth most unexpectedly since said time, until today, we are recognized as one of the leading cities of the United States; in cities of its class as to population and the duties and responsibilities of the Mayor, who is head of the governmental part of our city, has increased in proportion thereto; and.

Whereas, By virtue of the financial conditions that now exist, and existed at the time of the adoption of the charter, and the increased responsibilities and duties of the Mayor, together are at least four fold.

Therefore, Be It Resolved, That an amendment to the Charter of the City of Lansing, be submitted to the electors thereof at the regular election of said state and city, to be held on Nov. 4th, 1924; which resolution is, as follows:

By Ald. McComb—

Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifths vote of the members elect, propose that Section 127 of the charter of the city of Lansing be amended so that said section shall read as follows:

"The compensation of the Mayor shall be \$5,000.00 per year, and the compensation for each Alderman shall be \$400.00 per year."

Resolved Further, That such amendment when submitted shall be printed upon a ballot, which shall be prepared in substance in the following manner:

OFFICIAL BALLOT.

Shall Section 127 of the Charter of the City of Lansing be amended so that the same shall read as follows:

"The compensation of the Mayor shall be \$5,000.00 per year, and the compensation for each Alderman shall be \$400.00 per year."

YES () NO ()

Resolved Further, That each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved Further, That the votes cast upon said proposed amendment shall be counted, returned and canvassed in like manner as prescribed by the City Charter for general municipal elections;

Resolved Further, That the City Clerk be and she hereby is directed to give notice of the submission of said proposed charter amendment in accordance with the law relative to municipal elections, in the City of Lansing, and further that she cause a true copy of this resolution to be posted on the bulletin boards in said city as prescribed by the City Charter, and that such posting be at least thirty days prior to the day at which such charter amendment shall be voted upon as herein provided.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Kircher, Klock, Leonard, McComb, Phillips, Templeton, Troyer, Vandervoort.—12.

Nays—Ald. Howe, McKale, Troyer.—3.

By Ald Phillips—

Resolved by the City Council of the City of Lansing:

That it is a public necessity, and it is hereby determined to pave the alley in Block 6, running from Turner street to Center street, just north of Franklin avenue.

That the City Engineer be and

hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the City Council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Nays—Ald. Howe, McKale, Trager, Vandervoort.—15

Nays—None.

Referred to 7th Ward Aldermen

The following resolution was introduced Sept. 22nd and remained on file in the Clerk's office one week.

By Ald. McComb—

Whereas, The city charter of the City of Lansing, which charter was

adopted in 1912, fixed the salary of the Mayor of the said city at \$2,000.00 per year; and

Whereas, By reason of the population of the city at said time, and the time and energy as well as ability, that is expected of the Mayor, the same is no comparison to present conditions, especially in this, that a salary of \$2,000.00 in 1912 was practically equivalent of a salary of twice that amount at the present time; and.

Whereas, Our city has increased in population and extended its boundaries, and increased its wealth most unexpectedly since said time, until today we are recognized as one of the leading cities of the United States; in cities of its class as to population and the duties and responsibilities of the Mayor, who is head of the governmental part of our city, has increased in proportion thereto; and,

Whereas, By virtue of the financial conditions that now exist, and existed at the time of the adoption of the charter, and the increased responsibilities and duties of the Mayor, together are at least fourfold,

Therefore, Be It Resolved, That an amendment to the Charter of the City of Lansing, be submitted to the electors thereof at the regular election of said state and city, to be held on Nov. 4th, 1924, which resolution is as follows:

By Ald. McComb—

Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifths vote of the members elect, propose that Section 127 of the charter of the City of Lansing be amended so that said section shall read as follows:

"The compensation of the Mayor shall be \$5,000.00 per year, and the compensation for each Alderman shall be \$400.00 per year.

Resolved Further That such amendment when submitted shall be printed upon a ballot, which shall be prepared in substance in the following manner:

OFFICIAL BALLOT.

Shall Section 127 of the Charter of the City of Lansing be amended so that the same shall read as follows:

"The compensation of the Mayor shall be \$5,000.00 per year, and the compensation for each Alderman shall be \$400.00 per year"

YES ()

NO ()

Resolved Further, That each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved Further, That the votes cast upon said proposed amendment shall be counted, returned and canvassed in like manner as prescribed by the City Charter for general municipal elections;

Resolved Further, That the City Clerk be and she hereby is directed to give notice of the submission of said proposed charter amendment in accordance with the law relative to municipal elections, in the City of Lansing, and further that she cause a true copy of this resolution to be posted on the bulletin boards in said city as prescribed by the City Charter and that such posting be at least thirty days prior to the day at which such charter amendment shall be voted upon as herein provided.

Whereas, There has been some difference and misunderstanding between the City of Lansing and the M. C. R. R. Co. and the P. M. R. R. Co., in reference to paying a certain sewer tax which was assessed against their property, viz.: lots 4, 5, 6, 7 and 8, Block 16, Turner's Subdivision; and,

Whereas, said M. C. R. R. Co. offered to pay in settlement of the same for their portion thereof, the sum of \$284.60, being the amount of the original assessment; and,

Whereas, the same was referred to the City Attorney, who, on Aug. 25, last, reported and recommended that the same be accepted and said report was duly adopted by this Council; and,

Whereas, said tax has been returned to the state for non-collection;

Therefore, Be It Resolved, That the City Clerk be and is hereby directed to draw an order or warrant in favor of the Auditor General of the State of Michigan for the sum of \$387.02, and charge to the Contingent Fund of the City of Lansing, the same being the amount of the original assessment and penalties upon the same since same was assessed; and that the City Treasurer of the City of Lansing accept

the amount of \$284.60 in payment in full for the said taxes against said property and issue to the M. C. R. R. Co. receipt in full for all taxes, assessments or liens against the property caused or created by said tax.

Be It Further Resolved, That should the P. M. R. R. Co. desire to pay their half of the said tax, being the same amount as that assessed against the M. C. R. R. Co., that like proceedings be had and taken.

ORDINANCES.

The following ordinance was introduced by Ald. Fowler, read a first and second time by its title and referred to the Committee on Ordinances:

An ordinance to amend Section 255 of an ordinance entitled "Lansing City Building Code," "An ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to, Remodeling, Use or Occupancy of Building or their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof, and wrecking of the same. Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the office of the Building Department. Repealing all former Ordinances conflicting therewith."

The City of Lansing Ordains:

Sec. 1. That Section 255 of an

Ordinance entitled: "An ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to Remodeling, Use or Occupancy of Buildings or their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof, and wreckage of the same. Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the Office of the Building Department. Repealing all former Ordinances conflicting therewith," be amended so as to read as follows:

Sec. 2. Use of Concrete Blocks Limited.

(a) Concrete blocks may be used for masonry walls in buildings of types 1, 2 and 3, not over two stories in height above basement.

(b) Those cured with steam must be aged not less than two weeks, and others not less than three weeks, before being delivered on any job.

(c) Concrete blocks shall not be approved unless stamped with name or registered mark of maker and unless they shall stand a crushing strength at the end of twenty-eight (28) days or whenever delivered on the job of not less than seven hundred pounds (700 lbs.) per square inch of the gross area. The materials used shall be free from dirt and other foreign matter, properly mixed and manipulated.

Absorption.

(d) The absorption of a dry block, when immersed in water for twenty-four hours shall not exceed ten per cent (10%) of the weight of the dry block.

Mortar.

(e) All walls where concrete blocks are used shall be laid up in Portland cement mortar, mixed with only sufficient lime, not to exceed 25% by volume, to make the mortar plastic. The cement shall be capable of passing the minimum requirements of Portland cement, as set forth in this ordinance. The mortar bed shall completely close all joints between adjacent blocks.

(f) No person, firm, or corporation shall use, sell or offer for sale within the City of Lansing, building blocks without first registering his, their or its name and obtaining a license therefor. All such blocks so used, sold or offered for sale within the City of Lansing, shall conform in all particulars to this ordinance.

(g) On and after December 1st, 1924, the Building Department will

issue license to block makers when application is made as required by this ordinance.

License for the Manufacture and Sale of Same.

(h) Within thirty (30) days from the passage of this ordinance, every person, firm, or corporation engaged in the manufacture or sale of concrete blocks shall be required to obtain a license from the City Clerk. The application shall be made on printed blanks furnished by the Clerk and be accompanied by a fee of two dollars (\$2.00). The license shall be from the first day of May in each year and shall be for a period of not less than one year. Licenses issued before May 1, 1925, shall expire April 30, 1926.

(i) It shall be the duty of the Building Inspector at least once in each calendar month to make a test of the blocks manufactured by all manufacturers holding a license under this ordinance. For such tests the Inspector will select either from the yards of the manufacturer or from blocks delivered for any job, two blocks, and the manufacturer shall pay to the Building Inspector the sum of one dollar (\$1.00) for each block tested.

(j) License issued under this ordinance shall be revoked for violation of any of its sections.

By Ald. Dymond—

Resolved by the City Council of the City of Lansing:

That the City Clerk draw an order on the Uncollected Tax and Abatement Fund in favor of the City Treasurer for the sum of \$14.95 in favor of Mrs. Fouts, to correct an erroneous assessment of \$2,300 on Lot 9, Riley's Sub. There is no house on this lot, but on Lot 8

there is a house which will be assessed accordingly in the future.

Referred to City Attorney.

By Ald. Trager—

Whereas, it appears that the grade of the street on Pennsylvania avenue south, between Mt. Hope avenue and bridge crossing Cedar river has been established or proposed by the City Engineer;

And, Whereas, It appears from the physical conditions that exist upon said street that if the same was carried out it would work a great inconvenience and unnecessary cost and expense to those owning property on South Pennsylvania avenue, by reason of the fact that if the present survey should be followed it would cause an unreasonable damage and expense to those located on said street, South Pennsylvania avenue.

Therefore, Be It Resolved, That the City Engineer be and is hereby directed to alter and change the present survey he has made upon South Pennsylvania avenue, between the bridge over Cedar river and Mt. Hope avenue, on said street, viz.: South Pennsylvania avenue, and raise said grade from the present survey at or about two feet midway between the bridge over Cedar river and Baker street.

Laid on the table one week; and the Council meet on Pennsylvania avenue south, at 9 o'clock Wednesday afternoon.

By Ald. Vandervoort—

Resolved by the City Council of the City of Lansing:

Whereas, The property known as the "Market" is somewhat limited and there is property in the rear of said market that is not in a condition for use.

Therefore, Be It Resolved, That the Superintendent of Public Works be and is hereby instructed and directed to clean off and clear said property so it will be suitable for use for market purposes under direction of the Market Committee.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Trager, Troyer, Vandervoort.—14

Nays—None.

By Ald. Trager—

Whereas, It appears and is well known to all persons who visit the City Hall and especially those who are domiciled therein that the ingress and egress to the same is not properly built and arranged, especi-

ally that the present conditions are antiquated. A great deal of cold air during the cold months visitates the building, also that when the same is enclosed by storm doors and darkened doors, hindrance and obstruction to people is great;

Therefore, Be It Resolved, that the Superintendent of Public Works be and is hereby instructed to place or cause to be placed at the entrance at the City Hall, on the north side and west side of the same, Revolving Doors, and same to be charged to Contingent Fund, and when the same is completed the City Clerk be and is hereby authorized to draw an order for the same.

Referred to Committee on Public Buildings.

By Aid. Leonard--

Resolved by the City Council of the City of Lansing:

That the City Clerk be and she is hereby directed to draw an order in favor of City Treasurer, for the amount of \$28.17 for erroneous tax, assessed on Lot 1, Block 8, Espanore, and that the City Assessor assess the same to Lot 24, Block 8, Espanore, this being the lot the house is on. Same is to be charged to Fund for Uncollected Taxes and Abatements.

Referred to City Attorney.

By Aid. Leonard--

Whereas, this council did on the 26th day of November, 1923, in a certain resolution then pending before it, and which said resolution was on said 26th day of November, 1923, duly adopted with the concurrence of two-thirds of all the aldermen-elect, of said Council, recite that it was deemed by said Council that the acquirement of certain property for the purpose of constructing a Fire Station or Engine house, for the purpose incident to furnishing the city with adequate and proper fire protection, and that the same is required for the use of said city, and that the same is necessary and convenient for the public good, and that it is necessary to take such private property for the purpose aforesaid without the consent of the owners thereof, especially the rights of the public in Espanore Addition to the City of Lansing have and to the property in said district and the property in question in relation to the same being restricted for "Residential purposes only";

And, Whereas, this council did in said resolution of November 26, 1923, fix Monday the 3rd day of December, 1923, at 8:00 o'clock P.M.

at the City Council Rooms at the City Hall, in said City of Lansing, as the time and place for the purposes of hearing suggestions and objections, if any, relative to the acquirement of said property for the purpose aforesaid, and to every other matter and thing in said resolution contained, and did by said resolution direct the City Clerk to cause notice of said resolution and of the matters and things therein, to be given in the manner described in said resolution, with which said directions the City Clerk did comply:

And, Whereas, this council did meet on Monday, the 3rd day of December, 1923, at the City Council Rooms, in the City Hall at 8:00 o'clock P.M., in the City of Lansing, and did give an opportunity to the persons interested in said public improvement to be then and there heard; and all objections and suggestions made to, or filed with the Council in opposition to or concerning said proposed improvement have been duly heard and considered:

And, Whereas, this council is of the opinion that said parcel of land in said resolution mentioned, and herein described should be taken and used for the purpose of building a Fire Station thereon without the consent of the property owners in said Espanore Addition, regardless of the restrictions placed upon said property:

Now, Therefore, be it resolved by the said Council of the City of Lansing, that this council does deem and declare it necessary to make the public improvement contemplated by said resolution, and does deem and declare it to be necessary to use the property described herein for the use and benefit of the public, and that the same be used for the benefit of the public without the consent of the owners of property in said vicinity, and especially Espanore Addition as to the restrictions placed upon said property, viz. that the same shall be used for "Residential Purposes Only";

The property described, upon which the City desires to build its Fire Station or Engine House, is as follows:

Lot 20, Block 9 of Espanore Addition to the City of Lansing, according to the recorded plat thereof;

Resolved further, that the City Attorney be and is hereby directed to institute the necessary proceeding or proceedings in a court or courts of competent jurisdiction, in behalf of the City of Lansing, to appropriate and condemn all rights and interests of the property owners in Espanore Addition to the City of

Lansing, as aforesaid that are in proximity to the said proposed site of Lot 20, Block 9 of Espanore Addition being the same upon which said city of Lansing proposes to build its Fire Station or Engine House, for a just compensation to be made.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Ly-
mond, Fowler, Howe, Kircher, Klock,
Leonard, McComb, McKale, Phillips,
Trager, Troyer, Vandervoort.—14.

Nays—None.

By Ald. Phillips—

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Fowler—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 515 feet of sewer in Pacific avenue from Cedar street to Ray street in the City of Lansing, having been duly given as required by the charter of said city, and the said City Council after hearing diverse suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 14th day of April, A.D., 1924, together with necessary manholes, catch basins and laterals thereon.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further

Resolved, That the portion of the city deemed to be especially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council for the construction of said sewer passed upon the 21st day of April, A.D., 1924, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$1,242.00, of which one-sixth, or \$207.00, shall be

paid from the general sewer fund and the remainder or \$1,035.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

By Ald. Troyer—

That the resolution of Ald. Tem-
pleton introduced Sept. 29, 1924, re-
lative to sewer taxes of the M. C.
R. R. be reconsidered.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp,
Dymond, Fowler, Howe, Kircher,
Klock, Leonard, McComb, McKale,
Phillips, Trager, Troyer, Vander-
voort.—14.

Nays—None.

The resolution was then before
the Council.

By Ald. Troyer—

Whereas, There has been some
difference and misunderstanding be-
tween the City of Lansing, and the
M. C. R. R. Co. and the P. M. R. R.
Co., in reference to paying a cer-
tain sewer tax which was assessed
against their property, viz.: lots 4,
and 8, Block 16, Turner's Sub-
division; and,

Whereas, said M. C. R. R. Co. of-
fered to pay in settlement of the
same for their portion thereof, the
sum of \$284.60, being the amount of
the original assessment; and,

Whereas, the same was referred
to the City Attorney, who, on Aug.
25, last, reported and recommended
that the same be accepted and said
report was duly adopted by this
Council; and,

Whereas, said tax has been re-
turned to the state for non-collec-
tion;

Therefore, Be It Resolved, That
the City Clerk be and is hereby di-
rected to draw an order or warrant
in favor of the Auditor General of
the State of Michigan, for the sum
of \$387.02, and charge to the Con-
tingent Fund of the City of Lan-
sing, the same being the amount of
the original assessment and penal-
ties upon the same since same was
assessed; and that the City Treas-
urer of the City of Lansing accept
the amount of \$284.60 in payment
in full for the said taxes against
said property and issue to the M. C.
R. R. Co. receipt in full for all tax-
es, assessments or liens against the
property caused or created by said
tax.

Be It Further Resolved, That
should the P. M. R. R. Co. desire to
pay their half of the said tax, be-
ing the same amount as that as-
sessed against the M. C. R. R. Co.,
that like proceedings be had and
taken.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp,
Dymond, Fowler, Howe, Kircher,
Klock, Leonard, McComb, McKale,
Phillips, Trager, Troyer, Vander-
voort.—14.

Nays—None.

Lansing, Oct. 13, 1924.

Honorable Mayor and City Council.
Gentlemen:

Agreeable to your order, I herewith submit the following Special Assessment Roll estimated cost:

165 feet sewer in Fernwood street from Clemens avenue east 165 feet

Respectfully submitted,

JOHN S. BENNETT,
Assessor.

Received and placed on file.

Honorable Mayor and City Council.
Gentlemen:

As to the matters that were referred to me at the last meeting of this council, viz., in relation to the resolutions as to the tax that was erroneously assessed on Lot 9 of Riley's Subdivision and Lot 1, Block 8, Espanore Addition to the City of Lansing, I beg leave to report that I have investigated the same and find that as to the first proposition, that is, as to the assessment on Lot 9, Riley's Sub., of \$2,300, that the same was a mistake and error, as there was no house upon the said lot, and in accordance with the other assessments in that vicinity, it should have been assessed at \$500, and that the tax by virtue of said assessment exceeds that which it should have been by \$14.95, that is that the party should pay a tax on the valuation of \$500, and I further recommend that this

amount be re-assessed on Lot 8, of said subdivision, upon which a house is erected and upon which it was undoubtedly intended by the assessor at the time of assessing.

As to Lot 1, Block 8, Espanore Addition, practically the same condition exists. The property was placed on the assessment roll for \$4,000, and there being no house upon the same, it is estimated that the value of the lot for assessment purposes should be \$650, therefore, there was an excess tax upon this lot and I recommend that the same be collected from this party at the rate of \$650 and the balance of \$28.17 be paid upon the order of the City Clerk by reason of the erroneous tax and charge to the fund for Uncollected Taxes and Abatements.

This applies to both propositions and that the same in the latter case be re-assessed against the property as set forth in the resolution to Lot 24, Block 8, Espanore Addition.

Respectfully yours,

D. G. F. WARNER,
City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing.
Gentlemen:

The refund check on the Ottawa Street Sewer Roll No. B-536, dated April 10, 1923, amounting to \$37.89, covering the following description:

W. 65 ft. of lot 5, Block 103; made payable to Mrs. H. C. Richmond, Estate, according to our

records was mailed to 526 West Ionia street, this city.

The latter part of August or the first part of September, Mr. George H. Richmond, son of Mrs. H. C. Richmond, called at the office inquiring regarding the refund on this sewer.

Upon looking the matter up we found the check had the word "Estate" erased from same and was endorsed by Mrs. H. C. Richmond, and D. W. Graham, 817 Harriet street, and was cashed through the Industrial Savings Bank of Flint.

We immediately wrote Mr. Graham, at the above address in Flint, Mich., sending the letter by registered mail, but the same was returned to us.

The cancelled check is now in the possession of the Police Department for investigation.

Mr. Geo. H. Richmond, who has the handling of Mrs. H. C. Richmond's estate, is very anxious to get this money, and we would ask that you take the necessary steps to have an order drawn payable to George H. Richmond, covering the above amount, \$37.89.

Yours respectfully,

WALTER S. CAMPBELL,
City Treasurer.

Received and placed on file.

By Ald Leonard—

Resolved by the City Council of the City of Lansing:

Whereas, There were two resolutions introduced in this council on October 6, 1924, in relation to the refund of an erroneous tax on Lot 9, Riley's Sub., also a resolution in relation to Lot 1, Block 8, Espanore Addition to the City of Lansing; and,

Whereas, The same was referred to the City Attorney, and he has made his report upon the same favorable to said resolution so introduced.

Therefore, Be It Resolved, That the City Clerk draw an order on the Uncollected Taxes and Abatement Fund in favor of the City Treasurer in the sum of \$14.95, to

pay the erroneous assessment on Lot 9 in Riley's Sub., and that the Assessor be and is hereby directed to re-assess said amount against Lot 8 of said Riley's Sub., to reimburse the City for said amount:

And that the City Clerk be and is hereby directed to draw an order in favor of the City Treasurer for the amount of \$28.17 for erroneous tax assessed against Lot 1, Block 8, Espanore Addition to the City of Lansing, and that the same be drawn upon the Uncollected Taxes and Abatement Fund, and that the Assessor be and he is hereby directed to re-assess said amount against Lot 24, Block 8, of Espanore Addition to the City of Lansing.

Respectfully submitted,

O. E. ECKERT,

City Engineer

Revised and placed on file.

Gentlemen of the Council:

In the opening and extending of Saginaw street we took lot 77 Adam's addition as we could not locate the owner. This gentleman came into Lansing to pay up his taxes and is willing to dispose of this lot at a reasonable price to the city.

I recommend that your honorable body take the necessary steps to acquire this lot and spread the cost in the benefited district.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Referred to committee on streets.
Eighth ward aldermen and city attorney.

Gentlemen of the Council:

Because of the very congested traffic condition on East Michigan avenue, I rushed temporary repairs on the Kalamazoo street bridge and opened it for partial traffic Wednesday morning.

Because of the condition on this Kalamazoo street bridge, we have permitted only the passing of automobiles, horse drawn vehicles and trucks start a swinging motion to the side which, because of the crystallized condition of the wrought iron in this structure, makes a hazard, that we find it necessary to avoid and for that reason we have only permitted automobiles. This has been done as before stated to relieve congestion as far as possible on East Michigan avenue.

I have placed watchmen at both ends of the bridge and have had signs printed which will be placed where the public can read them, "This Bridge Will Be Closed from 11 p. m. until 6 a. m. in the morning."

I trust this action will meet with your approval.

Yours very truly,

ALFRED H. DOUGHTY,
Mayor.

By. Ald. Leonard—

That the action of the mayor be concurred in and the communication received and placed on file.

Carried.

third part, Witnesseth That:

Whereas, the City represents that it has acquired the ownership or control of the premises in the City of Lansing, Michigan, bounded on the north by South Street, on the west by Cedar Street, and on the south by the right-of-way of the Grand Trunk and on the east by the right-of-way of the Michigan Central, and

Whereas, the parties hereto have constructed certain tracks upon the aforementioned premises, connecting with the Railroads' main lines as shown in the several colors on the plan hereto attached and made a part hereof, identified as "Est. Book 26, Page 380", and

Whereas, the parties hereto desire to arrange for the use, maintenance and operation of said tracks, shown in red, yellow and green colors, in order that they may have the beneficial use of the same in the receipt, delivery and interchange of freight cars and freight traffic between themselves upon said tracks.

Now, Therefore, it is mutually covenanted and agreed:

First: Said tracks shall be owned and maintained as follows:

(a) The Michigan Central shall own and maintain those tracks, or portions of tracks, which are shown in red on said plan, said portions aggregating in length eight hundred and eighty-two (882) feet, seven hundred and seventy-two (772) feet, more or less of which are situated beyond the derail in the lead track connecting with its main line.

(b) The Grand Trunk shall own and maintain those tracks, or portions of tracks, shown in green on said plan, said portions aggregating in length one thousand three hundred and eighty (1380) feet, one thousand two hundred and thirty-seven (1237) feet, more or less, of which are situated beyond the derail in the lead track connecting with its main line.

(c) The City shall own and maintain, those tracks, or portions of tracks, shown in yellow on said plan, said portions aggregating in length seven hundred thirteen and three-tenths (713.3) feet.

The City shall, without cost to the Railroads, provide the necessary right-of way for those portions of said tracks extending beyond the Railroads' rights-of-way.

Second: In the event that any one of the parties hereto shall fail to properly maintain its tracks or portions of tracks, as aforesaid, the Michigan Central or the Grand Trunk may do so thirty (30) days after written notice, specify the defect or failure, to the party in de-

fault; and the party whose tracks have been so maintained by another party shall and will pay to such other party, promptly upon rendition of bills the entire cost thereof. In computing said cost, there shall be added to the payroll cost of labor twenty per cent. (20%) thereof and to the stock or invoice prices of materials fifteen per cent. (15%) thereof, to cover supervision, transportation, inspection accounting, and similar undistributed items of expense.

Third: Each of the parties hereto grants to the others the right to use its tracks hereinbefore mentioned in common with each other and itself in the receipt, delivery and interchange of freight cars and freight traffic between any of the parties hereto on any of said tracks. The use in common of the said tracks of the Railroads shall be confined to those portions of said tracks lying within the derails on the respective lead tracks of the Railroads.

The Michigan Central and the Grand Trunk shall each operate its trains, cars and engines over said tracks with as little inconvenience to the operations of the other as is possible, and under such reasonable rules and regulations as shall be agreed upon between them from time to time.

Fourth: It is expressly understood and agreed that the value of the tracks belonging to the Grand Trunk, the use of which is herein granted to the Michigan Central, exceeds the value of the tracks belonging to the Michigan Central, the use of which is herein granted to the Grand Trunk, in the sum of One Thousand Two Hundred and Twenty-one and 43/100 Dollars (\$1221.43); and the Michigan Central agrees to pay to the Grand Trunk, annually, in advance, the sum of Thirty-six and 64/100 Dollars (\$36.64), said sum being equivalent to six per cent (6%) on one-half the aforesaid excess value of the Grand Trunk's said tracks.

The Michigan Central and the Grand Trunk shall each keep an account of the cost of all maintenance and renewals in connection with its tracks which are to be used in common hereunder; and the aggregate cost thereof shall be divided between said Michigan Central and Grand Trunk in the same relative proportions as the number of cars handled over said tracks by each bears to the total number of cars handled over said tracks by both of said parties. In counting said cars, each car placed or received on said tracks shall be given one count. The local agent of each of said

Railroads shall furnish to the other, promptly after the close of each month, a statement of the number of cars handled by such Railroad on said tracks during such month. Each party shall render against the other promptly after the close of each month, a bill for the aforesaid proportion of its maintenance and renewal expense during such month to be borne by the other as aforesaid. Said bills shall contain, in addition to the payroll cost of labor and the stock or invoice prices of materials used in the work, such percentages for supervision, transportation, inspection, accounting, and similar undistributed items of expense as shall be authorized from time to time by the rules of the so-called General Manager's Association of Chicago, and the same shall be paid within thirty (30) days from the dates of rendition.

Fifth: The City will not erect, nor permit to be erected, any structure or obstruction of any kind, temporary or otherwise, over or above said tracks, or any of them, at a height less than twenty-two (22) feet above the track rails, or nearer the rails than six (6) feet, without the consent of the Michigan Central and the Grand Trunk in writing; and will use such means and care as will tend to avoid accident.

Sixth: It is understood that the movement of railroad locomotives involves some risk of fire, and the City assumes all responsibility for, and shall indemnify and hold harmless the Railroads, and each of them, from and against loss of or damage to property of the City or to property upon the premises of the City, regardless of the Railroads' negligence, arising from fire caused by locomotives operated by the Railroads, or either of them, or said tracks, or in their vicinity, for the purpose of serving said City, except to the premises of the railroads and to rolling stock belonging to or in the service of the Railroads, and to shipments in the course of transportation.

All liability, except for fire as aforesaid, arising out of the use or operation of said tracks or the delivery or receipt of cars thereon, including any sum or sums of money paid, or any liability assumed or incurred, under any present or future "Workmen's Compensation Act" or "Employers' Liability Act", so-called, State or Federal, shall be borne by the parties hereto as follows:

(a) If caused by the acts or omissions of one party only, then by that party alone.

(b) If caused by the concurring

acts or omissions of any two or all three of the parties hereto, or if the cause as between such parties cannot be allocated, then each of said parties shall bear all loss, damage, injury and death to its own property, property in its separate care or custody, and to its agents, servants and employees; and all other loss of or damage to property and injury to or death of person, to whomsoever belonging or occurring, shall be borne by the parties implicated equally, share and share alike.

(c) If caused under circumstances not mentioned in subdivisions (a) and (b) hereof, then each party shall bear all loss, damage, injury and death to its own property, property in its separate care or custody and to its agents, servants or employees; and all other loss of or damage to property and injury to or death of person, to whomsoever belonging or occurring, shall be borne by the parties hereto equally, share and share alike.

As between the parties hereto, each hereby agrees that it will pay or defend all claims for which it is by the foregoing provisions of this Section made answerable, and will indemnify and save the other parties harmless from any and all loss, damage, injury or death and claims, demands, suits, judgments, costs and expenses arising from or by reason thereof.

Seventh: Except only as the parties hereto shall in writing stipulate otherwise, all provisions herein as to the aforementioned tracks shall apply to any and all additions thereto or extensions thereof made by said City, which may be served in common by the Railroads without using each others lead tracks closer to their respective main lines than the derails in said lead tracks as presently located; and plans or prints showing such additions or extensions may at the option of the Railroads, be by them annexed hereunto, or to their respective originals hereof, and shall thereby become and be a part of this agreement.

Eighth: This agreement shall take effect as of the first day of January, 1923, and shall cancel and supersede as of said date, all other understandings or agreements between the parties hereto, or any two of them, covering the ownership, use or maintenance of said tracks, or any of them; and shall continue in force until terminated by any one of the parties hereto on thirty (30) days' notice in writing given to the others.

Until terminated, as above provided, this agreement shall inure to

the benefit of, and be binding upon the successors and assigns of the parties hereto, provided, however, that it shall not be assigned by the City without the written consent of the Railroads.

Ninth: In the event of the termination of this agreement, for any cause whatsoever, each of the parties hereto may take up, remove and retain the track materials belonging to it in its tracks as hereinbefore mentioned.

In Witness Whereof, the parties hereto have duly executed this agreement, in triplicate, the day and year first above written.

Resolved by the City Council of the City of Lansing:

Whereas, heretofore to-wit, in the year 1922 there were taxes assessed against the following property, to-wit: S. ½ of Lot 10, Block C, Subdivision of Blocks 26 and 27 in the record-a plat of the City of Lansing of C. M. White, the sum of \$42.44; and,

Whereas, said property so assessed, the taxes on the same, as appears from the tax roll in the office of the City Treasurer, was paid; and,

Whereas The City Treasurer of the City of Lansing, made and executed a receipt for the payment of said taxes as aforesaid and delivered the same to the owner thereof; and,

Whereas, it appears that the owner of said property sold the same and the purchaser thereof ascertained and determined from the records in the City Treasurer's office, and the Secretary of the State of Michigan, that the same had been paid; and,

Whereas, For reasons unknown the City Treasurer then declared the same had not been paid, and so indicated upon the books which he had, and gave him authority for the collection of taxes; and,

Whereas, The same is now in the hands of an innocent purchaser, a third person, and as the report of the City Treasurer now stands, the said tax of 1922 stands as a lien upon said property,

Therefore, Be It Resolved By This Council, that they do hereby declare that the taxes for the year 1922 for the city taxes of that year, be and the same are hereby declared to have been paid, and that the same are free of and from all claims of taxes of said date for said year, and be it further,

Resolved, That the City Treasurer of the City of Lansing take such steps and measures as may be necessary to absolve the said property from any of such lien as may have been created by reason of the taxes of the City of Lansing for July, 1922, and the expense of the same charged to the uncollected taxes and abatement fund,

Further, In support of the above resolution, the introducer hereby presents in consideration the duplicate receipt issued for the same.

ORDINANCES.

By Ald. Fowler—

That the Council resolve itself into a committee of the whole to consider ordinances.

Carried.

The Mayor called Ald. DeCamp to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and

through its chairman reported that it had considered an Ordinance to amend Section 823 of the ordinance known as the Lansing City Building Code, had made certain amendments thereto, and recommended that it be passed.

The ordinance to license and regulate the operation of interurban and suburban motor buses within the City of Lansing was also considered and they would also recommend that this ordinance be passed.

Council then resumed regular session.

The ordinances which are on order of third reading are as follows:

An ordinance to amend Section 823 of the ordinance entitled: "An ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to, Remodeling, Use or Occupancy of Buildings or their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof, and Wrecking of the same, Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the Office of the Building Department. Repealing all former Ordinances conflicting therewith," passed by the City Council of the City of Lansing, April 27, 1921.

Section 1. The City of Lansing ordains: That section 823 of the ordinance entitled "An Ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to, Remodeling, Use or Occupancy of Buildings or their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof, and Wrecking of the same, Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the Office of the Building Department. Repealing all former Ordinances conflicting therewith," is hereby amended to read as follows:

Section 823. It shall be unlawful for any person, firm or corporation to hereafter locate, build, alter or construct any building or place to be used as a saloon, packing house, rendering plant, soap factory, tannery, smoke house or place for curing fish or meat, milk depot, bakery, blacksmith shop, foundry, machine shop, foundry combined with machine shop, factory, warehouse, laundry run by machinery, dry-cleaning plant, medical dispensary, public garage, livery stable, gasoline filling station, second-hand store or junk yard grocery or meat market,

on any lot fronting on any street in any location in the City in which one-half or more of the buildings on both sides of the street for a distance of 300 feet in each direction along such street are occupied exclusively for residence purposes, or to locate, build, alter or construct within 100 feet of such street any building, structure or place for any of the above purposes, without the written consent of the owners of more than half the frontage on both sides of such street for a distance of 300 feet in each direction along such street from the site under consideration for such purposes.

An Ordinance to license and regulate the operation of interurban and suburban motor buses within the limits of the City of Lansing.

The City of Lansing Ordains:

Section 1. Definitions. The following words shall have the meanings given to them in this section.

The words "motor bus" shall mean and include any motor vehicle engaged in the business of affording suburban or interurban transportation by indiscriminately accepting or discharging passengers as they may offer themselves for transportation along the way or course, route or routes, street or streets, on which it is used or operated or may be running, and for which service fares are charged, received or permitted to be donated.

The word "person" shall mean and include any person, firm or corporation.

The words "suburban or interurban transportation" shall mean and include the transportation of a passenger or passengers from any point in the City of Lansing to any point outside of the city, or the transportation of a passenger or passengers from any point outside of the City of Lansing to any point within said city, wherein a street or streets in the said city of Lansing, or any part of said street, is traversed in so doing.

Section 2. Routes. All persons operating and driving suburban or interurban motor buses upon the streets of the City of Lansing shall operate the same according to the following directions and the following routes, and any person operating such motor bus shall not accept or discharge passengers in the city limits upon any other street or streets except those named in said routes, to-wit:

By Ald. Leonard—

Resolved by the City Council of the City of Lansing:

That the agreement between the Grand Trunk Ry. Co., the Michigan Central Ry. Co. and the City of Lansing with reference to operating and maintaining certain railway tracks in the city be and the same is accepted.

Be it further resolved, That the Mayor and City Clerk be and are hereby directed to sign said agreement for and in behalf of the City of Lansing, which agreement is hereto attached.

This agreement, made this day of A. D., 1923, between The Michigan Central Railroad Company, hereinafter called the Michigan Central, party of the first part, and the Grand Trunk Western Railway Company, hereinafter called the Grand Trunk, party of the second part, said Michigan Central and Grand Trunk for convenience hereinafter referred to collectively as the Railroads, and the Corporation of the City of Lansing, hereinafter called the City, party of the third part. Witnesseth That:

Whereas, the City represents that it has acquired the ownership or control of the premises in the City of Lansing, Michigan, bounded on the north by South Street, on the west by Cedar Street, and on the south by the right-of-way of the Grand Trunk and on the east by the right-of-way of the Michigan Central, and

Whereas, the parties hereto have constructed certain tracks upon the aforementioned premises, connecting with the Railroads' main lines as shown in the several colors on the plan hereto attached and made a part hereof, identified as "Est. Book

26, Page 380", and

Whereas, the parties hereto desire to arrange for the use, maintenance and operation of said tracks, shown in red, yellow and green colors, in order that they may have the beneficial use of the same in the receipt, delivery and interchange of freight cars and freight traffic between themselves upon said tracks.

Now, Therefore, it is mutually covenanted and agreed:

First: Said tracks shall be owned and maintained as follows:

(a) The Michigan Central shall own and maintain those tracks, or portions of tracks, which are shown in red on said plan, said portions aggregating in length eight hundred and eighty-two (882) feet seven hundred and seventy-two (772) feet, more or less of which are situate beyond the derail in the lead track connecting with its main line.

(b) The Grand Trunk shall own and maintain those tracks, or portions of tracks, shown in green on said plan, said portions aggregating in length one thousand three hundred and eighty (1380) feet, one thousand two hundred and thirty-seven (1237) feet, more or less, of which are situate beyond the derail in the lead track connecting with its main line:

(c) The City shall own and maintain, those tracks, or portions of tracks, shown in yellow on said plan, said portions aggregating in length seven hundred thirteen and three-tenths (713.3) feet.

The City shall, without cost to the Railroads, provide the necessary right-of-way for those portions of said tracks extending beyond the Railroads' right-of-way.

Second: In the event that any one of the parties hereto shall fail to properly maintain its tracks or portions of tracks, as aforesaid, the Michigan Central or the Grand Trunk may do so thirty (30) days after written notice, specify the defect or failure, to the party in default; and the party whose tracks have been so maintained by another party shall and will pay to such other party, promptly upon rendition of bills, the entire cost thereof. In computing said cost, there shall be added to the payroll cost of labor twenty per cent (20%) thereof, and to the stock or invoice prices of materials fifteen per cent. (15%) thereof to cover supervision, transportation, inspection, accounting, and similar undistributed items of expense.

Third: Each of the parties hereto grants to the others the right to use its tracks hereinbefore mentioned in common with each other

and itself in the receipt, delivery and interchange of freight cars and freight traffic between any of the parties hereto on any of said tracks. The use in common of the said tracks of the Railroads shall be confined to those portions of said tracks lying within the derails on the respective lead tracks of the Railroads.

The Michigan Central and the Grand Trunk shall each operate its trains, cars and engines over said tracks with as little inconvenience to the operations of the other as is possible, and under such reasonable rules and regulations as shall be agreed upon between them from time to time.

Fourth: It is expressly understood and agreed that the value of the tracks belonging to the Grand Trunk, the use of which is herein granted to the Michigan Central, exceeds the value of the tracks belonging to the Michigan Central, the use of which is herein granted to the Grand Trunk, in the sum of One Thousand Two Hundred and Twenty-one and 43-100 Dollars (\$1,231.43) and the Michigan Central agrees to pay to the Grand Trunk, annually, in advance, the sum of Thirty-six and 64-100 Dollars (\$36.64), said sum being equivalent to six per cent. (6%) on one-half the aforesaid excess value of the Grand Trunk's said tracks.

The Michigan Central and the Grand Trunk shall each keep an account of the cost of all maintenance and renewals in connection with its tracks which are to be used in common hereinafter; and the aggregate cost thereof shall be divided between said Michigan Central and Grand Trunk in the same relative proportions as the number of cars handled over said tracks by both of said parties. In counting said cars, each car placed or received on said tracks shall be given one count. The local agent of each of said Railroads shall furnish to the other, promptly after the close of each month, a statement of the number of cars handled by such Railroad on said tracks during such month. Each party shall render against the other promptly after the close of each month, a bill for the aforesaid proportion of its maintenance and renewal expense during such month to be borne by the other as aforesaid. Said bills shall contain, in addition to the payroll cost of labor and the stock or invoice prices of materials used in the work, such percentages for supervision, transportation, inspection, accounting, and similar undistributed items of expense as shall be authorized from time to time by the rules of the

called General Manager's Association of Chicago, and the same shall be paid within thirty (30) days from the dates of rendition.

Fifth: The City shall not erect, nor permit to be erected, any structure or obstruction of any kind, temporary or otherwise, over or above said tracks, or any of them, at a height less than twenty-two (22) feet above the track rails, or nearer the rails than six (6) feet, without the consent of the Michigan Central and the Grand Trunk in writing; and will use such means and care as will tend to avoid accident.

Sixth: It is understood that the movement of railroad locomotives involves some risk of fire, and the City assumes all responsibility for, and shall indemnify and hold harmless the Railroads, and each of them, from and against loss of or damage to property of the City or to property upon the premises of the City, arising from fire caused by locomotives operated by the Railroads, or either of them, on said tracks, or in their vicinity, for the purpose of serving the City except to the premises of the railroads and to rolling stock belonging to or in the service of the Railroads and to shipments in the course of transportation.

All liability except for fire as aforesaid arising out of the use or operation of said tracks or the delivery or receipt of cars thereon, including any sum or sums of money paid, or any liability assumed or incurred, under any present or future Workmen's Compensation Act" or "Employers' Liability Act," so-called, State or Federal, shall be borne by the parties hereto as follows:

(a) If caused by the acts or omissions of one party only, then by that party alone.

(b) If caused by the concurring acts or omissions of any two or all three of the parties hereto, or if the cause as between such parties cannot be allocated, then each of said parties shall bear all loss, damage, injury and death to its own property, property in its separate care or custody, and to its agents, servants and employees; and all other loss of or damage to property and injury to or death of person, to whomsoever belonging or occurring, shall be borne by the parties implicated equally, share and share alike.

(c) If caused under circumstances not mentioned in subdivisions (a) and (b) hereof, then each party shall bear all loss, damage, injury and death to its own property, property in its separate care or custody

and to its agents, servants or employees; and all other loss of or damage to property and injury to or death of person, to whomsoever belonging or occurring, shall be borne by the parties hereto equally, share and share alike.

As between the parties hereto, each hereby agrees that it will pay or defend all claims for which it is by the foregoing provisions of this Section made answerable, and will indemnify and save the other parties harmless from any and all loss, damage, injury or death and claims, demands, suits, judgments, costs and expenses arising from or by reason thereof.

Seventh: Except only as the parties hereto shall in writing stipulate otherwise, all provisions herein as to the aforementioned tracks shall apply to any and all additions thereto or extensions thereof made by said City, which may be served in common by the Railroads without using each others lead tracks closer to their respective main lines than the derails in said lead tracks as presently located; and plans or prints showing such additions or extensions may, at the option of the Railroads, be by them annexed hereunto, or to their respective originals hereof, and shall thereby become and be a part of this agreement.

Eighth: This agreement shall take effect as of the first day of January, 1923, and shall cancel and supersede, as of said date, all other understandings or agreements between the parties hereto, or any two of them, covering the ownership, use or maintenance of said tracks, or any of them; and shall continue in force until terminated by any one of the parties hereto on thirty (30) days' notice in writing given to the others.

Until terminated, as above provided, this agreement shall inure to the benefit of, and be binding upon the successors and assigns of the parties hereto, provided, however, that it shall not be assigned by the City without the written consent of the Railroads.

Ninth: In the event of the termination of this agreement, for any cause whatsoever, each of the parties hereto may take up remove and retain the track materials belonging to it in its tracks as hereinbefore mentioned.

In Witness Whereof, the parties hereto have duly executed this agreement in triplicate, the day and year first above written

CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 550 feet of sewer in West Street from Isaac Street to Mfg. R. R. and outlet private land from West Street to Rieview, City of Lansing having been duly given as required by the charter of said city, and the said City Council, after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said City Council that such sewer is a necessary public improvement; and it is determined by such City Council to construct the same as originally set forth in a resolution adopted by such City Council on the 23rd day of June A. D. 1924, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the City Engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the City Clerk, and it is further Resolved, That the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said City Council, for the construction of said sewer passed upon the 10th day of November, A. D. 1924, excepting from said described district all public streets and alleys,

That the estimated expense of such improvement is \$1,140.00, of which one-sixth or \$190.00, shall be paid from the general sewer fund and the remainder or \$950.00, shall be defrayed by special assessment upon all the taxable lands and premises within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the City Assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this Council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:
Yeas—Ald. Clapham, DeCamp, Fowler, Howe, Kircher, Klock, Leonard, McKale, Phillips, Templeton, VanDervoort—11.
Nays—None.

THIS INDENTURE, Made this 6th day of November in the year of our Lord one thousand nine hundred and twenty-four.

Between FRED E. SHUBEL, single, of the City of Lansing, of the first part, and CITY OF LANSING, a municipal corporation, of the second part,

WITNESSETH, That the said party of the first part, for and in consideration of the sum of one dollar and other valuable consideration, to him in hand paid by the said party of the second part, the receipt whereof is hereby confessed and acknowledged, does by these presents grant, bargain, sell, remise, release, alien and confirm unto the said party of the second part, and heirs and assigns, forever, all those certain pieces or parcels of land situate and being in the City of Lansing, County of Ingham, and State of Michigan, and described as follows, to-wit:

Commencing at a point five hundred forty-four and thirty-two hundredths (544.32) feet north of the northeast corner of Parkdale Subdivision, thence south seventy degrees (70) fifty-seven (57) minutes thirty (30) seconds east, seven hundred ninety-seven and fifty-seven hundredths (797.57) feet, thence south forty-four (44) degrees fifty-nine (59) minutes thirty (30) seconds east, three hundred seventy-nine and ninety hundredths (379.90) feet, thence south thirty (30) degrees forty-six (46) minutes thirty seconds (30) east, two hundred ninety-six (296) feet, thence south eighty-nine (89) degrees forty-eight (48) minutes east, five hundred thirty-one and forty hundredths (531.40) feet, thence south three (3) degrees forty-six (46) minutes west, six hundred forty-three (643) feet to the south line of Section 22, thence east along said section line to the west bank of Sycamore Creek, thence along the west bank of Sycamore Creek to the junction of the Cedar River and Sycamore Creek, thence along the west bank of the Cedar River to a point due north of the point of beginning, thence south to the point of beginning. Also a strip of land forty (40) feet wide lying south and west and adjacent to the following described line. Commencing at a point five hundred forty-four and thirty-two hundredths (544.32) feet

north of the northeast corner of Parkdale Subdivision, thence south seventy (70) degrees, fifty-seven (57) minutes, thirty (30) seconds east, seven hundred ninety-seven and fifty-seven hundredths (797.57) feet, thence south forty-four (44) degrees, fifty-nine (59) minutes, thirty (30) seconds east, three hundred seventy-nine and ninety hundredths (379.90) feet, thence south thirty (30) degrees, forty-six (46) minutes, thirty (30) seconds east, two hundred ninety-six (296) feet, thence south eighty-nine (89) degrees, forty-eight (48) minutes east, five hundred thirty-one and forty hundredths (531.40) feet, thence south three (3) degrees, forty-six (46) minutes west, six hundred forty-three (643) feet to the south line of Section 22.

Also commencing at southeast corner of Section 22, thence eight hundred thirty-seven and one-half (837½) feet west of the southeast corner of Section 22, on the south section line, thence north one hundred ninety-three (193) feet, thence west one hundred (100) feet, thence north to the bank of Sycamore Creek thence northeasterly along the bank of Sycamore Creek and the Cedar River to the east line of Section 22, thence south along the east line of Section 22 to point of beginning.

Together with all and singular the hereditaments and appurtenances thereunto belonging or in anywise appertaining: To have and to hold the said premises, as herein described, with the appurtenances, unto the said party of the second part, and to heirs and assigns forever. And the said Fred E. Shubel, party of the first part, himself and his heirs, executors and administrators, does covenant, grant, bargain and agree to and with the said party of the second part, its heirs and assigns, that at the time of the enrolling and delivery of these presents is well seized of the above granted premises in Fee Simple; and that they are free from all incumbrances whatever, and that he will, and his heirs, executors, and administrators shall warrant and defend the same against all lawful claims whatsoever.

In consideration whereof the party of the second part does hereby agree to build and maintain a gravel drive along the line heretofore described, and to maintain the same from Pennsylvania Ave. to Mt. Hope Ave.; as a further consideration the said party of the second part does hereby agree to improve and continue to occupy said premises for park and recreational purposes, in conjunction with the Reo

Ball Field, and in no way to be used for commercial or industrial purposes or for any other purposes than herein designated and should the same at any time be used for any other purposes than herein designated, this same reverts to the party of the first part.

It is hereby expressly understood and agreed that the description herein may be corrected, so to more specifically designate the property as herein intended.

It is further agreed and understood that the drive heretofore referred to, shall be known as "The Sycamore Drive" and the Park as "The Sycamore Park."

As a further consideration, the party of the second part does hereby agree to install and maintain a trunk sewer from Pennsylvania avenue through this property without expense to the adjacent or adjoining property now owned by the party of the first part.

It is understood if this proposition is accepted by the party of the second part that the party of the first part will, upon the performance by the party of the second part of this agreement, make and execute a deed of the same to the party of the second part; be it further understood that the sewer and drive as

above mentioned be constructed during the season of 1925 by the party of the second part.

In witness whereof, the said party of the first part, has hereunto set his hand and seal on the day and year first above written.

FRED E. SHUBEL.

November 24, 1924.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen:

For a number of years past, the Board of Education of the City of Lansing, has carried upon its ledger an account designated as "Uncollected Taxes" which is charged each year with the total amount of uncollected taxes returned by the county treasurer to your city as having been received through the county treasurer either from tax redemptions or sale of property by the State.

The total amount of uncollected tax on the ledger of this Board now is \$246,157.66. This amount has accrued since July 1st, 1916.

From an audit of the reports of the county treasurer to the city treasurer made for the year 1923 and to July 1st of the present year, it is apparent that a proper distribution of the school funds is not being made. This is due in a measure to the incompleteness of the reports rendered by both the State and County to the city treasurer. Because of the discrepancies which apparently exist in the distribution of the uncollected tax funds, this Board presents for your consideration the following resolution passed by them at their regular meeting held Monday evening, November 24th, 1924.

"Resolved that the Honorable Mayor and the City Council of the City of Lansing, Michigan, be advised of the apparent improper distribution of school funds received from the redemption of taxes and

sale of lands for taxes reported to the city treasurer by the county treasurer with the request that some action be taken to investigate the distribution of these accounts as they have been made and report back to this Board their findings.

"That in making this request, this Board, through its business manager, co-operates with the Mayor and City Council, if they so desire, by supplying such data already obtained from the records of the county treasurer."

Yours respectfully,

The Board of Education of the City of Lansing.

F. L. RADFORD, President.
R. W. COOPER, Secretary.

That the communication be referred to a committee to be appointed by the Mayor.

Carried.

The Mayor appointed as such committee Ald. Howe, DeCamp, Troyer, Fowler and Trager.

REPORT OF COMMITTEES.

The Committee on Bonds and Contracts to whom was referred the communication of U. D. DeWitt and A. E. Johnson, asking that an electrician's license be issued to them at a pro rata amount of the annual charge of \$100, begs leave to report as follows:

Carried.

REPORTS OF CITY OFFICERS.

The report of the City Treasurer for the month of October, 1924, was received and placed on file.

The report of the Gas Inspector for the week ending Nov. 22, 1924, was received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen:

In putting in sewer connections in advance of paving on Grand Street Between Michigan Avenue and Washtenaw Street we found most of the sewer pipes which we uncovered cracked. These connections were put in about every twenty-two feet. While the pipe was cracked through, in no case had the broken pieces fallen in nor have we ever had a stoppage in the sewer due to broken pipe.

Respectfully,

O. E. ECKERT,
City Engineer.

Referred to Committee on Sewers.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen:

I herewith present you with plans and estimated cost for sewer in Ca-wood Street from Saginaw to Hyland Street and outlet in Oakland Avenue.

Total estimate \$3,900.00
 City's one-sixth 650.00

Assessed portion \$3,250.00
 Sewer in Comfort Street, Oakland
 to Hyland Street and outlet private
 land.

Total estimate \$2,000.00
 To be paid by W. I.
 Bowerman 381.40
 For sewer in Lots 62 and
 63, Saginaw Park Sub. ... 1,618.60
 City's one-sixth 286.43

—To be assessed \$1,332.17
 Respectfully yours,

O. E. ECKERT,
 City Engineer

Received and placed on file.

The Mayor and City Council, City
 of Lansing, Michigan:
 Your Honorable Body:

Due to the fact that a vacancy
 has been created through the death
 of George W. Collingwood in the
 Probation Office for this court, I do
 hereby appoint Carlyle B. Smith as
 Probation officer.

Yours very truly,
 WM. F. STEINKOHL,
 Municipal Judge.

By Ald. Leonard—

That the appointment of Carlyle
 B. Smith by Judge Steinkohl be con-
 curred in.

Adopted by the following vote:
 Yeas—Ald. Clapham, DeCamp,
 Fowler, Howe, Kircher, Klock, Leon-
 ard, McComb, McKale, Phillips, Tem-
 pleton, Trager, Troyer, VanDervoort
 —14.
 Nays—None.

The Mayor and City Council, City
 of Lansing, Michigan:
 Your Honorable Body:

At this time there is no provision
 made for the furnishing of bond to
 the City by the Probation Officer of
 this Court, and for the reason that
 this officer does handle considerable
 money belonging to the City and
 others, I would recommend that he
 be required to furnish bond in the
 sum of five hundred dollars, pre-
 mium to be paid by the City.

Yours very truly,
 WM. F. STEINKOHL,
 Municipal Judge.

Referred to Committee on Bonds
 and Contracts.

APPEALS.

This being the time set for hear-
 ing any suggestions, changes or ob-
 jections that may be made by the
 parties interested in the proposed
 construction of sewer in Woodrow,
 Ray, Riley and other streets.

No objections being filed, the same

was considered satisfactory to par-
 ties interested.

PUBLIC IMPROVEMENT II.

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the City Engineer in pursuance of the resolution of this Council adopted Sept. 25, 1922, for paving alley, block 243, from Larch street to east 288 feet, are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said alley within the east line of Larch street and the line 288 ft. east of Larch street, and extending back

from said alley a distance of 100 feet from each side of said alley, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$1,488.00.

That the expense of such improvement in public street and alley intersections is \$157.00, which shall be paid by the city out of the General Paving Fund.

That 80 per cent of the remainder of said estimated expense, to wit, the sum of \$1,064.80, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to wit, \$266.20, shall be paid by the city out of the General Paving Fund.

That the City Assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the City Council within two weeks of the passage of this resolution.

Adopted by the following vote:

Yeas—Ald. Clapham, DeCamp, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, VanDervoort—14.

Nays—None.

ORDINANCES.

By Ald. Fowler—

That the Council resolve itself into a Committee of the Whole to consider ordinances.

Carried.

The Mayor called Ald. DeCamp to the chair to preside over the Committee of the Whole. After some time spent in the Committee of the Whole, the Committee arose and through its chairman reported that the Committee recommend that the Ordinance amending Sec. 255 of the Paving Code be made an order of special business for December 8th.

Council resumed regular session.

By Ald. Fowler—

That the ordinance relative to

interurban and suburban motor buses be now read a third time.

Carried.

The ordinance was then read a third time as follows:

An Ordinance to license and regulate the operation of interurban and suburban motor buses within the limits of the City of Lansing:

The City of Lansing Ordains:

Section 1. Definitions. The following words shall have the meanings given to them in this section.

The words "motor bus" shall mean and include any motor vehicle engaged in the business of affording suburban or interurban transportation by indiscriminately accepting or discharging passengers as they may offer themselves for transportation along the way or course, route or routes, street or streets, on which it is used or operated or may be running, and for which service fares are charged, received or permitted to be donated.

The word "person" shall mean and include any person, firm or corporation.

The words "suburban or interurban transportation" shall mean and include the transportation of a passenger or passengers from any point in the City of Lansing to any point outside of the city, or the transportation of a passenger or passengers from any point outside of the City of Lansing to any point within said city, wherein a street or streets in the said city of Lansing, or any part of said street, is traversed in so doing.

Section 2. Routes. All persons operating and driving suburban or interurban motor buses upon the streets of the City of Lansing, shall operate the same according to the following directions and the following routes, and any person operating such motor bus shall not accept or discharge passengers in the city limits upon any other street or streets except those named in said routes, to-wit:

Route to the East—From Ottawa street and Grand avenue north to Shiawassee street, east on Shiawassee street to Pennsylvania avenue, north on Pennsylvania avenue to Sheridan street east on Sheridan street to city limits.

Route to the South—From Grand avenue and Ottawa street, north on Grand avenue to Shiawassee street, east on Shiawassee street to Cedar street, south on Cedar street to city limits.

Route to the North—From Grand avenue and Ottawa street, north on

Grand avenue to Shiawassee street, east on Shiawassee street to Larch street, north on Larch street to Ferris street, east on Ferris street to East street, north to the city limits.

PETITIONS AND COMMUNICATIONS.

A petition was received from residents of Franklin Heights Sub-division to place fire alarm box at the corner of North and Indiana Streets, or any other place that will give service.

Referred to Board of Police and Fire Commissioners.

A communication was received from Howard L. Box asking that Electrician's License fee of \$100.00 be prorated for him to the 1st of May, 1925.

Referred to Committee on Bonds and Contracts.

A claim for \$283.69 against the city was received from Estate of Chas. J. Davis, on account of one-fifth part of paving Eureka Street, notice of protest being filed with the City Treasurer.

Referred to Committee on City Affairs and City Attorney.

REPORTS OF COMMITTEES.

The Committee on Bonds and Contracts recommends the approval of the following bonds:

Electrician license bond of Howard L. Box.

We also recommend that a Public Driver's license be issued to Carl R. Jenney.

A. DeCAMP,
M. A. TEMPLETON,
E. CLAPHAM,

Committee on Bonds and Contracts.

By Ald. DeCamp—

That the report of the committee be adopted.

Carried.

Adopted by the following vote:

Yeas—Ald. Clapham, Decamp, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.
—14.

Nays—None.

The Committee on Bonds and Contracts to whom was referred the request of Howard L. Box that he be granted an electrician's license at a pro rata charge to 1st of May, 1925, begs leave to report as follows:

We recommend that this request be granted.

A. DE CAMP,
M. A. TEMPLETON,
E. CLAPHAM,

By Ald. Klock—

That the report of the committee be adopted.

Carried.

The Committee on Sewers to whom was referred the claim of J. A. Baske for relief from sewer assessment on Jefferson Street sewer begs leave to report as follows:

In regard to the Jefferson Street Sewer and the method of assessment. A 60-inch trunk line sewer was constructed as a relief sewer from Pine Street to Grand River at an average depth of 14 feet. The abutting property is assessed only for five-sixths the estimated cost of a 12-inch sewer in the same line as the trunk sewer at a depth of eight feet. The difference between the estimated cost of the 12-inch sewer and the actual cost of the trunk sewer distributed over the city at large. We recommend that the claim be not granted.

M. A. TEMPLETON,
H. S. FOWLER,
W. H. McKALE,
Committee on Sewers.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

The Committee on Public Buildings to whom was referred the proposition of permitting C. N. Roberts to install a stand on the first floor of the city hall to be operated by blind people, begs leave to report as follows:

We recommend that the permission be granted on condition that the stand be under the supervision of the Superintendent of Public Works and that the stand be removed at any time the City Council may deem it necessary or advisable.

E. D. KLOCK,
W. H. McKALE,
FRED L. KIRCHER,

REPORTS OF CITY OFFICERS.

The report of the Gas Inspector for the week ending Nov. 29, 1924, was received and placed on file.

December 1, 1924.

To the Honorable Mayor and City Council, Lansing, Michigan: Gentlemen—

We are handing you herewith estimate of cost of installing boulevard lights for the year 1925. We have prepared this estimate in three groups: First group being for those streets that have already been paved; the second group for the streets which are to be paved; and the third group for the two principal business streets. We have included in the latter group Franklin Avenue and Turner Street which, we understand, have been or are to be resurfaced.

Owing to the fact that the paving program in the two principal business streets has been approved, we would urge as prompt action as possible so that the materials may be placed on order in time to be installed at the time the paving will be done.

Yours very truly,
Board of Water & Electric Light Commissioners.

OSCAR E. BULKELEY,
Superintendent.

REPORTS OF CITY OFFICERS.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen—

I submit herewith proposed agreement with the New York Central Railroad Company for constructing sewer under their railroad tracks at Shiawassee Street.

Respectfully,
O. E. ECKERT,
City Engineer.

Referred to the Committee on Sewers.

To the Honorable Mayor and City Council of the City of Lansing: Gentlemen—

I herewith report that on December 4th I sold in Detroit to Bishop, Holmes, Hammond & Jackson sixty-eight hogs, weight 18,780 lbs. at \$9.25 per hundred and received a check for \$1,667.19, which was credited to garbage disposal.

\$1,667.19

Respectfully,
GEO. A. CANFIELD,
Supt. of Garbage.

Received and placed on file.
Gentlemen of the Council:

I am advised that the owners of the old ice house at the corner of Moores River Drive and Logan Street are contemplating the sale of this property, and I believe this would be the opportune time for your Honorable Body to give serious consideration to the acquiring of this piece of land, because some time in the future the Logan Street bridge will have to be replaced and if we owned this property we could make a wide curve to the west from approach to the bridge. What portion of this land that would not be necessary to be used for the widening and intersection of Logan Street and Moores River Drive could be turned over to the jurisdiction of the Park Commission.

I believe it would be well at this time to have a committee take this matter up and make such recommendations to the council as they deem advisable.

I further believe that a portion of the cost of this property could be assessed in the district to the west as the removal of this building and the making of the land into a parkway surely would be considered benefiting their property.

This property is described as Lot 1, 2, 3, 4 and 5, Block 1, Cadwell Addition.

Yours very truly,
ALFRED H. DOUGHTY,
Mayor.

Referred to Committee on City Affairs and Sixth Ward Alderman.

To the Honorable Mayor and City Council of the City of Lansing:

After careful consideration, the Park Board has authorized the purchase of the property at 713 East Shiawassee Street, bounded by the Michigan Central property on the west, City property on the east, Shiawassee Street on the south and Oak Park on the north.

As this property is being handled by the Capital Bank Trust Co. as trustee in bankruptcy and will be sold at once, we are requesting the co-operation of the Council and authorization from the Council to purchase this very desirable property at \$7,500. Terms of payment will be \$4,000 down which settles the claim in bankruptcy and the assuming of the balance on contract.

Size of lot, 4 rods frontage and 20 rods depth. Modern 6-room house, garage and office building on property in good repair and on a paved street.

Offers City a chance to put in a switch from the Michigan Central.
H. LEE BANCROFT

Referred to Committee on City Affairs.

To the Honorable Mayor and City Council:

Gentlemen—

Pursuant to orders from your Honorable body I submit, herewith, special assessment rolls, for your approval, for the following improvements at estimated cost:

Paving Avon Street from Cedar Street to Linval Street.

Paving Elm Street from Grand River to Cedar River

Paving Hillsdale Street from Washington Avenue to Grand Avenue.

Paving Hillsdale Street from Washington Avenue to Pine Street.

Paving Lenawee Street from Pine Street to Butler Boulevard.

Paving Max Avenue from Main Street to Isaac Street.

Paving Middle Street from St. Joseph Street to Isaac Street.

Also for constructing a curb and gutter on Jason Court from Cedar Street to west line of Lot 13 and 42, Potter's Subdivision.

And constructing 550 feet of sewer in West Street from Isaac Street to Manufacturers R. R. and an outlet.

Respectfully submitted,

HAROLD H. CAMPBELL,
City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:
Gentlemen—

I herewith present you with plans and specifications for a trunk line sewer in Alice Avenue, Greenwood Street, Glenrose Street, Redwood Street, Jenlson Street and Willow Street from Grand River to Hape-man Street, together with an estimated cost of a 12 inch sewer over the same route.

Total estimated cost	
trunk sewer	\$42,500.00
Estimated cost 12 inch	
sewer over same route..	6,738.60
City one-sixth	1,123.10

To be assessed\$ 5,615.50

For a trunk sewer in Woodrow, Ray, Riley and Lyons Street.

Total estimated cost	
trunk sewer	\$27,000.00
Estimated cost 12 inch	
sewer over same route..	5,240.40
City one-sixth ...	873.40

To be assessed\$ 4,367.00

The property fronting on and benefited by the trunk line sewer to be built in Alice, Greenwood, Redwood, Jenlson and Willow Streets is as follows: Lots 212 to 220 inclusive, North Highland Subdivision, and commencing on the north line of

Rosedale Park Subdivision and 85 1-3 ft. East to Glenrose Avenue, North 399 feet, West 259 5-6 feet, South 444 feet, East 115 feet, North 44 feet, East 144 5-6 feet, to beginning, Lots 80 to 83 inclusive, Rosedale Park Subdivision, Lots 1 to 12 inclusive, land 34 to 44 inclusive, Redwood Subdivision, and commencing on the north line of Willow Street 462 feet west of the center of Section 8, North 165 feet, East 132 feet, thence North to the South line of Redwood Subdivision, East 330 feet, to the center line Section 8, South to Willow Street and West 462 feet, to beginning; Lots 1 and 2 Westmore Park Subdivision, and 54, 55 and 56 Pasadena Subdivision.

The new trunk sewer passes through North Highland Subdivision which is now served by a trunk sewer. The new sewer at this point serves only as an outlet to the territory to the south and west. The abutting property on Greenwood Street from Robertson to Alice Avenue and on Alice Avenue from Lot 212 North Highland Subdivision to Greenwood Street, which is now served by the existing trunk sewer, is not included in this district.

Respectfully submitted,

City of Lansing Sewerage Bonds

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value

received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000.00 lawful money of the United States of America, on the 2d day of January, 19... at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½ per cent, semi-annually, on the 2d day of January and the 2d day of July of each and every year, beginning with the 2d day of July 1925, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged.

This bond is one of a series of 300 of like tenor, except as to date of maturity, aggregating the sum of \$300,000, issued under and in pursuance of the provision of the charter of the city of Lansing and by authority of the laws of the State of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city of Lansing at an election held in said city on the 9th day of September, 1924. This issue of bonds is for the purpose of raising funds to defray the expenses of extending the sewerage and repairing the present sewerage in the city of Lansing, as prescribed in a certain resolution adopted by this council on the 28th day of July, 1924. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon the books to be kept by the city treasurer and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof the mayor and clerk of the said city of Lansing,

Ingham county, Michigan, have by order and direction of the city of Lansing officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date of January 2, 1925, by order of said council.

By Ald. Klock—

Whereas, This council did heretofore to-wit: on the 18th day of June, 1923, by resolution unanimously adopted declare it to be a public necessity and a necessary public improvement and need for the safety of the inhabitants of the city of Lansing, that a bridge be built over the Grand River and the New York Central Railway tracks either at Kalamazoo Street or St. Joseph Street, and that an estimated indebtedness of \$250,000 will be incurred in the construction and building of said Bridge; and

Whereas, This council heretofore to-wit: on the 27th day of July, 1923, at a special election duly and legally called, did submit the question of the said construction of said bridge, as stated in the resolution, heretofore, by it passed, and the issuance of the bonds of the city of Lansing in the sum of \$250,000 for the purpose of defraying the

expenses of the construction of said bridge to a vote of the qualified electors of the city of Lansing; and

Whereas, The qualified electors of the City of Lansing, by a three-fifths vote of those voting thereon, at the election held in said city on the 27th day of July, 1923, determined and approved the issuance of the bonds of the said city in the sum of \$250,000, for the purpose of building and constructing such bridge in the city of Lansing, and that such bonds should be issued as proposed in said resolution;

Whereas, The City of Lansing did on the 12th day of November, 1923, pass a certain resolution based upon the above and foregoing statements; and

Whereas, By the terms of said resolution the amount of \$250,000 of paying bonds was voted to be issued, the terms and conditions of which were set forth in said resolution; and

Whereas, But \$100,000 of said bonds were printed and sold, leaving a balance of \$150,000 voted and authorized, therefore be it

Resolved, That the City Comptroller of the city of Lansing be and is hereby directed to advertise for bids for the sale of the remaining \$150,000 of said bonds; said bids to be received up to December 29, 1924, at 7:30 o'clock p. m., Central Standard time; be it further

Resolved, That all proceedings in relation to the issuing of said bonds be carried out in conformity with the resolution passed by this council on the said 12th day of November, 1923, the said resolution of that date being hereby considered a part of this resolution.

Adopted by the following vote:

Yeas — Ald. Clapham, DeCamp, Dymond, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, VanDervoort—15.

Nays—None.

Carried.

The City Attorney and Third Ward Alderman, to whom was referred the matter of the communication of May Taylor Nipp with reference to West Street, begs leave to report as follows:

We find no record where the City has ever taken action to gain title or an easement for that part of West Street between Main Street and Isaac, although the same is traversed by the street car and the city has laid sewers along the same, and the same has been traveled to some extent for years. We also ascertain that May Taylor Nipp owns or claims to own the property on the west side of the street, also the one-half of the street which she claims to have been paying taxes upon during the time the city has occupied the same. She also made some complaints in relation to her sewer assessment, but as to that matter we do not feel that it is within our province.

However, we could recommend that the street committee take steps to either purchase or condemn that part of West street referred to.

D. G. F. WARNER,
W. H. MCKALE,

City Attorney and Third Ward Alderman.

By Ald. McKale—

That the report of the committee be adopted.

The Committee on City Affairs has investigated the property located on East Shiawassee Street, which the Park Board authorized the Council to purchase. The land is described as commencing $8\frac{1}{2}$ rods East of the West line of Section 15, T. 4 N. R. 2 W. on the north line of Shiawassee, West. Thence East 4 rods, thence North 20 rods, 6 links, thence West 4 rods, South 20 rods and 6 links to place of beginning; the time being on the West $\frac{1}{4}$ of Northwest $\frac{1}{4}$ of said Section 15.

The property is being purchased on a land contract on which there is due interest figured to December 15, 1924, the sum of \$3,538.80. The monthly payments on the contract are \$45.00 and interest at 6%, with an additional \$500 to be paid each year. The taxes including the December, 1924, taxes will be paid.

The price of the property is \$7,500, and this will require a cash payment of \$3,961.20. There is a six-room house, modern, a good office building, and an old shed on the premises.

We recommend the purchase of this property.

Gentlemen of the Council:

From the 5th to the 9th of January, 1925, the annual road show will be held in the City of Chicago, at the Coliseum. There is on display approximately Five Million dollars worth of the latest type of road equipment, and as we do from time to time find it necessary to replace more or less of our machinery, I urge you to authorize a committee to attend this exhibit with the City Engineer and Superintendent of Public Works, because there will be practical demonstrations of equipment, and anything

that we contemplate purchasing, we will be able to get a thorough and complete knowledge of the same.

Yours very truly,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:
Gentlemen—

Mr. A. R. Smith, 903 Max Avenue, has returned to this office tax receipt issued January 21, 1924, covering December, 1923, tax on Lot 16 of Subdivision of Outlot A of Stebbins-Moore Replat on Lots 1 and 2, Block 13, and Lot 2, of Block 20 of Townsend's Subdivision of the North part of Section 20, and states the tax he asked to pay was on Lot 16 of Stebbins-Moore's Replat on Lots 1 and 2, Block 13 and Lot 2, Block 20, of Townsend's Subdivision of the north part of Section 20. The tax on this latter description was returned for December, 1923.

I respectfully ask your honorable body to take the necessary steps to have an order drawn reimbursing Mr. Smith for the amount of the tax he paid, \$40.83, together with penalty on this amount, as charged by the Auditor General, \$4.70, making a total of \$45.53, as he wishes to take care of the tax receiving his attention at the office of the Auditor General.

Yours very truly,

WALTER S. CAMPBELL,

City Treasurer.

Affairs.

Resolved further, that the City Council will meet at the Council Rooms on Monday, the 29th day of December, 1924, at 7:30 o'clock, p. m., for the purpose of reviewing said assessment roll.

Adopted by the following vote:

Yeas — Ald. Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Temple-

ton, Trager, Troyer, VanDervoort—13.

Nays—None.

By Ald. Howe—

That the resolution of Ald. Howe relative to paying Mrs. Reeves \$1,000 on contract be taken from the table.

Carried.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas, one Mrs. Reeves, holds a mortgage upon the property we recently purchased from Gorman et al; and,

Whereas, we are informed that she is much in need of money, although the same is not yet due;

Resolved, that the City Clerk be and is hereby authorized and directed to draw an order upon the Contingent Fund for the sum of \$1,000.00 payable to said Mrs. Reeve, and that the same be paid to her or her agent upon a proper receipt of the same and an endorsement upon the note accompanying said mortgage, and that the Contingent Fund be reimbursed from the Garbage Collection and Disposal Fund as soon as funds are available.

By Ald. Howe—

That the resolution be amended by changing "\$1,000.00" to read \$500.00.

Carried.

The resolution was then adopted by the following vote:

Yeas — Ald. Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, Phillips, Templeton, Trager, Troyer, VanDervoort—11.

Nays—Ald. McKale, Troyer—2.

Adopted by the following vote:

Yeas — Ald. Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, VanDervoort—13.

Nays—None.

By Ald. Fowler—

That the ordinance amending Section 255 of the Lansing Building Code be read a third time.

Carried.

The ordinance was then read a third time as follows:

An ordinance to amend Section 255 of an ordinance entitled "Lansing City Building Code," "An ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to, Remodeling, Use or Occupancy of Building or their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof and wrecking of the same. Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician and Providing for the office of the Building Department, Repealing all former Ordinances conflicting therewith."

The City of Lansing ordains:

Sec. 1. That Section 255 of an Ordinance entitled: "An ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Addition to, Remodeling, Use or Occupancy of Buildings or their Parts and Structures of Every Nature in the City of Lansing Michigan; Providing for Condemnation and Stoppage of the use thereof, and wrecking of the same. Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the Office of the Building Department. Repealing all former Ordinances conflicting therewith," be amended so as to read as follows:

Sec. 255. Use of Concrete Blocks Limited.

(a) Concrete blocks may be used for masonry walls in buildings of types 1, 2 and 3, not over three stories in height above basement.

(b) Those cured with steam must be aged not less than two weeks, and others not less than three weeks, before being delivered on any job.

(c) Concrete blocks shall not be approved unless stamped with name or registered mark of maker and unless they shall stand a crushing strength at the end of twenty-eight (28) days or whenever delivered on the job of not less than seven hundred pounds (700 lbs.) per square

inch of the gross area. The materials used shall be free from dirt and other foreign matter, properly mixed and manipulated.

Absorption.

(d) The absorption of a dry block, when immersed in water for twenty-four hours shall not exceed ten per cent (10%) of the weight of the dry block.

Mortar.

(e) All walls where concrete blocks are used shall be laid up in Portland cement mortar, mixed with only sufficient lime, not to exceed 25% by volume, to make the mortar plastic. The cement shall be capable of passing the minimum requirements of Portland cement, as set forth in this ordinance. The mortar bed shall completely close all joints between adjacent blocks.

(f) No person, firm, or corporation shall use, sell or offer for sale within the City of Lansing, building blocks without first registering his, their or its name and obtaining a license therefor. All such blocks so used, sold or offered for sale within the City of Lansing shall conform in all particulars to this ordinance.

License for the Manufacture and Sale of Same.

(g) Within thirty (30) days from the passage of this ordinance, every person, firm, or corporation engaged in the manufacture or sale of concrete blocks shall be required to obtain a license from the City Clerk. The application shall be made on printed blanks furnished by the Clerk and be accompanied by a fee of five dollars (\$5.00). The license shall be from the first day of May in each year and shall be for a period of not less than one year. Licenses issued before May 1, 1925, shall expire April 30, 1926.

(h) It shall be the duty of the Building Inspector at least once in each calendar month to make a test of the blocks manufactured by all manufacturers holding a license under this ordinance. For such tests the Inspector will select either from the yards of the manufacturer or from blocks delivered for any job, two blocks, and the manufacturer shall pay to the Building Inspector the sum of one dollar (\$1.00) for each block tested.

(i) License issued under this ordinance shall be revoked for violation of any of its sections.

By Ald. Fowler—

That the ordinance entitled "An ordinance to amend Section 255 of

an ordinance entitled "Lansing City Building Code," "An Ordinance regulating all matters concerning or pertaining to the Construction, Alteration, Repairs or Additions to, Remodeling, Use or Occupancy of Buildings or Their Parts and Structures of Every Nature in the City of Lansing, Michigan; Providing for Condemnation and Stoppage of the use thereof, and wrecking of the same. Creating the Offices of Building Commissioner, Assistant Building Commissioner and City Electrician, and Providing for the office of the Building Department. Repealing all former Ordinances conflicting therewith," be now passed.

Adopted by the following vote:

Yeas—Ald. Clapham, Fowler, Howe, Kircher, Klock, Leonard, McComb, McKale, Phillips, Templeton, Trager, Troyer, Vandervoort.—13.

Nays—None.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

Whereas in September of 1923, Mrs. Jennie I. Davis, owner of N. $\frac{1}{4}$ of W. 6 rods of Lot 1, Block 65, made inquiry at the City Treasurer's Office, through her agent, regarding taxes on above mentioned property, and received only the amount of her regular tax, although a paving tax existed on the property at that time; and

Whereas, again, inquiry was made regarding December taxes of that same year, and only the amount of the regular tax was given, although the paving tax still existed; and

Whereas, she first became aware of the existence of a paving tax when her agent made inquiry for the July taxes of 1924; and

Whereas the reason for her ignorance of said paving taxes, even though no mention had been made of them by the Treasurer's office, was on account of the death in May, 1923, of her husband who had formerly handled all such matters;

Therefore, be it resolved that the amount of the penalty on the special tax, viz.: \$39.06, be and the same is hereby remitted, and that the City Clerk be and she is hereby authorized to issue a warrant for said amount payable to the City Treasurer, the same to be charged to the Contingent Fund.

Referred to Committee on City Affairs.

By Ald. Kircher—

Resolved by the City Council of the City of Lansing:

That the City Clerk be and she is hereby directed to draw an order for \$4.00 in favor of Rog. Cornwell to pay an erroneous scavenger tax on Lot 100 Breiten Park and charge the same to scavenger accounts receivable fund, and the city assessors are hereby directed to reassess said sum of \$4.00 against Lot 100 Parkview Land Co
